

MANNERS
from
 HEAVEN
Quentin
Crisp

The internationally famous entertainer, author of *The Naked Civil Servant*, and brilliant reprobate now directs the mischievous glare of his wit to create a guide on good behavior for the '80s.

"Most books on manners are as basically conservative as Papal Encyclicals and make concessions to social change begrudgingly, as if there was something wrong with life evolving to any state beyond the Middle Ages. My approach is different: I employ the guidelines of the past where they are still useful—otherwise, I toss them aside. I believe the human mind is better engaged through imagination than obedience."

(continued on back flap)

(read from front flap)

accurate insights into human users are a means of getting it without appearing to be it"), Crisp covers all the bases: how to be polite in an city; why charity must begin some families manners were not, and haven't been seen grid-of unwanted guests and hosts, how to weed your so-d, perhaps the trickiest arena steer through the rocky trails of rapids of sex.

caustic commentaries, bit-d unrelenting humor make a *Manon* essential reading and an excellent introduction to Crispod.
