Major General John Alexander McClernand Politician In Uniform

Charles Dana Miller

Major General John Alexander McClernand Politician In Uniform:

Major General John Alexander McClernand Richard L. Kiper,1999 A sympathetic assessment of Major General John Alexander McClernand a highly controversial individual who served his country as soldier and statesman It sheds light on the Union command systems and the politics of war as well as the personalities and relationships among senior officers

Politician in Uniform Richard L. Kiper,1998 Union General John A. McClernand and the Politics of Command Christopher C. Meyers,2010-10-25 John A McClernand was a career politician and those ambitions and qualities continued during his Civil War service A member of the Illinois General Assembly and a U S Representative for 10 years McClernand was connected to other prominent figures of the time such as Abraham Lincoln and Stephen Douglas However he is best known for his rivalry with Gen Ulysses S Grant and this biography balances McClernand s political career with his military leadership and his place in the Union command structure A Politician Turned General Jeffrey Norman Lash,2003 A Politician Turned General offers a critical examination of the turbulent early political career and the controversial military service of Stephen Augustus Hurlbut an Illinois Whig Republican politician and Northern political general who rose to distinction as a prominent member of the Union high command in the West during the Civil War Though traditionally there are two different characterizations of those who exercised command during the Civil War soldier politician and the political generals Hurlbut was viewed as a military politician This book provides an important study of another friend and or political supporter of Lincoln who rose to general during the war and gained important appointments after the war This first biography of Hurlbut chronicles the early life and the Civil War career of one of Abraham Lincoln s foremost military appointments Through exhaustive research of primary and secondary sources author Jeffrey N Lash identifies and evaluates the successes and failures of Hurlbut s generalship and combat leadership both as a field commander in Missouri in 1861 and as a division commander at the Battles of Shiloh and Hatchie Bridge in 1862 Featuri **Washington Roebling's Civil War** Diane Monroe Smith,2019-07-01 Washington Roebling is well known as the man who supervised construction of the Brooklyn Bridge His path to overseeing that monumental task began during the Civil War In addition to his brave dramatic actions at Gettysburg his Civil War service was remarkable artilleryman bridge builder scout balloonist mapmaker engineer and staff officer His story reveals much about Gettysburg but also about Civil War intelligence and engineering and the politics and infighting within the Army of the Potomac s high command Roebling s service leadership engineering decision making and managing personalities and politics prepared him well for overseeing the Brooklyn Bridge *The Cambridge History of the American Civil War: Volume 2, Affairs of the State* Aaron Sheehan-Dean,2019-10-31 This volume explores the political and social dimensions of the Civil War in both the North and South Millions of Americans lived outside the major campaign zones so they experienced secondary exposure to military events through newspaper reporting and letters home from soldiers Governors and Congressmen assumed a major role in steering the personnel decisions strategic planning and methods of

fighting but regular people also played roles in direct military action as guerrilla fighters as nurses and doctors and as military contractors Chapters investigate a variety of aspects of military leadership and management including coverage of technology discipline finance the environment and health and medicine Chapters also consider the political administration of the war examining how antebellum disputes over issues such as emancipation and the draft resulted in a shift of partisan dynamics and the ways that people of all stripes took advantage of the flux of war to advance their own interests

Assembly West Point Association of Graduates (Organization).,1999 **Vicksburg and Chattanooga** Jack H. Lepa,2014-09-24 Few Civil War events produced more important strategic results for the Union than the taking of Vicksburg and Chattanooga Along with the Federal triumph at Gettysburg these gains were decisive in bringing about final Union victory Ulysses S Grant was the man in charge of the Federal forces His solid competence and willingness to take calculated risks enabled him to overcome the twin challenges of difficult terrain and heroic Confederate resistance at Vicksburg and to prevail against seemingly unassailable enemy positions at Chattanooga This book is the story of the courage and determination that accompanied the triumphs and blunders of both sides Parameters ,2000 **Vicksburg** Donald L. Miller,2020-10-20 Winner of the Civil War Round Table of New York s Fletcher Pratt Literary Award Winner of the Austin Civil War Round Table s Daniel M Marilyn W Laney Book Prize Winner of an Army Historical Foundation Distinguished Writing Award A superb account The Wall Street Journal of the longest and most decisive military campaign of the Civil War in Vicksburg Mississippi which opened the Mississippi River split the Confederacy freed tens of thousands of slaves and made Ulysses S Grant the most important general of the war Vicksburg Mississippi was the last stronghold of the Confederacy on the Mississippi River It prevented the Union from using the river for shipping between the Union controlled Midwest and New Orleans and the Gulf of Mexico The Union navy tried to take Vicksburg which sat on a high bluff overlooking the river but couldn t do it It took Grant s army and Admiral David Porter s navy to successfully invade Mississippi and lay siege to Vicksburg forcing the city to surrender In this elegant enlightening well researched and well told Publishers Weekly work Donald L Miller tells the full story of this year long campaign to win the city with probing intelligence and irresistible passion Booklist He brings to life all the drama characters and significance of Vicksburg a historic moment that rivals any war story in history In the course of the campaign tens of thousands of slaves fled to the Union lines where more than twenty thousand became soldiers while others seized the plantations they had been forced to work on destroying the economy of a large part of Mississippi and creating a social revolution With Vicksburg Miller has produced a model work that ties together military and social history Civil War Times Vicksburg solidified Grant s reputation as the Union s most capable general Today no general would ever be permitted to fail as often as Grant did but ultimately he succeeded in what he himself called the most important battle of the war the one that all but sealed the fate of the Confederacy **Lincoln and Grant** Edward H. Bonekemper,2015-03-23 Lincoln and Grant is an intimate dual portrait of President Abraham Lincoln and General Ulysses S

Grant their ordinary Western backgrounds their early struggles to succeed and their history making relationship during the Civil War Though generally remembered by history as two very different personalities the soft spoken Lincoln and often crude Grant in fact shared a similar drive and determination as this in depth character study illustrates This Mighty Scourge James M. McPherson, 2009-10-12 The author of the Pulitzer Prize winning *Battle Cry of Freedom* and the New York Times bestsellers *Crossroads of Freedom* and *Tried by War* among many other award winning books James M McPherson is America s preeminent Civil War historian In this collection of provocative and illuminating essays McPherson offers fresh insight into many of the enduring questions about one of the defining moments in our nation s history McPherson sheds light on topics large and small from the average soldier s avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South Readers will find insightful pieces on such intriguing figures as Harriet Tubman John Brown Jesse James and William Tecumseh Sherman and on such vital issues as Confederate military strategy the failure of peace negotiations to end the war and the realities and myths of the Confederacy This *Mighty Scourge* includes several never before published essays pieces on General Robert E Lee s goals in the Gettysburg campaign on Lincoln and Grant in the Vicksburg campaign and on Lincoln as Commander in Chief All of the essays have been updated and revised to give the volume greater thematic coherence and continuity so that it can be read in sequence as an interpretive history of the war and its meaning for America and the world Combining the finest scholarship with luminous prose and packed with new information and fresh ideas this book brings together the most recent thinking by the nation s leading authority on the Civil War *Practical Liberators* Kristopher A. Teters, 2018-04-24 During the first fifteen months of the Civil War the policies and attitudes of Union officers toward emancipation in the western theater were at best inconsistent and fraught with internal strains But after Congress passed the Second Confiscation Act in 1862 army policy became mostly consistent in its support of liberating the slaves in general in spite of Union army officers differences of opinion By 1863 and the final Emancipation Proclamation the army had transformed into the key force for instituting emancipation in the West However Kristopher Teters argues that the guiding principles behind this development in attitudes and policy were a result of military necessity and pragmatic strategies rather than an effort to enact racial equality Through extensive research in the letters and diaries of western Union officers Teters demonstrates how practical considerations drove both the attitudes and policies of Union officers regarding emancipation Officers primarily embraced emancipation and the use of black soldiers because they believed both policies would help them win the war and save the Union but their views on race actually changed very little In the end however despite its practical bent Teters argues the Union army was instrumental in bringing freedom to the slaves *Grant and Lee* Edward H. Bonekemper, III, 2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to

Grant by Lee's excessive casualties in Virginia the consequent drain of Confederate resources from Grant's battlefronts and Lee's refusal and delay of reinforcements to the combat areas where Grant was operating. The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee's own priorities constantly undermined the Confederacy's chances of winning the war. Building on detailed accounts of both generals' major campaigns and battles, this book provides a detailed comparison of the primary military and personal traits of the two men. That analysis supports the preface discussion and the chapter-by-chapter conclusions that Grant did what the North needed to do to win the war: be aggressive, eliminate enemy armies, and do so with minimal casualties. 154,000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties, 209,000, and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy. In addition, readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army, battle by battle.

The Struggle for the Life of the Republic Charles Dana Miller, 2004. Brevet Major Miller served as a regimental adjutant and rose in rank to captain. He describes in detail the hardships and routines of camp life and the battles from Fort Donelson to Jonesboro. This post-war memoir includes descriptions and impressions of such leaders as Ulysses S. Grant.

Widows by the Thousand Theophilus Perry, Harriet Perry, 2000-01-01. This collection of letters written between Theophilus and Harriet Perry during the Civil War provides an intimate firsthand account of the effect of the war on one young couple. Perry was an officer with the 28th Texas Cavalry, a unit that campaigned in Arkansas and Louisiana as part of the division known as Walker's Greyhounds. His letters describe his service in a highly literate style that is unusual for Confederate accounts. He documents a number of important events, including his experiences as a detached officer in Arkansas in the winter of 1862-63, the attempt to relieve the siege of Vicksburg, mutiny in his regiment, and the Red River campaign, just before he was killed in the battle of Pleasant Hill. Harriet's writings allow the reader to witness the everyday life of an upper-class woman enduring home-front deprivations, facing the hardships and fears of childbearing and childrearing alone, and coping with other challenges resulting from her husband's absence.

The Myth of the Lost Cause Edward H. Bonekemper, 2015-10-05. History isn't always written by the winners. Twenty-first-century controversies over Confederate monuments attest to the enduring significance of our nineteenth-century Civil War. As Lincoln knew, the meaning of America itself depends on how we understand that fratricidal struggle. As soon as the Army of Northern Virginia laid down its arms at Appomattox, a group of Confederate officers took up their pens to refight the war for the history books. They composed a new narrative, the Myth of the Lost Cause, seeking to ennoble the sacrifice and defeat of the South, which popular historians in the twentieth century would perpetuate. Unfortunately, that myth would distort the historical imagination of Americans north and south for 150 years. In this balanced and compelling correction of the historical record, Edward

Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans **Ulysses S. Grant: A Victor, Not a Butcher** Edward H. Bonekemper, III, 2010-10-11

Ulysses S Grant is often accused of being a cold hearted butcher of his troops In Ulysses S Grant A Victor Not a Butcher historian Edward H Bonekemper III proves that Grant s casualty rates actually compared favorably with those of other Civil War generals His perseverance decisiveness moral courage and political acumen place him among the greatest generals of the Civil War indeed of all military history Bonekemper proves that it was no historical accident that Grant accepted the surrender of three entire Confederate armies and won the Civil War Bonekemper ably silences Grant s critics and restores Grant to the heroic reputation he so richly deserves **Chicago's Battery Boys** Richard Brady Williams, 2005-09-19

The history of an artillery unit and its role in the Civil War at Vicksburg and beyond with photos maps and illustrations The celebrated Chicago Mercantile Battery was organized by the Mercantile Association a group of prominent Chicago merchants and mustered into service in August of 1862 The Chicagoans would serve in many of the Western theater s most prominent engagements until the war ended in the spring of 1865 The battery accompanied Gen William T Sherman during his operations against Vicksburg as part of the XIII Corps under Gen Andrew Jackson Smith The artillerists performed well throughout the campaign at such places as Chickasaw Bluff Port Gibson Champion Hill Big Black River and the siege operations of Vicksburg Ancillary operations included the reduction of Arkansas Post Fort Hindman Milliken s Bend Jackson and many others After reporting to Gen Nathaniel Banks commander of the Department of the Gulf the Chicago battery transferred to New Orleans and ended up taking part in Banks s disastrous Red River Campaign in Louisiana The battery was almost wiped out at Sabine Crossroads where it was overrun after hand to hand fighting Almost two dozen battery men ended up in Southern prisons Additional operations included expeditions against railroads and other military targets Chicago s Battery Boys is based upon many years of primary research and extensive travel by the author through Illinois Mississippi Arkansas and Louisiana Richard Williams skillfully weaves contemporary accounts by the artillerists themselves into a rich and powerful narrative that is sure to please the most discriminating Civil War reader Measures up to the standard of excellence set for this genre by the late John P Pullen back in 1957 when he authored The Twentieth Maine A Volunteer Regiment in the Civil War Edwin C Bearss from the Foreword **The 47th Indiana Volunteer Infantry** David

Williamson, 2014-01-10 Organized at Indianapolis in December 1861 the 47th Indiana Volunteer Infantry s Civil War service spanned the Mississippi Valley and the Gulf South From Louisville to New Orleans and on to Mobile General James R Slack and the 47th Indiana took the war to the inland waterways and southern bayous fighting in many of the Civil War s most famous campaigns including Vicksburg Red River and Mobile This chronicle of the 47th Indiana follows the regiment s odyssey through the words of its officers and men Sources include Chaplain Samuel Sawyer s account of their exploits in the Indianapolis Daily Journal soldiers accounts in Indiana newspapers stories of war and intrigue from newspapermen of the

Bohemian Brigade and General Slack's own story in letters to his wife Ann including his postwar command on the Rio Grande
Numerous photographs previously unpublished battle and area maps and a full regimental roster complete this detailed account
