## **She Changes Everything Seeking The Divine On A Feminist Path:**

**She Changes Everything** Lucy Reid, 2005-12-12 This is not a textbook in feminist theology so much as a chronicle of Reid's own journey and an excursion through the writings of others whose thought has been pivotal for her. In the first chapter she describes my research into the use of feminine imagery for God in the Bible and Christian history. Discovering the feminine face of God was an affirming and exciting process and it opened new paths of imagery and understanding that linked women's lives to the Divine and named women's reality as holy. In the second chapter she combines the Wisdom of the Goddess with that of the God she had known reaching toward a more whole image of the Divine. Reid describes her loss of faith in a distant and transcendent God in the third chapter. In the fourth chapter she describes the freedom she experienced when abandoning the traditional concepts of sin and salvation. In the remaining chapters she describes her departure from traditional Christianity, her engagements with other religious traditions and her reframing of theology into a life sustaining earth honoring and peace making endeavor.

**Christian Goddess Spirituality** Mary Ann Beavis, 2015-10-08 This monograph focuses on Christian Goddess Spirituality (CGS), the phenomenon of mostly women who combine Christianity and Goddess Spirituality including Wicca and Witchcraft. Mary Ann Beavis's study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self-identify as combining Christianity and Goddess spirituality. Although CGS also has implications for Goddess Spirituality and related traditions e.g. Neopaganism, Wicca here CGS is considered primarily as a phenomenon within Christianity. However, the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non-Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible. In addition, biblical Jewish and Christian images of the divine such as Sophia, Shekhinah, the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon. The main themes of the study include overlaps and differences between Christian feminist theology and CGS; the routes to CGS for individual practitioners and their beliefs, practices and experiences; proto-denominational classifications; spiritual paths within CGS; CGS theology; Christian discourse about the female divine and the future of CGS in social, scientific and ecclesiological context. Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion, feminist spiritualities, feminist theology, theology, alternative spiritualities, New Religious Movements and emergent Christianities.

**Women and Pride** Luping Huang, 2018-09-30 Reinhold Niebuhr is largely regarded as the leading twentieth century theologian of sin. However, many feminist theologians criticize Niebuhr's view of pride as the primary sin, arguing that it fits only with men's experience. In this detailed study Dr Luping Huang engages with Niebuhr and his feminist critics to provide a response to the feminist critique of Niebuhr's theology of sin. Dr Huang provides a thorough analysis and examination of both the Niebuhrian and feminist understandings

of sin highlighting the strengths and limitations of both arguments While some aspects of the feminists opposition to Niebuhr s doctrine of sin are valid there are weaknesses and limitations within its own framework Through her research and interaction with women s testimonies Huang s argument bridges these two competing views of women and sin resulting in a more accurate understanding and application of the theology of sin particularly in reference to women

**The Return of Ancestral Gods** Mariya Lesiv,2013-10-01 As Ukraine struggles to find its national identity modern Ukrainian Pagans offer an alternative vision of the Ukrainian nation Drawing inspiration from the spiritual life of past millennia they strive to return to the pre Christian roots of their ancestors Since Christianity dominates the spiritual discourse in Ukraine Pagans are marginalized and their ideas are perceived as radical In The Return of Ancestral Gods Mariya Lesiv explores Pagan beliefs and practices in Ukraine and amongst the North American Ukrainian diaspora Drawing on intensive fieldwork archival documents and published sources not available in English she allows the voices of Pagans to be heard Paganism in Slavic countries is heavily charged with ethno nationalist politics and previous scholarship has mainly focused on this aspect Lesiv finds it important to consider not only how Paganism is preached but also the way that it is understood on a private level She shows that many Ukrainians embrace Paganism because of its aesthetic aspects rather than its associated politics and discusses the role that aesthetics may play in the further development of Ukrainian Paganism Paganism in Eastern Europe remains underrepresented within Pagan studies and this work helps to fill that gap Extensive comparative references to various forms of Western Paganism allows English speaking readers to better understand the world of Ukrainian Pagans

*Literature and Theology* Heather Walton,2016-12-05 This book explores current trends in the interdisciplinary study of literature and theology an area of academic activity that has developed dramatically in the past twenty years The field of study originated from the impetus to embrace the richness of imaginative

resources in theological reflection and was stimulated by the re emergence of the sacred in contemporary theory Since the mid 90s critical theory has undergone a number of significant transformations theology has become a subject of public concern and the boundaries between sacred and cultural texts have become increasingly unstable This book brings together the work of leading scholars in the field with that of emerging voices Offering an important resource for the growing number of postgraduate courses exploring the relation between religion and culture in the contemporary context this book delineates current trends in interdisciplinary debate as well as tracing emerging configurations

**The Fatherhood of God in John Calvin's Thought** Karin Spiecker Stetina,2016-03-01 Against the backdrop of feminist critique Karin Spiecker Stetina gives us a thorough study of John Calvin s ideas on the fatherhood of God After looking briefly at Calvin s own experience of fatherhood the author looks in depth at his epistemology and then his imagery for God as Father against the background of the biblical and historical doctrine This intriguing study allows us through the lens of the reformer s theology to look again at what we mean by God as Father and believers as sons and daughters of the living God

**Beyond Parochial Faith** Jeanette Blonigen Clancy,2019-05-28 Beyond Parochial Faith A Catholic Confesses weaves the author s personal story of woundedness and healing with her spiritual evolution While working through and growing from personal relationships Clancy wrestles with large questions of life s meaning Her spiritual transformation allows no denial of God s existence but her rational mind cannot accept the Christian Father Son myth She moves from parochial faith to faith informed by science world religions and the arguments of atheists Clancy denounces what she calls sexist God talk and espouses secular spirituality while also honoring Jesus and religious myths for being avenues to transcendence Beyond Parochial Faith shows a deeply spiritual life independent of religion s dictates

Nones the Goddess sexual assault the MeToo movement and a gay priest play roles in this story The author s questioning epitomizes Western spiritual evolution in the twenty first century

**Calm and Quiet My Soul** Alyssa Lynn Bell,2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God

**Does My Soul Look Big in This?** Rosemary Lain-Priestley,2012-04-12 There are big questions that most of us come up against at some stage or other maybe looking something like this Does my life have a point Do things really have to change Am I happy enough Where on earth is home Will I ever be in with the in crowd Is there never time to breathe And we have a choice To push these issues away by filling our lives with the noise and activity that will drown them out Or to face them full on seeing them as a means of exploring the deepest possibilities of our lives Does My Soul Look Big in This is a book for a generation unafraid to be vulnerable honest authentic for people longing to find for a spirituality that is relevant and real

*Bad Faith* Tom Drake-Brockman,2019-01-18 Jesus was murdered by the Jewish religious leaders whose power base was the temple of Jerusalem Saul of Tarsus later the Paul of Christianity was one of these and his brand of faith theology mirrored their theology of covenantal entitlement Thus Christianity s basic theological principles derive from those who killed Jesus This is just one of many challenging propositions backed with strong evidence that appear in this book Jesus like most Jews was attuned to faithfulness rather than pure faith to ethical behavior based on human empathy rather than metaphysical beliefs and rituals The central focus of Jesus was hesed the heart of the Jewish covenant with God which linked God s mercy to human compassion and forgiveness making both mutually interactive This hesed forgiveness was anathema to the temple s faux forgiveness and threatened its very existence Therefore Jesus came not to save us but to show us how to save ourselves Reinterpreting a key parable of Jesus in this light the Parable of the Tares Jesus can be most plausibly understood as an incarnation of Adam the original prototype human who God in Genesis appointed to oversee his creation and guide our spiritual evolution His mission was not about any sacrificial death but about establishing the spiritual humanism of Judaic hesed as the central purpose of human existence

**Religion, Feminism, and Idoloclasm** Melissa Raphael,2019-01-22 Religion Feminism and Idoloclasm identifies religious and secular feminism s common critical moment as that of idol breaking It reads the women s liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women s consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from

slavery to idols or false ideas as a means of overcoming the alienation of women's being from their own becoming. With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture, this original book also examines idoloclasm in feminist visual art, literature, direct action, and theory, not least that of the sexual politics of romantic love, the diet and beauty industry, sex robots, and other phenomena whose idolization of women reduces them to figures of the feminine same, experienced as a de-realization or death of the self. This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed. As such, it will be vital reading for scholars in theology, religious studies, gender studies, visual studies, and philosophy.

**Explorations in Twentieth-century Theology and Philosophy** Ann Loades, 2023-04-11 Ann Loades has been instrumental in bringing forward for the attention of readers in later generations voices from the past, notably highlighting the work of pioneering women such as Evelyn Underhill and Dorothy L. Sayers, as well as advancing the study of better known Anglican forebears C. S. Lewis and Austin Farrer, always with her own distinctive concerns. **New Books on Women and Feminism**, 2006 *The Metaphor of Gender* Katherine Abetz, 2025-01-06 Surely from now on all generations will call me blessed. Luke 1:48. Trying to suppress sexual difference is to invite a genocide more radical than any destruction that has ever existed in History. Luce Irigaray. Gendered identity always a sore spot in church history, looks set to become a major thorn in the cultural flesh. Mary has

played more than one part in that history often in constricting ways Is something missing here Where are the generations who call her blessed Where are those who celebrate the interactions of divinity and humanity female and male in the announcement of a pregnant woman with God in utero This book follows The Wizard s Illusion revisiting the Land of Oz Traveling companions range from Elizabeth A Johnson to Paul Ricoeur and C S Lewis from Augustine and Karl Barth to Grace M Jantzen and Catherine Keller The quest is the imago Dei with its interweaving motifs in which there is room for the other in which gender is a metaphor for something far greater Identity meaning or postmodern ambiguity Vive la diff rence or vive la diff rence That is the question for our generation *The British National Bibliography* Arthur James Wells,2006

**Testing the Boundaries** Patricia 'Iolana, Samuel Tongue,2011-01-18 As individuals we have the ability although not always the opportunity to create our own paradigmatic image of the Divine moreover as a society we can alter transform or even replace those paradigms Progressive movements exist in nearly every faith tradition moving towards the future of our world and our belief systems these movements include both radical and reformist thinkers and they are challenging the lenses that we employ to image worship connect with and understand the Divine With so many possible interpretations and paradigms competing for social acceptance and support the choice must be made carefully and wisely bearing in mind the inevitability of change whilst remaining open to pluralities of thought and practice This is especially important when it comes to the future of theology and religious studies in particular to the relations between the various global faith traditions In *Testing the Boundaries* ten scholars explore the praxis of faith including our image of Self in relation to the Divine our relation to the religious Other our struggle for religious identity in new locales the limits of language and translations in sacred texts our responsibility to nature our nomadic and transitory tendencies traditions in the academy and our interreligious relationships They test the boundaries of traditional theology and their interdisciplinary fields dancing in the liminal space where possibilities gather
