Beyond the Exodus Movement

Narratives Of African Americans In Kansas 1870 1992 Beyond The Exodust Movement

Robert G. Athearn

Narratives Of African Americans In Kansas 1870 1992 Beyond The Exodust Movement:

Narratives of African Americans in Kansas, 1870-1992 Jacob U. Gordon, 1993 This volume provides an account of the black experience of the migration into Kansas drawn from the offspring of black settlers Some of their ancestors came as slaves during the time of the Bleeding Kansas struggle to determine if Kansas would be free or slave Others came during the Civil War and afterwards when Exodusters streamed to Kansas by the thousands to establish such settlements as Nicodemus and Dunlap to serve as Buffalo Soldiers at Fort Riley and Fort Larned and to expand the sub communities of Kansas City and Topeka through the 20th century This primary source volume addresses the historical and contemporary lives of African Americans in Kansas and the impact of the African American presence on Kansas history *Kansas History*, 2013

African American History and Life, 1877-1954 Jean Kemble, British Library, 2000 **Exodusters** Nell Irvin Painter, 1986 *Exodusters* Nell Irvin Painter, 1992-05 **Take Up the Black Man's Burden** Charles Edward Coulter, 2006 Unlike many cities farther north Kansas City Missouri along with its sister city in Kansas had a significant African American population by the midnineteenth century and also served as a way station for those migrating north or west *Take Up the Black Man's Burden* focuses on the people and institutions that shaped the city's black communities from the end of the Civil War until the outbreak of World War II blending rich historical research with first person accounts that allow participants in this historical drama to tell their own stories of struggle and accomplishment Charles E Coulter opens up the world of the African American community in its formative years making creative use of such sources as census data black newspapers and Urban League records His account covers social interaction employment cultural institutions housing and everyday lives within the context of Kansas City's overall development placing a special emphasis on the years 1919 to 1939 to probe the harsh reality of the Depression for Kansas City blacks a time when many of the community's major players also rose to prominence *Take Up the Black Man's Burden* is a rich testament not only of high profile individuals such as publisher Chester A Franklin activists Ida M Becks and Josephine Silone Yates and state legislator L Amasa Knox but also of ordinary laborers in the stockyards domestics in white homes and railroad porters It tells how various elements of the population worked together to build schools churches social clubs hospitals the Paseo YMCA YWCA and other institutions that made African American life richer It also documents the place of jazz and baseball for which the community was so well known as well as movie houses amusement parks and other forms of leisure While recognizing that segregation and discrimination shaped their reality Coulter moves beyond race relations to emphasize the enabling aspects of African Americans lives and show how people defined and created their world As the first extensive treatment of black history in Kansas City *Take Up the Black Man's Burden* is an exceptional account of minority achievement in America's crossroads By showing how African Americans saw themselves in their own world it gives readers a genuine feel for the richness of black life during the interwar years of the twentieth century **In Search of Canaan** Robert G. Athearn, 2021-10-08 Word spread across the southern

farm country and into the minds of those who labored over cotton or sugar crops that the day of reckoning was near at hand that the Lord had answered black prayers with the offer of deliverance in a western Eden In this vast state where Brown had caused blood to flow in his righteous wrath there was said to be land for all and land especially for poor blacks who for so long had cherished the thought of a tiny patch of America that they could call their own The soil was said to be free for the taking and even better passage to the prairie Canaan was rumored to be available to all Thus began a pell mell land rush to Kansas an unreasoned almost mindless exodus from the South toward some vague ideal some western paradise where all cares would vanish In a vigorous reasoned style Robert G Athearn tells the story of the Black migration from areas of the South to Kansas and other midwestern and western states that occurred soon after the end of Reconstruction Working almost entirely from primary sources letters of some of the Black migrants government investigative reports and Black newspapers he describes and explains the Exoduster movement and sets it into perspective as a phenomenon in frontier history The book begins with details of the Exodusters on the move Athearn then fills in the background of why they were moving relates how other people Black and white Northern and Southern felt about the movement examines political considerations and finally evaluates the episode and provides an explanation as to why it failed According to Athearn the exodus spoke in a narrower sense of Black emigrants who sought frontier farms but in the main it told more about a nation whose wounds had been bound but had not yet healed The Republicans without any issues of consequence in 1880 gave the flight national importance in the hope that it would gain votes for them and at the same time reduce the South's population and hence its representation in Congress Thousands of Black Americans many of them former slaves were deluded by false promises made by individual interests As the hawkers of glad tidings beckoned to the easily convinced the word Kansas became equated with the word freedom Emotional often biblical overtones gave the movement millenarian flavor and Kansas became the unwilling focus of a revitalized national campaign for Black rights Athearn describes the social political economic and even agricultural difficulties that blacks had in adapting to white culture He evaluates the activities of black leaders such as Benjamin Pap Singleton northern politicians such as Kansas Governor John P St John and refugee aid organizations such as the Kansas Freedmen's Relief Association He tells the Exoduster story not just as a southern story the turmoil in Dixie and flight from the scenes of a struggle but especially as a western story a meaningful segment of the history of a frontier state His remarkably objective as well as suspenseful account of this unusual episode contributes significantly to Kansas history to western history and to the history of Black people in America *Exoduster Movement & Nicodemus, Kansas* ,1994

Bleeding Borders Kristen Tegtmeier Oertel,2009-04-01 In Bleeding Borders Kristen Tegtmeier Oertel offers a fresh multifaceted interpretation of the quintessential sectional conflict in pre Civil War Kansas Instead of focusing on the white male politicians and settlers who vied for control of the Kansas territorial legislature Oertel explores the crucial roles Native Americans African Americans and white women played in the literal and rhetorical battle between proslavery and antislavery

settlers in the region She brings attention to the local debates and the diverse peoples who participated in them during that contentious period Oertel begins by detailing the settlement of eastern Kansas by emigrant Indian tribes and explores their interaction with the growing number of white settlers in the region She analyzes the attempts by southerners to plant slavery in Kansas and the ultimately successful resistance of slaves and abolitionists Oertel then considers how crude frontier living conditions Indian conflict political upheaval and sectional violence reshaped traditional Victorian gender roles in Kansas and explores women s participation in the political and physical conflicts between proslavery and antislavery settlers Oertel goes on to examine northern and southern definitions of true manhood and how competing ideas of masculinity infused political and sectional tensions She concludes with an analysis of miscegenation not only how racial mixing between Indians slaves and whites influenced events in territorial Kansas but more importantly how the fear of miscegenation fueled both proslavery and antislavery arguments about the need for civil war As Oertel demonstrates the players in Bleeding Kansas used weapons other than their Sharps rifles and Bowie knives to wage war over the extension of slavery they attacked each other s cultural values and struggled to assert their own political wills They jealously guarded ideals of manhood womanhood and whiteness even as the presence of Indians and blacks and the debate over slavery raised serious questions about the efficacy of these principles Oertel argues that ultimately many Native Americans blacks and women shaped the political and cultural terrain in ways that ensured the destruction of slavery but they along with their white male counterparts failed to defeat the resilient power of white supremacy Moving beyond a conventional political history of Bleeding Kansas *Bleeding Borders* breaks new ground by revealing how the struggles of this highly diverse region contributed to the national move toward disunion and how the ideologies that governed race and gender relations were challenged as North South and West converged on the border between slavery and freedom

The Black Legends of Kansas Mary Dean,2017-03-15 Discover the passion and purpose behind more than 100 African American Kansas women in this book compiled by Author Mary Dean From the fields of education to entrepreneurship the breadth and scope of achievement contained within these passages is nothing short of inspirational

Pioneer Narratives of the Firty Twenty-five Years of Kansas History Charles Ransley Green,1912

Kansas Slave Narratives Applewood Books,2006-05-01

Frontier Community Andrew Theodore Brown,2012-06-01

Nicodemus Charlotte Hinger,2022-04-12 Nicodemus was a microcosm of all the issues facing black Americans in the late nineteenth century and Hall McCabe and Niles are archetypes for powerful philosophies that have persisted into the twenty first century This study of their ideas and the ways they shaped Nicodemus offers a novel perspective on the most famous post Civil War African American community in the West

Narratives Of African Americans In Kansas 1870 1992 Beyond The Exodust Movement Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Narratives Of African Americans In Kansas 1870 1992 Beyond The Exodust Movement PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education.

and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Narratives Of African Americans In Kansas 1870 1992 Beyond The Exodust Movement PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Narratives Of African Americans In Kansas 1870 1992 Beyond The Exodust Movement free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Narratives Of African Americans In Kansas 1870 1992 Beyond The Exodust Movement Books
