Office, 1975 **Historical Archaeology of Early Modern Colonialism in Asia-Pacific** Maria Cruz Berrocal, Cheng-hwa Tsang, 2017-12-28 The essential source for scholarly reassessment of the Asia Pacific region s diverse and significant archaeology and history James P Delgado coauthor of *The Maritime Landscape of the Isthmus of Panama* Underpins a nuanced picture of Asia Pacific that shows how the activities of the Chinese and Japanese in East Asia the spread of Islam from South Asia and the efforts of the Iberians and especially the Spanish from southern Europe ushered in a world of complex interaction and rapid and often profound change in local regional and wider cultural patterns Ian Lilley editor of *Archaeology of Oceania Australia and the Pacific Islands* The history of Asia Pacific since 1500 has traditionally been told with Europe as the main player ushering in a globalized capitalist world But these volumes help decentralize that global

history revealing that preexisting trade networks and local authorities influenced the region before and long after Europeans arrived. In the volume *The Southwest Pacific and Oceanian Regions* case studies from Alofi Vanuatu, the Marianas, Hawaii, Guam, and Taiwan compare the development of colonialism across different islands. Contributors discuss human settlement before the arrival of Dutch, French, British, and Spanish explorers, tracing major exchange routes that were active as early as the tenth century. They highlight rarely examined sixteenth and seventeenth century encounters between indigenous populations and Europeans and draw attention to how cross cultural interaction impacted the local peoples of Oceania. The volume *The Asia Pacific Region* looks at colonialism in the Philippines, China, Japan, and Vietnam, emphasizing the robust trans regional networks that existed before European contact. Southeast Asia had long been influenced by Buddhist, Hindu, and Muslim traders in ways that helped build the region's ethnic and political divisions. Essays show the complexity and significance of maritime trade during European colonization by investigating galleon wrecks in Manila, Japan's porcelain exports, and Spanish coins discovered off China's coast. Packed with archaeological and historical evidence from both land and underwater sites, impressive in geographical scope and featuring perspectives of scholars from many different countries, these volumes illuminate the often misunderstood nature of early colonialism in Asia Pacific.

The Sulu Zone Desiree A. Quintero, Wayland Quintero, Mayco A. Santaella, 2024-12-16. *The Sulu Zone: A Maritime Cultural Complex* revisits enduring links for the conceptualisation of the Sulu Zone as a present day cultural complex. Honouring Ric Trimillos, a leading ethnomusicologist researching and supporting the study of music and dance in the southern Philippines since 1960, this volume explores heritage, language, social, and political facets in the Southern Philippines, east Malaysian state of Sabah, east Kalimantan, Central and North Sulawesi in Indonesia, and the surrounding Sulu and Celebes seas. This project ultimately seeks to contribute to society's understanding of the history, contemporary cultures, and rich traditions of communities within the Sulu Zone.

The Ethnic Chinese in the ASEAN States Leo Suryadinata, 1989. The Philippines David Joel Steinberg, 2018-02-19. A unified nation with a single people, the Philippines is also a highly fragmented plural society. Divided between uplander and lowlander, rich and poor, Christian and Muslim, between those of one ethnic, linguistic, and geographic region and those of another, the nation is a complex mosaic formed by conflicting forces of consensus and national identity and of division and instability. It is not possible to comprehend the many changes in the Philippines, such as the rise and fall of Ferdinand Marcos or the revolution that toppled him, without an awareness of the religious, cultural, and economic forces that have shaped the history of these islands. These forces formed the focus of the first edition of *The Philippines* of that 1982.
