Making Love Last How To Find And Keep The Right Partner For You:

Love That Lasts: A Real Talk Guide to Relationships Napoleon Nalcot, 2025-06-21 A real talk guide for anyone who's tired of the love advice that sounds nice but doesn't actually help. If you've ever felt lost in love, stuck in silence, or unsure how to stay close when life pulls you apart, this book is for you. *Love That Lasts: A Real Talk Guide to Relationships* offers down-to-earth guidance for couples and individuals who want to love better, not just longer. In everyday language that feels more like a friend than a lecture, you'll learn how to communicate with honesty and clarity, repair trust, and rebuild connection through conflict instead of walking away from it. Keep choosing each other even when it's hard. Build a love that's rooted in action, not just words. Perfect for those in long-term relationships, new beginnings, or recovering from past hurts, this is your reminder that healthy love is possible and it doesn't have to be complicated. Because love isn't about finding the perfect person, it's about learning how to love each other well, imperfect and all. *Making Love That Lasts* Derryl

Venters, 2013-12-09 Derryl Venters, a retired educator, drew on her forty-three years of marriage and experience as a teacher to write a book on building strong marriages. Her conversations with other couples who have been married forty to sixty years gave her unique insight into the building blocks of successful marriages. *Making Love That Lasts* is developed around the belief that twenty-one days of focus on the marriage can form the habit of making lasting and positive changes in couples' relationships. During the twenty-one days, topics such as forgiveness, money, change, love, prayer, and respect are covered from the perspective of successful marriages. Included in the book are stories about couples and the challenges of their lives that warm the heart and lead to understanding the topics. *Making Love That Lasts* is an easy read that encourages the soul and lays the foundation for lasting love. *A Single Bracelet Does Not Jingle* Ayo Maria Casey Gooden Ph.D., 2018-06-22

Cohen,2024-10-15 In making love one is elevated beyond the carnal desires it satisfies For the religious it is Divine for those who are not religiously inclined it is still a spiritual experience one of seamless solidarity a unity of two as one that defies mere orgasmic stimulation You don t have to make love to have sex Even strangers can be sexually attracted and have an orgasmic escapade But in the act of making love there is symbolic meaning that is felt through and through the sex act Two in love are joined in life and the sexual expression of this unison is deeply felt in the sex act itself This is sexual intimacy the making of love the likes of which is rarely if ever seen outside a loving relationship There is no escape from the philosophical dimensions of such a loving relationship It is as abstract as it is concrete in the ideals that ground it There is a mystery about it a kind of transcendent experience that defies translation into words Making and being in love are thus joined at the hip Loving relationships make the bed in which true lovers sleep

Unfortunately many relationships flounder or never get off the ground Just having sex may ease the tension but it then becomes a means not truly an end in itself The moment the sex act ends the couple may retreat and fall into discord It is an oasis in a barren desert that provides temporary relief a titillating temporary escape from reality This book can help you to overcome the obstacles the unlovable habits that encumber your relationship both inside and outside the bedroom It can help to create the harmonic balance between your sex life and other aspects of your personal and interpersonal relationships which are preludes to making and being in love To accomplish this it applies a five step method based on Logic Based Therapy Consultation LBTC a popular form of evidence based philosophical counseling modality First it introduces you to six types of unlovable ways of thinking and acting and helps you to identify the ones that may be sabotaging your own relationship Second it shows you how to counter these self defeating habits with certain lovable goals virtues of love Third it helps you to identify and embrace a personal love philosophy that empowers you to reach for your lovable goals Fourth it provides core philosophical ideas that are key to any successful quest for romantic love Fifth it helps you construct a behavioral plan that applies your philosophies to making constructive changes in your relationship The latter may require making changes both inside and outside your relationship Thus this book also shows you how the problems you are having in one area of your life at work in your social life etc can affect the quality of your relationship inside and outside the bedroom and it offers guidance including self improvement exercises to overcome these impediments and attain enduring love and sexual intimacy
