Sheba Slept Here:

Sheba Slept Here Alan Caillou, 2000-06-27 Right after World War II a large part of the territory belonging to Ethiopia was declared a Reserved Area under U N mandate until its ownership could be formally decided and supervised by the British Alan Caillou still in the British army after serving in North Africa found himself appointed its Police Commissioner He became responsible for supervising law and order in a territory including a desert plain mountains two small towns and a railroad line whose boundaries were defined as about 300 miles long and 20 feet wide This book is the warm and amusing account of his two years there With affection and understanding Alan Caillou evokes the charm of this strange land and its sometimes strange customs Alan Caillou is an author with a thirst for adventure During World War II he served with the British Intelligence Corps behind enemy lines in North Africa was captured by the Italians and escaped just before his scheduled execution He then joined the guerillas to fight in Yugoslavia and Italy After the war he returned to Africa to become a safari guide Mr Caillou now makes his home in Arizona *Stewart's Quotable Africa* Julia Stewart, 2012-10-02 The African continent is home to spectacularly expressive human beings rebellious anti colonial and opposition leaders eloquent novelists political and social activists comical geniuses pensive and philosophical poets and intellectuals as well as a few raving dictators And the body of proverbial wisdom from Africa alone could fill many volumes Despite being eminently quotable Africa is not so readily quoted Stewart's Quotable Africa covers the whole of Africa north to south and east to west and includes memorable statements from hundreds of speakers including Nelson Mandela Doris Lessing Chinua Achebe Julius Nyerere Kofi Annan among others as well as biblical passages and proverbs Julia Stewart has spent over a decade collecting the 5000 plus quotes found in this book all of them either by Africans or about African subjects *Queen Sheba's Ring* H. Rider Haggard, 2022-09-16 In Queen Sheba's Ring H Rider Haggard crafts a captivating tale that intertwines adventure archaeology and rich folklore rooted in the speculative history of the legendary Queen of Sheba The novel transports readers to the sun drenched landscapes of the Middle East and Africa employing Haggard's signature blend of vivid imagery and evocative prose This narrative stands in the tradition of late Victorian exploration literature where the allure of the unknown and the fantastical dance seamlessly with historical inquiry inviting readers to ponder the intersections between myth and reality Haggard a prominent figure in the adventure genre is recognized for his earlier works such as King Solomon's Mines which similarly explores themes of discovery and conquest His extensive travels and engagement with colonial cultures informed his passion for storytelling allowing him to blend real world locations with fantastical lore Haggard's interest in biblical history and ancient civilizations profoundly shapes the narrative of Queen Sheba's Ring reflecting his fascination with lost empires and the quest for truth in histories obscured by time This novel is highly recommended for readers who appreciate richly woven tales that challenge the boundaries of history and fantasy Fans of Haggard's work as well as those intrigued by the enigmatic figure of the Queen of Sheba will find in this novel both adventure and intellectual

engagement making it a compelling addition to any collection **Queen Sheba's Ring - The Ultimate Treasure Hunt**

Tale Henry Rider Haggard, 2017-06-21 Queen Sheba's Ring is an adventure novel by H Rider Haggard set in central Africa. The treasure hunt tale about the discovery of a ring given to the Queen of Sheba by King Solomon himself, the battle of two warring tribes and mysterious lost cities. This exciting and exotic story features plotting, priests, beautiful women and daring British adventurers. Sir Henry Rider Haggard 1856-1925 was an English writer of adventure novels and dark fantasy stories set in exotic locations, predominantly Africa, and a pioneer of the Lost World literary genre Queen Sheba's Ring Henry Rider Haggard, 1916 Eccentric Graces Julia Stewart, 1999 There are some places that hound the imagination of a traveller for many years before they actually visit. The ancient lands of Eritrea and Ethiopia had such an effect on Julia Stewart and in this travelogue she brings to life the breathtaking landscapes, the gentle culture and rich history of these countries. Essential reading for anyone visiting Eritrea or Ethiopia. Illustrated with b/w photos Golden Legends W. B. Carnochan, 2008 From the eighteenth century to the present, travellers, explorers, journalists, imaginative writers like Samuel Johnson and legendary reggae musician Bob Marley have shared a fascination with Abyssinia. So did even earlier writers and mapmakers who thought Abyssinia was the land of the mythical and fabulously rich Christian ruler Prester John. The principal subject of this book is the allure of the exotic as represented by Abyssinia to the British imagination. In addition to Johnson and Marley, some others included are the eighteenth-century Scot James Bruce, nineteenth-century explorer Richard Burton, author Evelyn Waugh, Wilfred Thesiger, best known of twentieth-century British explorers, Sylvia Pankhurst, crusading journalist and daughter of the suffragist Emmeline Pankhurst, and the contemporary Irish traveller Dervla Murphy. The author also considers the beginnings of anthropology and the variations of quest narrative in modern travel writing **Queen Sheba's Ring** Haggard H.R., 2006 Sir Henry Rider Haggard was an English writer of adventure novels set mostly in Africa and a founder of the Lost World literary genre. Lauded by many as one of the greatest storytellers of the Victorian period, he created Queen Sheba's Ring, a thrilling page-turner set in exotic foreign lands. The discovery of a ring given to the Queen of Sheba by King Solomon himself launches this tale of romance and adventure Sacrifice Andrew Vachss, 1996-01-30 What or who could turn a gifted little boy into a murderous thing that calls itself Satan's Child? In search of an answer, a man named Burke travels from a festering welfare hotel to a neat frame house where a voodoo priestess presides over a congregation of assassins. For this vigilante and unlicensed private eye, he has made it his business to defend the small victims whom the law has failed, even a child who has been made into a killer. Gripping and chillingly knowledgeable about the mechanisms of evil, *Sacrifice* is a thriller of savage authority from one of the best crime writers of our generation *Return of the Sleeping Warriors* Petra M Costa, 2017-06-16 It is a world where magic once ruled. Where mystical beasts and power-hungry magic wielders fought for control. The balance ever shifting between order and anarchy. It is our world and the struggle is all but forgotten. Old legends whisper of the battles once fought; folklore gives hints of the dangers that still exist, but it all happened
