Christ Versus Satan. Make Your Choice! David C Regis, 2011-09-30 Warning There is a seemingly significant danger when coming into contact with this book Simply by reading the title of this book you already mentally and spiritually get your mind compromised which may affect the rest of your life This book will explain that through the current media your mind receives a piece of information Most of the time your first mental reaction is going to determine your subsequent attitude toward the information received This is the same thing with this book After reading the title you will say something in yourself that is going to either favor or reject the idea of choice Then here lies the challenge Immediately after your first contact with this title your mind will follow a way that is inherent to your philosophy of life and this will most probably guide the rest of your life toward salvation or eternal perdition What happens in this instance is that the demons or the Holy Ghost will build upon your first tendency if you are reluctant to follow Christ the evil spirits will bring to your mind all false reasoning to consolidate your refusal on the other hand if you

rather opt to go the way of the Lord the Spirit of God will both encourage and sustain you in your endeavor **Moving Your Invisible Boundaries** Dr. Jim Richards, 2013-08-09 Have you ever set goals trained for maximum results and followed the same personal development plan that seems to work for everyone else only to hit an invisible boundary that causes you to fall short Unless you know how to expand your heart you will sabotage any success that might take you beyond your current heart boundaries Even if you manage to push past your current heart boundaries chances are you will experience some catastrophic event that pulls you back within the limits of life as you have known it Moving Your Invisible Boundaries is the result of forty years of research and clinical practice These principles have been proven in counseling sessions drug recovery programs personal mentoring and by thousands who have put them into practice through Dr Jim Richards Heart Physics Programs This book is designed to take you past information past self growth and into a life that experiences God His promises and the resurrection life of Jesus By discovering and implementing the distinctions between the mind and the heart you will experience the secret to limitless living Rather than just hearing and reading the transformation stories of others your life will be a transformation story When you learn how to change your heart you will be able to move your invisible boundaries and begin to experience the joy of limitless living **Nine Decisions We Make About Life** William Martin, 2019-02-28 Why do the nations rage Why do the people waste their time with futile plans Ps 2 1 We live in turbulent times and people are looking in every direction for answers This book is an effort by the author to put in print materials developed and used over a twenty five year career as a Christian counselor It is the educational material without the interaction involved in face to face counseling The book examines the spiritual roots of a person s worldview and their impact on the decisions one has made over a lifetime It looks at the strategies a man has used to satisfy his deepest needs The book looks deeply into the soul of man by searching the mind and testing the truths a man believes and lives by It looks at man s emotional life and his struggles to master it and evaluates the intricate decision making process of daily life The book funnels this lifetime of information into four questions Has your spiritual life enabled you to live a life described by fruits of the spirit How effective are you fulfilling your roles in life as a person Are you living life on the basis of selfishness fear or love Do you know how to abide in Christ and walk the way *Growing a Courageous Heart* Wendy J.
