Making Cult Connections:

Making Cult Connections Rye, 1994-01-01 **The Emotional Manipulator: Navigating Online Connections** Ant Vex, Dive into The Emotional Manipulator Navigating Online Connections a gripping expos on how influencers craft viral content exploit trends and manipulate emotions for engagement From the ringmasters behind the scenes to the clowns we never knew we needed this book unpacks the psychology of online influence fear based marketing and cult like followings with brutal honesty and sharp analysis Perfect for digital natives social media professionals and anyone curious about what really drives online behaviour Learn how trends become tools how sadness becomes strategy and how authenticity is often just another performance This is your essential guide to surviving and seeing through the digital circus **Crossing Borders, Making Connections** Allison Burkette, Tamara Warhol, 2021-01-18 This edited volume explores the scope of interdisciplinary linguistics and includes voices from scholars in different disciplines within the social sciences and humanities as well as different sub disciplines within linguistics Chapters within this volume offer a range of perspectives on interdisciplinary studies represent a connection between different disciplines or demonstrate an application of interdisciplinarity within linguistics The volume is divided into three sections perspectives connections and applications Perspectives The goal of this section is to address more generally the definition s of and value of multi trans and interdisciplinary work In what areas and for what purposes is there a need for work that crosses discipline boundaries What are the challenges of undertaking such work What opportunities are available Connections This section features paired chapters written by scholars in different disciplines that discuss the same concept idea issue For example a discussion of how assemblage works in archaeology is paired with a discussion of how assemblage can be used to talk about style in linguistics Applications This section can be framed as sample answers to the question What does interdisciplinarity look like [The Stalin Cult in East Germany and the Making of the Postwar Soviet Empire, 1945-1961](#) Alexey Tikhomirov, 2022-03-28 This book examines the construction dissemination and reception of the Stalin cult in East Germany from the end of World War II to the building of the Berlin Wall By exporting Stalin s cult to the Eastern bloc Moscow aspired to symbolically unite the communist states in an imagined cult community pivoting around the Soviet leader Based on Russian and German archives this work analyzes the emergence of the Stalin cult s transnational dimension On one hand it looks at how Soviet representations of power were transferred and adapted in the former enemy s country On the other hand it reconstructs spaces of agency where different agents and generations interpreted manipulated and used the Stalin cult to negotiate social identities and everyday life This study reveals both the dynamics of Stalinism as a political system after the Cold War began and the foundations of modern politics through mass mobilization emotional bonding and social engineering in Soviet style societies As an integral part of the global history of communism this book opens up a comparative entangled perspective on the ways in which veneration of Stalin and other nationalistic cults were established in socialist states across Europe and

beyond *Making the Easy Billionaires* Ken Akpom,2013-10-15 Making the easy billionaires is a story of a young man whose quest for riches at all costs drove him into the cult where he bargained with the devil and got much more than he expected The novel exposes some of the ills of the Nigerian society in which the worship of money seems to have no bounds *The Cult Connection* Carol A. Dennis,2021-10-07 To some this book will be an inspiration and a guide that sheds light on our current times to others a correction and a conviction Small it may be but powerful and direct This book serves as a study guide for those searching for relevance between our place as Christians and the confusion and chaos of our current times It is a call to the church and its earthly leadership to center their focus and submission to the love and authority of our Lord and Savior It is a warning to all children of God to be wary and watchful for the signs of false teachings prophets and leaders

1 **Making the American Religious Fringe** Sean McCloud,2005-12-15 In an examination of religion coverage in Time Newsweek Life The Saturday Evening Post Ebony Christianity Today National Review and other news and special interest magazines Sean McCloud combines religious history and social theory to analyze how and why mass market magazines depicted religions as mainstream or fringe in the post World War II United States McCloud argues that in assuming an American mainstream that was white middle class and religiously liberal journalists in the largest magazines under the guise of objective reporting offered a spiritual apologetics for the dominant social order McCloud analyzes articles on a wide range of religious movements from the 1950s through the early 1990s including Pentecostalism the Nation of Islam California cults the Jesus movement South Asian gurus and occult spirituality He shows that in portraying certain beliefs as fringe magazines evoked long standing debates in American religious history about emotional versus rational religion exotic versus familiar spirituality and normal versus abnormal levels of piety He also traces the shifting line between mainstream and fringe showing how such boundary shifts coincided with larger changes in society culture and the magazine industry McCloud's astute analysis helps us understand both broad conceptions of religion in the United States and the role of mass media in American society

Making the Cisco Connection David Bunnell,Adam Brate,2000-02-29 Cisco Systems is known among the technology elite in Silicon Valley as one of the most successful companies to emerge from the Valley in many years It has been dubbed computing's next Superpower Just as Intel and Microsoft soared to lofty heights with the rise of the personal computer Cisco Systems is flying on the spectacular updraft of the Internet The company which makes specialized computers that route information through a network acting as a sort of data traffic cop has captured 85 percent of the market for routers used as the backbone of the biggest network of them all the Internet As a result over the last five years the value of Cisco's total outstanding stock has risen over 2 000 percent twice the increase of Microsoft Corp stock in the same period Beginning as a tale of two college sweethearts at Stanford University who cofounded the company fifteen years ago the often told Cisco legend has all the makings of a great novel love money a villain or two corporate coups and the sweet taste of victory But mostly the Cisco story is a very unusual tale of corporate success Despite the struggle of passing through several

regimes Cisco managed to hit all the crucial spots of its business Cisco consistently bested competitors like 3Com and IBM with insight innovation customer focus and one of the biggest corporate buying sprees in history Making the Cisco Connection deftly traces the networking giant's path to success from its founding couple Sandra Lerner and Leonard Bosack to current CEO John Chambers It highlights the company's astounding knack for buying other businesses and making them part of a huge conglomerate its own highly developed use of technology and its unusually tight knit culture Featuring the perspective of top Cisco executives and competitors this book reveals how Cisco's technology employees and even its competition have blended to make Cisco possibly the most important company shaping the future of communications Next to ruthless competitors Microsoft and Intel Cisco shines with a kinder gentler image emphasizing happy customers and employees You'll see how Cisco built its impressive culture by cultivating community boosting morale whittling down bureaucracy and saving money to boot This book also explains how Cisco is positioning itself to enter a new competitive playing field moving beyond Internet routers in an attempt to build a single giant global communications system based on the Internet that would make the current telephone system obsolete Cisco wants to be the company that delivers the infrastructure of this new network which will combine computer networks with telephones television radio and satellite communications To do that it is now challenging global giants such as Lucent Technologies and Fujitsu Cisco plans to become the backbone of the entire communications industry making it a corporation of incredible power as the Internet Age blossoms in the new millennium Provocative and instructive Making the Cisco Connection traces the unique history of one of the most profitable and enduring technology companies in business today Acclaim for Making the CISCO Connection If you want to learn the whole scoop about the first Internet Age company and one of the most successful firms of any age you've come to the right place Bunnell's treatment of Cisco's rise and continued rise is fascinating and full of human detail It's clear that Cisco is not just a firm with great technology but also great leaders and managers Thomas H Davenport Director Andersen Consulting Institute for Strategic Change Professor Boston University School of Management Cisco has emerged as a twenty first century leader David Bunnell captures the ongoing story of the Cisco executive team exploiting IT structuring a unique organization and creating a dynamic strategy for this breakaway dot com company Richard L Nolan William Barclay Harding Professor of Business Administration Harvard Business School

Connecting the Isiac Cults Tomáš Glomb, 2022-11-03 Why did Egyptian cults especially those dedicated to the goddess Isis and god Sarapis spread so successfully across the ancient Mediterranean after the death of Alexander the Great How are we limited by the established methodological apparatus of historiography and which innovative methods from other disciplines can overcome these limits In this book Tom Glomb shows that while the interplay of different factors such as the economy climate and politics created favorable conditions for the early spread of the Isiac cults the use of innovative quantitative methods can shed new light and help disentangle the complex interplay of individual factors Using a combination of geospatial modeling mathematical

modeling and network analysis Glomb determines that at least in the regions of the Hellenistic Aegean and western Asia Minor the political channels created by the Ptolemaic dynasty were a dominant force in the local spread of the Isiac cults An important contribution to the historiography of the ancient Mediterranean this book answers the specific question of how it happened as well as how can we answer it beyond the limits of the established methodological apparatus in historiography

Creating Partnerships with Parents Donald Lueder,2000-10-25 Are you wondering how to nurture a better relationship with the parents of your students This book provides teachers with comprehensive methods to bridge the gap between school and home in order to enhance the development of their students *Reinvention Made Easy* Jim Mathis,2011-08-01 Change Your Strategy Change Your Results This isn't your average business motivational book It's different Jim Mathis The Reinvention Strategist doesn't soft step around the issues here You are either down or you are different You are either a loser or a leader he says You won't find a load of motivational platitudes that lift you higher You won't find cute sayings that make you feel warm and fuzzy What you will find is successful systems and processes to reinvent yourself in challenging economic times Methods many others are implementing right now as you read this Reinvention Made Easy is your personal and professional guide to knowing how to play the game and win You will find stories of people and corporations that went all in and won the entire pot You will recognize pitfalls to bypass and see the mistakes made by others and how to avoid them In the end you will know what strategies work for you and which don't You will be different Do you need this book If you aren't aware of your responses to any of the questions raised in Reinvention Made Easy you do Is there a dinosaur in your room Can building community at work save your organization Are you punishing your customers for doing business with you What are the 7 Sweatin Questions you need to ask your executive board Why don't people buy what you think you sell Do you see yourself as a loser or a leader in the new economy The simple truths in this book can and will make you better You may not agree with all of them but you can't put it down without thinking about what you read inside You can influence more people by what you learn from these pages than you could have ever imagined You will see that reinvention is easy Deciding to start it is the real test Are you ready to be different **Recovery from Cults** Michael D. Langone,1995 Drawing upon the clinical expertise of professionals and the personal experiences of those formerly involved in high intensity mind control groups this book is a comprehensive guide to the cult experience Michael Langone and his colleagues provide practical guidelines for helping former cult members manage the problems they encounter when leaving cults *Making Radio and Podcasts* Steve Ahern,2022-06-08 Making Radio and Podcasts is a practical guide for anyone who wants to learn how to make successful programmes in the digital era It examines the key roles in audio and podcasting announcing presenting research copywriting producing marketing and promotions It also outlines what is involved in creating different types of programmes news and current affairs music talkback comedy and features podcasts as well as legal and regulatory constraints With contributions from industry experts the fully updated fourth edition is global in focus and reflects the impact

Eicca - The Connection Creator Petri Silas,Eicca Toppinen,2023-10-05 At home between worlds Tattered jeans and band t shirts are not the typical attire at the Sibelius Academy But the future soul of Apocalyptica was cut from a different cloth The saga of Finland s most recognized cello player is exciting inspirational and extraordinary When Metallica drummer Lars Ulrich chose his wedding music Eicca Toppinen got the call When Richard Wagner s bicentennial feast required extra zest Eicca Toppinen got the call All the while Eicca led a happy family life raising two sons until his marriage came to an end The separation was not easy yet crucial for his inner growth At twenty Apocalyptica are million sellers Defying all odds they kicked off a global success story by arranging Metallica for cellos Nine albums on their unique crossover keeps gaining momentum Eicca s friend ever since the turn of the Millennium Petri Silas has followed Apocalyptica from day one A professional music writer with a career spanning over three decades he is the author of Chaos Control Guitar the authorized 2020 biography of Children Of Bodom frontman Alexi Laiho

Making the Medieval Relevant Chris Jones,Conor Kostick,Klaus Oschema,2019-12-02 When scholars discuss the medieval past the temptation is to become immersed there to deepen our appreciation of the nuances of the medieval sources through debate about their meaning But the past informs the present in a myriad of ways and medievalists can and should use their research to address the concerns and interests of contemporary society This volume presents a number of carefully commissioned essays that demonstrate the fertility and originality of recent work in Medieval Studies Above all they have been selected for relevance Most contributors are in the earlier stages of their careers and their approaches clearly reflect how interdisciplinary methodologies applied to Medieval Studies have potential repercussions and value far beyond the boundaries of the Middles Ages These chapters are powerful demonstrations of the value of medieval research to our own times both in terms of providing answers to some of the specific questions facing humanity today and in terms of much broader considerations Taken together the research presented here also provides readers with confidence in the fact that Medieval Studies cannot be neglected without a great loss to the understanding of what it means to be human

Roman Faith and Christian Faith Teresa Morgan,2015-05-29 This study investigates why faith pistis fides was so important to early Christians that the concept and praxis dominated the writings of the New Testament It argues that such a study must be interdisciplinary locating emerging Christianities in the social practices and mentalit s of contemporary Judaism and the early Roman empire This can therefore equally be read as a study of the operation of pistis fides in the world of the early Roman principate taking one but relatively well attested cult as a case study in how micro societies within that world could treat it distinctively Drawing on recent work in sociology and

economics the book traces the varying shapes taken by pistis fides in Greek and Roman human and divine human relationships whom or what is represented as easy or difficult to trust or believe in where pistis fides is deferred and reified in practices such as oaths and proofs how pistis fides is related to fear doubt and scepticism and which foundations of pistis fides are treated as more or less secure The book then traces the evolution of representations of human and divine human pistis in the Septuagint before turning to pistis pisteuein in New Testament writings and their role in the development of early Christologies incorporating a new interpretation of pistis Christou and ecclesiologies It argues for the integration of the study of pistis pisteuein with that of New Testament ethics It explores the interiority of Graeco Roman and early Christian pistis fides Finally it discusses eschatological pistis and the shape of the divine human community in the eschatological kingdom
