Making A European Welfare State Convergences And Conflicts Over European Social Policy:

Making a European Welfare State? Peter Taylor-Gooby, 2003 This volume provides an account of developments in Europe across a range of policy fields from labour markets to disability and poverty to health care **The European Social Model Adrift** Serena Romano, Gabriella Punziano, 2016-03-09 This volume presents a new perspective for discussing the European social contract and its main challenges bringing together single nation and comparative studies from across Europe Presenting both theoretical discussions and empirical case studies it explores various aspects of social cohesion including social protection the labour market social movements healthcare social inequalities and poverty With particular attention to the effects of the international economic and financial crisis on social cohesion particularly in the light of the implementation of so called austerity measures authors engage with questions surrounding the possible fragmentation of the European model of social cohesion and the transformation of forms of social protection asking whether social cohesion continues to represent if it ever did a common feature of European countries Breaking new ground in understanding the future of Social Europe and its main dynamics of change The European Social Model Adrift will appeal to scholars of sociology social policy and politics with interests in social cohesion the effects of financial crisis and the European social model Ideas and Welfare State Reform in Western Europe P. Taylor-Gooby, 2005-08-02 The new welfare settlement in Europe involves a re direction of policy in the context of a unified market and currency system and of more stringent economic competition Realignment of the policy assumptions and goals of the key actors is central to this process This book reviews the main policy paradigms and analyzes the processes whereby they have changed in the most salient policy areas and is based on recent interviews with more than two hundred and fifty senior policy actors in seven West European countries *Social Policy and Citizenship* Adalbert Evers, Anne-Marie Guillemard, 2013 Taking nine European countries as case studies the contributions to this volume analyze the ways that citizenship has changed in key areas such as social security labor market policies and social services *Evidence and Evaluation in Social Policy* Ian Greener, Bent Greve, 2013-12-10 By examining the role of evidence in social policymaking and the extent of its influence Evidence and Evaluation in Social Policy delves deeply into one of the central questions of the field for the last 20 years Chronicles the trend towards evidence based policy over the last decade Assesses the ways in which scarce resources can best be used for the best care particularly in times of austerity Describes methodological innovation the ways in which researchers and politicians are working together effectively and suggestions for future improvement Covers topics such as the role of randomized controlled trials in shaping public policy the pitfalls of evidence based policy as a prescriptive ideal the challenges of measuring public support for policy interventions and the benefits of engaging local government decision makers with evaluation research *Routledge Handbook of European Sociology* Sokratis Koniordos, Alexandros Kyrtsis, 2014-09-04 The Routledge Handbook of European Sociology explores the main aspects of the work and scholarship of

European sociologists during the last sixty years 1950-2010 a period that has shaped the methods and identity of the sociological craft. European social theory has produced a vast constellation of theoretical landscapes with a far reaching impact. At the same time there has been diversity and fragmentation, the influence of American sociology and the effect of social practice and transformations. The guiding question is: does European Sociology really exist today and if the answer is positive, what does this really mean? Divided into four parts, the Handbook investigates intellectual and institutional settings, regional variations, thematic variations, European concerns. The Handbook will provide a set of state of the art accounts that break new ground, each contribution teasing out the distinctively European features of the sociological theme it explores. It will be of interest to students and scholars across the social sciences and humanities.

Policy Convergence in the UK and Germany Simon Green, 2007-12-24. Policy convergence and policy learning have emerged as central themes in the study of public policy in recent years. Previously published as a special issue of German Politics, this landmark volume complements the rich literature on theoretical aspects as well as individual case studies by undertaking a systematic comparison of policy convergence between two specific countries: the UK and Germany.

[The Double Crisis of the Welfare State and What We Can Do About It](#) P. Taylor-Gooby, 2013-04-10. This book analyses the immediate challenges from headlong cuts, root and branch restructuring and the longer term pressures from population ageing. It demonstrates that a more humane and generous welfare state that will build social inclusiveness is possible and shows how it can be achieved.

[Social Policy](#) Hugh Bochel, Guy Daly, 2014-03-26. This thoroughly updated new edition provides a comprehensive introduction to contemporary social policy and addresses its historical, theoretical and contextual foundations. Divided into four sections, it opens with a survey of the socio-economic, political and governmental contexts within which social policy operates, before moving on to look at the historical development of the subject. The third section examines contemporary aspects of providing welfare, whilst the final part covers European and wider international developments. The text explores the major topics and areas in contemporary social policy, including work and welfare, education, adult health and social care, children and families, crime and criminal justice, health, housing, race, disability. Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society. It is packed with features including Spotlight Discussion and review and Controversy and debate boxes, as well as further readings and recommended websites. A comprehensive glossary also provides explanations of key terms and abbreviations. Social Policy is an essential textbook for undergraduate students taking courses in social policy and related courses such as criminology, health studies, politics, sociology, nursing, youth and social work.

Towards an Effective European Single Market Michael Kaeding, 2012-08-31. If the European Union and its Member States are to compete successfully in an increasingly aggressive global market, whilst many other economies continue to get stronger, all parts of the European Union Member States and the EU institutions have to regulate

smarter The answer therefore is not to give up on rules but rather to develop and implement good quality rules Presenting both timely and relevant forms of European policy instruments in the field of financial services public administration transport working conditions and social protection this volume shows which kind of policy instruments work and under what circumstances This will help all to overcome many of the impediments to using alternative policy instruments at the European level as appropriate responses to pressing European and global governance challenges such as efficiency accountability transparency and legitimacy

Reforming the Bismarckian Welfare Systems Bruno Palier, Claude Martin, 2009-02-18 Gathering among the best European specialists of welfare state comparisons this book organises comprehensive and up to date information on European welfare state reforms in an analytical framework which allows a new approach to social policy changes Demonstrates that contrary to the common view Bismarckian welfare states have changed significantly Contains long term but also very accurate data and perspective beginning from the 1980s and up to the most recent reforms Speaks to two literatures the one on welfare state social policies and welfare state reforms the other to the political science literature on changes path dependency and incremental changes Organises comprehensive and up to date information on European welfare state reforms in an analytical framework Includes contributions from the best specialists of the field including members of the European academic community of social policy comparativists

Enabling Social Europe B. Maydell v., K. Borchardt, K.-D. Henke, R. Leitner, R. Muffels, M. Quante, P.-L. Rauhala, G. Verschraegen, M. Zukowski, 2006-02-03 Enabling Social Europe examines how the paradigm of the enabling welfare state might offer a new perspective for European social policy in the decades to come The enabling concept is perceived as going beyond that of mere activation thus also embracing policies aimed at increasing personal autonomy individual responsibility and social inclusion by endowing individuals with the resources and capabilities needed to manage and balance their life courses in a better way The study is distinguished by a unique collaboration of social and economic policy experts coming from a wide range of disciplines economics law sociology political science and philosophy The authors seek to shed new light on whether European social policy ought to play a role in the future and if so what sort of role that could be They convincingly argue that despite an implicit normative consensus on the European social model there is still room for a multifaceted world in which welfare regimes can maintain their own path dependent ways of achieving a fair and just society with a high level of welfare for all The empirical part of the book contains an appraisal of policies and reforms with a view to the enabling welfare state approach in four important policy areas health care old age security family policy and poverty prevention Within each sector the authors compare the policies and practices of two countries attributable to different regime types Germany and the United Kingdom Poland and Germany Finland and Estonia and Belgium and Denmark This book is highly recommendable not only for scholars and policymakers active in this field but also for students of welfare and labour economics sociology social policy political science and law

Social Policy in Britain Pete Alcock, Lee Gregory, 2022-03-24 In this fifth edition of the best

selling core introductory textbook Pete Alcock and Lee Gregory provide a comprehensive and engaging introduction to social policy Continuing with the unbeaten narrative style and accessible approach of the previous editions the authors explore the major topics of social policy in a clear and digestible way By breaking down the complexities behind policy developments and their outcomes the book demonstrates the relationship between core areas of policy and the society we live in This new edition has been thoroughly revised and updated to cover the impact of Brexit and contains reflections on the implications of the Covid 19 pandemic for social policy Each chapter contains comprehension activities to aid understanding as well as helpful summary points and suggestions for further reading *European societies* Steffen Mau,Roland Verwiebe,2010-10-08 This comprehensive textbook provides a thorough analysis of the nature of European societies across the expanded EU member states Using a wealth of data the authors compare the different dimensions of the territorial and social order of Europe and address a range of issues relating to Europeanisation and key topics such as inequality migration poverty population and family the labour market and education Presented in a student friendly way this book also helps unravel people s attitudes towards Europe European integration and citizens of other European countries It will be an essential read for under and post graduate students and academics of sociology European studies social stratification social policy and political sciences Crime and Social Policy Hazel Kemshall,2012-11-07 Crime and Social Policy provides an invaluable examination of the relationship between social policy and crime It draws on recent empirical research to offer important insights into the impact of current social policy trends on the lives of offenders Provides an invaluable examination of the critical relationship between social policy and crime management Includes illuminating case studies on the impact of social policies on offenders Reviews current social policy trends and their influence on crime causation crime rates and crime management Discusses the role for social policy in promoting more effective reintegration of offenders into the community Draws on recent empirical research ranging from youth crime anti social behaviour problematic families and social security fraud The collection offers important insights into the impact of current social policy trends on the lives of offenders **New Governance in European Social Policy** Milena Büchs,2007-10-11 B chs analyses the goals and instruments of the Open Method of Coordination discusses approaches which theorize its functioning examines its policy content and develops a framework for its evaluation Through the examination of a case study the author demonstrates how policy actors apply the OMC in employment in Germany and the United Kingdom Reforming Long-term Care in Europe Joan Costa-Font,2011-07-25 Reforming Long term Care in Europe offers the most up to date analysis of the features and developments of long term care in Europe Each chapter focuses on a key question in the policy debate in each country and offers a description and analysis of each system Offers the very latest analysis of long term care reform agendas in Europe Compares countries comparatively less studied with the experiences of reform in Germany the UK Netherlands and Sweden Each chapter focuses on a key question in the policy debate in each country and portrays a description and analysis of each

system Contributions from a wide range of European scholars for an exceptionally broad perspective **Restructuring Welfare Organizations in Europe** P. Mattei, 2009-02-25 Providing a new comparative analysis of the changes which have radically questioned the old organizational arrangements of the delivery of welfare services since the early 1980s this book argues that new managerial accountability regimes severely undermine the democratic foundations of the welfare state in Europe **Legalizing Transnational Activism** Jonathan Graubart, 2010-11 Examines the effectiveness of the citizen petition mechanisms established by North American Free Trade Agreement's parallel labor and environmental accords Reconceptualizes the changing roles of international law and transnational activism in shaping global and domestic politics Provided by publisher *Cognitive Capitalism and Its Reflections in South-Eastern Europe* Vladimir Cvijanović, Carlo Vercellone, Andrea Fumagalli, 2010 Cognitive capitalism is considered to be a new stage in the historical evolution of capitalism which is undergoing a metamorphosis affecting most of the laws and tendencies characteristic of industrial capitalism This raises a series of issues tackled in the theoretical part especially regarding the increased importance of cognitive work and the new composition of the labour market that influence the determinants of the value of goods the structure of welfare and the forms of income distribution A historical analysis is applied to describe the evolution of cognitive capitalism and its endogenous potentially destabilising dynamics The empirical part analyses the diffusion of cognitive capitalism in the former socialist countries of South Eastern Europe and elsewhere
