Children of the Desert **The Man who Spoiled the Music and Other Stories** Mark Guy Pearse,1892 **Nellie Bloom and Other Stories** Margery Latimer,1929 A Stephen Crane Encyclopedia Stanley Wertheim,1997-10-28

The publication of *The Red Badge of Courage* in 1895 brought Stephen Crane instant fame at age 23. At 28 he was dead. In the brief span of his literary career Crane enjoyed a significant measure of renown as well as notoriety but his reputation rested almost entirely upon his war novel and he felt that his talent had ultimately been misjudged. From his adolescence until his death Crane was a professional journalist. To this day most educated American readers know him only as the author of the most realistic Civil War novel ever written, three or four action packed short stories and a handful of iconoclastic free verse poems. Crane was befriended and admired by some of the most important literary figures of his time such as William Dean Howells, Willa Cather, Joseph Conrad, Henry James and H. G. Wells. He has also been called a realist, a naturalist, an impressionist, a symbolist and an existentialist. This reference book provides a more complete picture of Crane's short but furiously creative life and encourages a more extensive appreciation of his works. The volume includes hundreds of entries for members of Crane's immediate and extended family, close friends and associates, educational institutions that he attended, places where he resided, publishers and syndicates by whom he was employed, literary movements with which he is usually associated and the works of fiction, poetry and journalism that he wrote. Thus the book shows that he was a pioneer in the development of a number of genres in modern American fiction and poetry, that he was the first literary chronicler of the burgeoning slums of urban America, who refused to sentimentalize his materials, that his Western stories reveal the steady retreat of the American frontier before the encroachments of a modern Europeanized civilization and that his short stories and poems engage a number of enduring themes. Many of the entries cite works for further reading and the volume includes a chronology and a bibliography of the most important studies of his life and writing.

Brother Against Brother; or, The Tompkins Mystery John R. Musick, 2022-08-10 This scene occurs in what is now West Virginia It is west of the mountain range but where on every hand are frowning precipices deep gorges and swift flowing torrents On the right the jutting headlands are crowned with huge old boulders just peeping out from the thicket of evergreens and creeping vines which surround them Although not called mountainous it is a country whose picturesque heights and umbrageous valleys would excite a degree of enthusiasm in the bosom of a lover of the beautiful Down in those lonely valleys almost hidden in their leafy groves was the home of many an old Virginia aristocrat

The great gnarled oak standing upon the verge of some miniature precipice and glooming sullenly through the misty rain seems but part of some pictured scene Far in the distance faintly penciled against the misty sky rise headlands to what seems an enormous height about them a dark mass of clouds like some giant's garment caught upon the peaks and blown about at the will of the wind It envelops and conceals the highest peaks leaving the imagination to add to the belief in their stupendous height
