Making Liturgy:

Making Liturgy Dorothea McEwan, 2002 A group of women writers from a variety of traditions share their experiences of creating and using liturgy Part One offers a complete guide to creating your own liturgy Part Two provides a broad selection of liturgies that have been specially written for the seasons of the Christian year or for landmarks in our personal lives The liturgies are readily adaptable to a wide range of occasions but it is the editors hope that in sharing their collection of liturgies you will be encouraged to create your own

Creating Uncommon Worship Richard Giles, 2005 Offering helpful suggestions on how to avoid the common problem of restricting liturgy to words being spoken in the front of the church *Creating Uncommon Worship* is filled with ideas on how to enrich the liturgy by creating a context of action movement and symbolic expression involving the whole assembly

Gender Differences and the Making of Liturgical History Teresa Berger, 2020-03-26 Mapping uncharted territory in the study of liturgy's past this book offers a history to contemporary questions around gender and liturgical life Teresa Berger looks at liturgy's past through the lens of gender history understood as attending not only to the historically prominent binary of men and women but to all gender identities including intersexed persons ascetic virgins eunuchs and priestly men Demonstrating what a gender attentive inquiry is able to achieve Berger explores both traditional fundamentals such as liturgical space and eucharistic practice and also new ways of studying the past for example by asking about the developing link between liturgical presiding and priestly masculinity Drawing on historical case studies and focusing particularly on the early centuries of Christian worship this book ultimately aims at the present by lifting a veil on liturgy's past to allow for a richly diverse notion of gender differences as these continue to shape liturgical life

Making Worship Real Aimee Wallis Buchanan, Bill Buchanan, Jodi B. Martin, 2001-01-01 A resource for youth and their leaders this handbook introduces the history theology and practice of Reformed worship

Making the Most of the Lectionary Thomas O'Loughlin, 2012-08 A valuable resource for enhancing liturgical understanding What is the point of the Lectionary What are the problems and opportunities that it presents to those who use it What are its strengths and weaknesses as an aid to worship How can it be used and communicated most effectively today These are among the key questions Thomas O'Loughlin addresses in this stimulating and much needed liturgical guide to the design history theology and purposes of the Lectionary

Ritual Making Women Jan Berry, 2017-07-05 *Ritual Making Women* looks at the way in which women's making of ritual has emerged from the rapidly developing field of women's spirituality and theology The author uses ethnographic material to explore how the construction of ritual uses story making and embodied action to empower women Ritual far from being a timeless and universal practice is shown to be a contextual and gendered performance in which women subvert conventional distinctions of private and public The book combines narrative and case study material and draws on feminist theology and theory social anthropology and gender studies

Making a Scene in the Pulpit Alyce M. McKenzie, 2018-10-23 How can preachers ensure that their sermons continue

to engage listeners in a world defined by visual media and the short segmented delivery of information Alyce McKenzie harnesses the element of drama and the human fascination with scenes to offer ministers a modern means of sermon development and delivery McKenzie's core strategy is to invite listeners into scenes whether from Scripture or contemporary life and once they are there to point them toward the larger story of God's relationship with humankind Creating such scenes unifies the whole process of preaching she says from the preacher's daily life observations to interpretation of scenes from Scripture to sermon shaping sequencing and delivery The process culminates in a specific understanding of the purpose of the sermon to send listeners out into the scenes they'll play in their lives for the next week equipped to act out their parts in ways that are kinder more just and more courageous than last week *Liturgy's Imagined Past/s* Teresa Berger, Bryan D. Spinks, 2016-05-03 This book calls attention to the importance of scholarly reflection on the writing of liturgical history The essays not only probe the impact of important shifts in historiography but also present new scholarship that promises to reconfigure some of the established images of liturgy's past Based on papers presented at the 2014 Yale Institute of Sacred Music Liturgy Conference *Liturgy's Imagined Past/s* seeks to invigorate discussion of methodologies and materials in contemporary writings on liturgy's pasts and to resource such writing at a point in time when formidable questions are being posed about the way in which historians construct the object of their inquiry The Making of Stanley Hauerwas David B. Hunsicker, 2019-09-10 Stanley Hauerwas is often associated with the postliberal theological movement yet he also claims to stand within Karl Barth's theological tradition Which is true Theologian David Hunsicker offers a reevaluation of Hauerwas's theology arguing that he is both a postliberal and a Barthian theologian helping us understand both the formation and the ongoing significance of one of America's great theologians The Oxford Handbook of Sacramental Theology Hans Boersma, Matthew Levering, 2015-08-06 As a multi-faceted introduction to sacramental theology the purposes of this Handbook are threefold historical ecumenical and missional The forty-four chapters are organized into the following parts five parts Sacramental Roots in Scripture Patristic Sacramental Theology Medieval Sacramental Theology From the Reformation through Today and Philosophical and Theological Issues in Sacramental Doctrine Contributors to this Handbook explain the diverse ways that believers have construed the sacraments both in inspired Scripture and in the history of the Church's practice In Scripture and the early Church Orthodox Protestants and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox Protestants and Catholics today affirm as the foundation of their own faith and practice Thus for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions this Handbook provides an introduction As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook it is not thereby without ecumenical and missional value This book evidences that the story of the Christian sacraments is despite divisions in interpretation and practice one of tremendous hope Liturgical Theology as a

Research Program Joris Geldhof, 2020-06-02 This essay is centered around five questions i What is the proper place of liturgical theology ii Which evolutions have there been in the past and which current tendencies are there in the field of liturgical theology iii Which contents must liturgical theologians focus on iv How can liturgical theologians engage in research And v How can liturgical theology appropriately respond to what happens in Church and society Each question corresponds with one part The rationale behind ordering the content of this essay in this way is the following starting from a reflection about the non evident place of liturgical theology an attempt is made to give it a fitting profile again on the basis of its genealogy in the Liturgical Movement Correspondingly liturgical theology can be considered a full fledged research program which does not simply deal with Christian rituals festivals and sacraments but with the core of Christian faith

Symbols and Myth-Making in Modernity Tatiana Tiaynen-Qadir, Ali Qadir, 2022-11-01 Why do people queue up and break the bank to watch fantasy movies Why do some fictional characters and mythical creatures strangely arrest our mind and senses Why do some images and tales affect us so deeply From mystical heroic journeys to uncanny images and invincible goddesses Symbols and Myth Making in Modernity investigates the metaphoric power of symbols in human imagination today and in the past The book traces how ever present symbols in cultures and rituals across the world as well as in masterpieces of Renaissance Sufi poetry and Finnish Kalevala myths erupt in popular culture today including in cinema books visual art music and politics The authors develop a phenomenological theory of deep culture that nourishes human perception of reality through multivalent symbols and myths in which art and rituals occur as liminal spaces of symbol making Drawing on examples from the Hobbit and Avengers street art politics and work of acclaimed modern artists the book describes how deep culture can be seen as a symbolic map of modern mythology Dismantling literalism and disturbing our view of the world at each step the book unpacks how symbols play out in the modern world and the work they do in transforming the self

also receive a deeper appreciation for the ways God can shape you in the process *The God We Worship* Wolterstorff, Nicholas, 2015-03-03 In *The God We Worship* Nicholas Wolterstorff takes a ground up approach to liturgical theology examining the oft hidden implications of traditional elements of liturgy Given that no liturgy has ever been composed from scratch Wolterstorff argues that the assumptions taken into worship are key to perceiving the real depths of historical Christianity's understanding of God Across the liturgies of the Orthodox Catholic Episcopal Lutheran and Reformed churches Wolterstorff highlights theologically neglected elements of God such as an implicit liturgical understanding of God as listener A dissection of liturgy is not only interesting Wolterstorff argues but crucial for reconciling differences between the God studied by theologians and the God worshiped by churchgoers on Sunday **The Place of Christ in Liturgical Prayer** Bryan D. Di Mauro, 2008-06-20 Is abortion ethical The answer to this question is often obscured by rhetoric slogans and politics And the media message on abortion is often of little help When the typical American opens up her morning newspaper she sees the topic debated between pro lifers and pro choicers but receives little information that could help her make an informed moral decision And as she reads further about the subject it seems that the Christian church often an ethical guide in many of her decisions is of no use to her Sadly she is told that the church is just as divided as the rest of society on the topic So our average American is left to fend for herself She must somehow decide the right answer with little guidance from society from the church or even from God himself But is our average American really without guidance Has she gotten all the information she needs about abortion or has she received only the five second sound bite that leaves her as confused as she was before she heard about the abortion debate And has

God been silent on the abortion question Has the church really shown a diversity of opinion on the sanctity of life A Love for Life will provide Christians with the biblical and historical information that they need to make an informed decision on the abortion question It will also take a critical and biblically based look at the arguments and theologies of today s most prominent pro choice clergy And it will determine if abortion really fulfills the will of God as many pro choice Christians believe or whether abortion is a clearly sinful act In short readers of A Love for Life will discover the real message of the church on abortion
