Mr And Mrs Noah:

Mr. and Mrs. Noah Lois Lenski, 2014-04-30 Mr and Mrs Noah are told to build an ark Together with their three sons Shem Ham and Japheth the family gathers two of each animal and saves them from the coming flood Lois Lenski lends her unique voice and visual style to the classic Bible story turning it into a fun family story that the youngest initiates of Noah's Ark will enjoy

Noah's Animals John Patrick, 1976 Old Captain Noah is frustrated He and his wife are at odds about what could and should be done as to enticing an entire menagerie into his ark for their own self preservation Pairs of animals arrive and complications arise about signing them up and finding them proper quarters Only the intercession of a dynamic blues singing angel spiced with written messages from the Lord helps to restore some semblance of sanity to the situation Then discrimination among the animals takes place Unicorns and Griffins prefer to become extinct rather than associate with the likes of rats skunks and others But after forty days and nights their stormy voyage on the ark is ended and its passengers depart for a brave new world and new complications in accommodations on terra firma Publisher

Noah's Shark Alan Durant, 2009 A silly and unconventional take on the story of Noah and his ark that will delight both children and adults alike Noah was fed up with the people in his world making a right mess of everything He built a big boat to get away in and invited his animal friends along couples only The animals lined up by the boat two by two All except for Mrs Shark who came alone It seemed she had accidentally eaten her husband Would Noah be able to trust her on his boat
