Alpha male romance new adult contemporary romance big beautiful women women s fiction The Boyfriend Fix Lee Pini,2024-04-23 Renowned surgeon Ben McNatt is up for the job of his dreams and when he gets it he ll be the youngest chief of neurosurgery in his hospital s history His success rate is flawless but his perceived lack of compassion is hurting his chances He s always viewed relationships as a distraction but a loving partner might change his colleagues ideas about his heartlessness He ll do whatever it takes for this promotion even pretend to date The natural choice for his fake boyfriend is the cute guy at the coffee shop Jamie Anderson is in student loan debt up to his eyeballs He has three roommates and not in a quirky found family way He works sixty hours a week as a barista and his boss won t stop hitting on him He s even given up on love He makes do with fantasies about the hot doctor that comes in for coffee every day like clockwork A fake relationship might solve Jamie s handsy boss problem too And there s no way it will lead to real feelings when that s the last thing either of them wants So why are they having so much trouble convincing themselves they aren t falling for each other **Tucson - Man Hunter** Brooks Roland,2011-10-07 I took the train east all the way to El Paso Texas I was sure that the train making twenty miles an hour would get me to the mountain pass west of the Texas line ahead of them The best they could hope for would be twenty or twenty five miles a day on horseback If New Orleans really was their destination they would almost certainly have to use this particular route Of course they might swing north but that didn t make a lot of sense either travelers using the northern route lately had been killed by roaming bands of renegade Indians that the troopers had not been able to stop And south well south south they would have to swing into Mexico where the beginning of a revolution was in the making So that would not be a smart move either No I would pick me a good spot overlooking the pass and be waiting for Ben and Sam Melody when they came through on their way to Louisiana I wasn t exactly sure just how I was going to approach these killers But I had made a deal with Ruth Tyrell and if I could I would bring her two murdering nephews in alive rather than dead If I could I even went so far as to borrow two sets of shackles from Marshal Rex Bulett when I left Yuma So I guess you could say I was thinking I could bring them in alive Killing them would not be hard killing a man is easy capturing him alive is an altogether different thing If I were able to get them afoot I might get the job done I deplore killing animals to get the men I m after that might be the only choice available to me And along those lines I bought two cheap horses and lead them behind me when I rode out of El Paso I instinctively knew that stepping out into the road blocking their path and ordering them to surrender would not work They would force me to shoot them and being on horseback the advantage would be on their side Horses don t like gunfire some of them get really jumpy and will go wild on you in a minute I might not be able to place my shots and one or both could end up dead But if they were afoot then the upper hand would fall back on my side Unless I could get really lucky and walk up on them in a night camp I might have to shoot their horses from under them It was a dilemma no doubt but I had given my word and if a man has nothing else in this ole world he has that But I also know that a man s word spoken or implied along with his belief in self worth is the most important treasure he
