That's My Song!** Tracey Marino, Vance Marino, 2022-05-15. Songwriters, composers, producers. Tracey and Vance Marino have been wildly successful, placing their more than three thousand music compositions in various media. They are signed with over sixty different production music libraries and music publishers, and their music is heard daily across the globe. This guide brings together in one book all you need to know about writing, recording, marketing, and monetizing your music. Getting placements in film, TV, and media is not only about writing good music; it's about writing placeable music. And after you have written placeable music, what do you do with it? Where do you find the decision makers? How do you get all the money to which you are entitled? This book delivers the answers. You will discover: The most important quality a piece of music should have to be licensed; Tips about crafting music specifically for sync; The tools and knowledge needed to create broadcast quality recordings; Where to find the people and companies that can place your music; How to present and market your music; Why networking and following up with contacts are among the keys to success; The pros and cons of working solo or as part of a team; The importance of being professional while interacting with other people; How being organized and using metadata effectively will get you paid. Having music placed in various media is an extraordinarily financially lucrative area of the music business. And the Marinos are willing now to share their tips, secrets, and the steps to follow in order to succeed in the sync world.
