Plains Among the highlights of the trip were visits to Yellowstone Yosemite Mount Rainier and Crater Lake Writing while sitting on a camp stool his typewriter resting on the car's front bumper W C Clark turned out lively descriptions of the family's experiences with all the wit and panache of his later journalism career Clark details road conditions the quality of accommodations the cost of gas and food user fees at national parks and the number and variety of fellow tourists his party encountered He also describes the pitfalls of life on the road Flat tires were a daily occurrence mechanical breakdowns almost as frequent and the crude mostly unpaved roads were named but not yet numbered and only intermittently marked And if the Clarks were not lucky enough to stay with friends they had to camp Framed by an introduction and annotations that set the story in context and illustrated with photographs of gas stations roadside attractions and roadsters typical of the day Touring the West with Leaping Lena gives a firsthand glimpse into the early days of cross country automobile trips Readers will enjoy its historical detail even as they realize that when it comes to family road trips some things haven't changed
