Women in Love Larry Kramer,2007-12-01 Screenplays and scripts from the playwright of *The Normal Heart* A valuable showcase of an important writer s early career The Bay Area Reporter Larry Kramer has been described by Susan Sontag as one of America s most valuable troublemakers As Frank Rich writes in his Foreword to this collection of writings for the screen and stage his plays are almost journalistic in their observation of the fine grained documentary details of life that may well prove timeless The title work the Oscar nominated screenplay for *Women in Love* is a movie as sensuous as anything you ve probably ever seen on film The New York Times The screenplay is accompanied by Kramer s reflections on the history of the production sure to be of interest to any student of film This volume also includes several early plays *Sissies Scrapbook* A Minor Dark Age and the political farce *Just Say No* illuminating the development of one of our most important literary figures Since his screenplay for *Women in Love* Kramer has been a prophet of psychic health and catastrophe among us from The

American Academy of Arts and Letters citation Women in Love A visual stunner and very likely the most sensual film ever made New York Daily News Throughout Larry Kramer s literate scenario the Lawrentian themes blaze and gutter The sooty mind crushing coal mines that Lawrence knew like the back of his hand are re created in all their malignance The annealing quality of sex is exhibited in the most erotic and tasteful lust scenes anywhere in contemporary film Time At Home Gore Vidal,2018-08-22 Written by America s finest essayist New Statesman At Home brings together twenty four essays on subjects ranging from Henry James to Nancy Reagan Oscar Wilde to Oliver North Hollywood to Mongolia From the leaders and lunacies of contemporary America to reminiscences of his own childhood whether answering his own critics or excoriating the current state of literature Gore Vidal is as always elegant incisive and brilliant As provocative and perceptive a social and literary critic as America has today Newsweek Vidal s pieces grab one s attention and refuse to let go At once forthright and mendacious smart and demented they re written with panache vigor and a caustic often perverse wit As a stylist he s almost a national treasure Wall Street Journal I can t think of any writer more certain to have exactly the right opinion on absolutely everything Washington Post Book World **Make-believe** Laurence Leamer,1984 **United States: Essays 1952-1992** Gore Vidal,2018-09-25 A compilation of 114 classic essays from Gore Vidal A marvelous compendium of sharp wit and independent judgment that confirms his status as a man of letters Publishers Weekly From the age of Eisenhower to the dawning of the Clinton era Gore Vidal s United States offers an incomparably rich tapestry of American intellectual and political life in a tumultuous period It also provides the best most sustained exposure possible to the most wide ranging acute and original literary intelligence of the post World War II years United States is an essential book in the canon of twentieth century American literature and an endlessly fascinating work **The Politics of the President's Wife** MaryAnne Borrelli,2011-08-15 As the West Wing has grown in power and organizational complexity during the modern presidency so has the East Wing office home to the First Lady of the United States This groundbreaking work by MaryAnne Borrelli offers both theoretical and substantive insight into behind the scenes developments from the time of Lou Henry Hoover to the unfolding tenure of Michelle Robinson Obama Political scientists and historians have recognized the personal influence the First Lady can exercise with her husband and they have noted the moral ethical and sometimes policy leadership certain presidents wives have offered Nonetheless scholars and commentators alike have treated the personal relationship and the professional relationship as overlapping Borrelli offers a compelling counter perspective that the president s wife exercises power intrinsic to her role within the administration Like others within the presidency she has sometimes presented the president s views to constituents and sometimes presented constituents views to the president thus taking on a representative function within the system In mediating president constituent relationships she has given a historical and social frame to the presidency that has enhanced its symbolic representation she has served as a gender role model enriching descriptive representation in the executive branch and she has participated in policy initiatives to

strengthen an administration's substantive representation. These contributions have been controversial as might be predicted for a gender outsider but they have unquestionably made the First Lady a representative of and to the president and by extension the president's administration. **The Raising of a President** Doug Wead, 2005 B T Local 01 23 2010 26 00
