Mountain And Wilderness:

Courage in the Mountain Wilderness Misty M. Beller, 2021-04-06 Keeping her son safe on this epic journey may be harder than she imagined Caleb Jackson is on a journey And not just the mission he and his friends have embarked on to fetch the Nez Perce chief s runaway daughter Maybe someday he could also find God s plan for his life He d once thought being a small town minister was the Lord s will for him but he d proved a failure at living under the scrutiny of his congregation Yet the chief s niece and her feisty toddler accompanying them on this expedition make him feel like he might be able to make a difference yet Otskai is eager to take on a challenge She s lived under the shelter of other s choices her entire life especially when she was betrothed to one of the village braves at the tender age of eight Now with her husband dead she s finally found the freedom she always craved even with a two year old to raise She s built her camas root harvest into a thriving trade to provide all she and her son need and more yet she can t seem to keep her active child safe When she agrees to accompany her new friends on a trip to bring back her wayward cousin she knows she ll have her hands full managing her boy The journey turns out nothing like Otskai expects and for the first time in her life she s thankful to have others around to help Especially Caleb whose gentle attentions captivate her son and occupy him for hours at a time But as the danger escalates and her worst fears come to light she must find the courage to choose between freedom and a love more liberating than she imagined possible From a USA Today bestselling author comes another epic journey through breathless landscapes and adventure so intense lives will never be the same Marble Mountain Wilderness David Green, Greg Ingold, 1996 The Salmon and Klamath rivers surround glacial basins and old growth forests Directions to trailheads and trail descriptions with information on the area s abundant wildlife and unique plants Comes with a folded 15 minute topo map
