Major Themes From Minor Prophets:

Major Themes from the Minor Prophets Harry Young, 1996-01-01 **Major Themes from the Minor Prophets** Gerald H. Twombly, 1981 They might have appeared as a rag tag group One was a shepherd and another's skin was bleached from his harrowing experience One was even the descendant of a king Their backgrounds were diverse and their audiences varied but they were alike in one unique respect they bore the message of God to their world Major Themes From the Minor Prophets is a survey of the concluding twelve books of the Old Testament Centuries have passed since these discerning messages were delivered but the topics are relevant This book provides a penetrating perspective to our day Back cover *Minor Prophets, Major Themes* Daniel Berrigan, 2009-04-08 One of Daniel Berrigan's best works Minor Prophets Major Themes offers poetic insightful commentary on the books of Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi From his own experience in the prophetic struggle to end war and injustice Berrigan brings these ancient texts to new life and uses them to shed light on the life and death struggles for justice and peace today The author takes these often neglected prophetic works and shows how they speak to us with even greater urgency pushing us to become a prophetic people to take up the major themes of justice disarmament nonviolence compassion and peace There is simply no other commentary like it **Proclamation and Promise** David Lee Lipe, Freed-Hardeman University, 2011 **The Books of The Minor Prophets** Brian Simmons, 2024-11-05 The books of the Minor Prophets resound with fierce condemnations of injustice and stunning examples of Yahweh's persistent mercy Centuries old prophecies come to pass justice is served to corrupt leaders and the oppressed are delivered The book of Hosea presents an intimate allegory of God's love The books of Joel Amos and Zephaniah proclaim the judgment and blessing of the coming day of Yahweh The book of Jonah shows God's eagerness to forgive The books of Obadiah Micah and Nahum vividly warn of Yahweh's wrath on economic exploitation and the enemies of his people The book of Habakkuk discusses why evil sometimes prospers The books of Haggai Zechariah and Malachi share prophecies of encouragement from when God's people rebuilt the temple and reclaimed hope after decades in exile These twelve books balance justice and mercy inspiring us to live uprightly as we await the universal spiritual renewal and righting of wrongs Yahweh will bring one day I will keep watching for Yahweh to break through and I know my God will hear my cry Micah 7:7 **A Theology as Big as the City** Raymond J. Bakke, 2025-07-29 As we look at the world class cities around our planet we face five new urban realities a crack cocaine epidemic assault weapons massive numbers of homeless children HIV AIDS and in the U S what Time magazine has called the browning of America The needs of the urban population are greater than ever As our cities swell with immigrants I'm reminded that Jesus was born in a borrowed barn in Asia and became an African refugee in Egypt so the Christmas story is about an international migrant Furthermore a whole village full of baby boys died for Jesus before he had the opportunity to die for them on the cross Surely this Jesus understands the pain of children who die for the sins of adults in our cities How

does God see the city What does Scripture have to say about urban ministry These are the questions Ray Bakke has systematically addressed beginning with Genesis and continuing through to Revelation Here is a biblical theology that will constantly surprise and challenge as you get a glimpse of how big God's view of the city really is **The Oxford Handbook of the Minor Prophets** Julia M. O'Brien, 2021 The Oxford Handbook of the Minor Prophets provides a clear and engaging one volume guide to the major interpretative questions currently engaging scholars of the twelve Minor Prophets Essays by both established and emerging scholars explore a wide range of methodological perspectives **The Bible Knowledge Commentary Minor Prophets** John F. Walvoord, Roy B. Zuck, 2018-03-01 God's Love and Justice on Display What do we know about the date of Joel's ministry How do the warnings of Malachi relate to the Book of Revelation How did Amos's profession as a rancher influence his prophetic voice Drawing on the research of internationally known Bible scholars this detailed commentary looks at each verse of the final books of the Old Testament The words of the minor prophets draw us closer to God by teaching us about His enduring love His judgment to the unfaithful and mercy to the repentant and His call to restoration for people who have suffered Covering every book from Hosea through Malachi this commentary shows the meaning behind these powerful prophecies while reminding us how ordinary people spoke extraordinary truth on behalf of a loving and just God **Minor Prophets in a Major Key** Chris Woodall, 2018-01-24 All Scripture is God breathed but not every portion of it is embraced by Christians with equal vigor Tribal lists specific sacrificial obligations seemingly endless genealogical records and apparently gratuitous acts of warfare are readily scanned over But could the minor prophets be added to that list Should they be They certainly seem more difficult to locate for many of us than say the books of Moses or the Psalms The writer is clear in his assessment from the start positing that our relative ignorance of these twelve books tucked away at the end of the Old Testament impinges negatively on the Christian believer's walk Covering a period of around four hundred years each book is revealed through two contextual settings the historical and that which was personal to the individual pensmith before a brief overview reveals the main points of that author's writing The bulk of each chapter is concerned with the Major Key of the title Taking a verse or two from each of the minor prophets Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty first century from lessons over two and a half thousand years old Chris Woodall is former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three Covenant the Basis of God's Self Disclosure 2011 Kingdom the Expression of God's Rule 2012 and Atonement God's Means of Effecting Man's Reconciliation 2015 are also available from this publisher and other outlets Minor Prophets II (Understanding the Bible Commentary Series) John Goldingay, Pamela J. Scalise, 2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with

the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes

content and introduces each book God's Kingdom through His Priest-King J. Alexander Rutherford, 2019-05-24 Though many studies have probed the significance of the Davidic Covenant 2 Sam 7 1 17 within the biblical canon few have endeavoured to explore its significance within the narrative of Samuel This thesis argues that by weaving references to God s promises made to David collectively known as the Davidic Covenant throughout his narrative that author of Samuel reveals God s will to strip away all human pretension by bringing His promises to fulfillment through the lowly David whose ascension to kingship and endurance therein is owing all to God In this way the author fulfills his purpose to demonstrate God s sovereign working in history to establish His kingdom on earth through His chosen priest king a descendant of David in fulfillment of the promises He made beforehand Engaging in a literary close reading of the text of Samuel the author shows how the narrative of Samuel is shaped towards this end Habakkuk Heath A.
