

**FROM THE MILLION-COPY BESTSELLING AUTHOR
OF LEADERSHIP SECRETS OF ATILA THE HUN...**

MAKE IT SO

The fast-changing business world of today is far different from just a few years ago. Success in today's marketplace requires new leadership techniques, new thinking, and an eye on the future....

In **MAKE IT SO: LEADERSHIP LESSONS FROM *STAR TREK: THE NEXT GENERATION***[®], Wess Roberts and coauthor Bill Ross take their inspiration from today's most striking and most popular vision of the future—*Star Trek*[®]—an unprecedented television, feature film and publishing phenomenon. From the top-rated television series *Star Trek: The Next Generation*, Roberts and Ross find a new symbol for successful leadership: Captain Jean-Luc Picard.

As entertaining as it is useful, **MAKE IT SO** captures the mythos of *Star Trek: The Next Generation* as it delivers dramatically rich lessons on leadership, including the importance of the ability to focus on a single "mission," effective communication, teamwork, honor...and other important concepts. The examples are taken from the on-screen adventures of Captain Picard and the *Starship Enterprise*[™], but the lessons and the benefits are real—and can be applied to everyday situations where the goal is the kind of high-performance organization embodied by the crew of the *U.S.S. Enterprise*[™] 1701-D.

Sure to appeal to *Star Trek* enthusiasts and serious students of leadership alike, **MAKE IT SO** is the most exciting business book on the shelves—the one book that shows the future of modern leadership while giving managers the tools they need for success today!
