A Better Pencil Dennis Baron, 2012-10-18 A Better Pencil puts our complex still evolving hate love relationship with computers and the internet into perspective describing how the digital revolution influences our reading and writing practices and how the latest technologies differ from what came before

Pencil Carol Beggy, 2024-02-08 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things A cylinder of baked graphite and clay in a wood case the pencil creates as it is being destroyed To love a pencil is to use it to sharpen it and to essentially destroy it Pencils were used to sketch civilization s greatest works of

art Pencils were there marking the choices in the earliest democratic elections Even when used haphazardly to mark out where a saw s blade should make a cut a pencil is creating Pencil offers a deep look at this common almost ubiquitous object Pencils are a simple device that are deceptively difficult to manufacture At a time when many use cellphones as banking branches and instructors reach students online throughout the world pencil use has not waned with tens of millions being made and used annually Carol Beggy sketches out how the lowly pencil is still a mighty useful tool Object Lessons is published in partnership with an essay series in The Atlantic

How Capitalism Saved America Thomas J. DiLorenzo,2005-08-23 Here s the real history of our country How Capitalism Saved America explodes the myths spun by Michael Moore the liberal media Hollywood academia and the rest of the anticapitalist establishment Whether it s Michael Moore or the New York Times Hollywood or academia a growing segment in America is waging a war on capitalism We hear that greedy plutocrats exploit the American public that capitalism harms consumers the working class and the environment that the government needs to rein in capitalism and on and on Anticapitalist critiques have only grown more fevered in the wake of corporate scandals like Enron and WorldCom Indeed the 2004 presidential campaign has brought frequent calls to re regulate the American economy But the anticapitalist arguments are pure bunk as Thomas J DiLorenzo reveals in *How Capitalism Saved America* DiLorenzo a professor of economics shows how capitalism has made America the most prosperous nation on earth and how the sort of government regulation that politicians and pundits endorse has hindered economic growth caused higher unemployment raised prices and created many other problems He propels the reader along with a fresh and compelling look at critical events in American history covering everything from the Pilgrims to Bill Gates And just as he did in his last book *The Real Lincoln* DiLorenzo explodes numerous myths that have become conventional wisdom *How Capitalism Saved America* reveals How the introduction of a capitalist system saved the Pilgrims from starvation How the American Revolution was in large part a revolt against Britain s stifling economic controls How the so called robber barons actually improved the lives of millions of Americans by providing newer and better products at lower prices How the New Deal made the Great Depression worse How deregulation got this country out of the energy crisis of the 1970s and was not the cause of recent blackouts in California and the Northeast And much more *How Capitalism Saved America* is popular history at its explosive best
