Chandler's last four novels published here in one volume offer ample opportunity to savor the unique and utterly compelling fictional world that made his works modern classics. *The Lady in the Lake* moves Marlowe out of his usual habitat of city streets and into the mountains outside of Los Angeles in his strange search for a missing woman. *The Little Sister* takes Marlowe to Hollywood where he tries to find a sweet young thing's missing brother, uncovering on the way a little blackmail, a lot of drugs and more than enough murder. In *The Long Goodbye*, a case involving a war-scarred drunk and his nymphomaniac wife has Marlowe constantly on the move. A psychotic gangster's on his trail, he's in trouble with the cops and more and more corpses keep turning up. *Playback* features a well-endowed redhead who leads Marlowe to the California coast to solve a tale of big money and of course murder. Throughout these masterpieces, Marlowe's wry humor and existential sense of his job prove yet again why he has become one of the most recognized and imitated characters in fiction. Featuring the iconic character that inspired the forthcoming film Marlowe starring Liam Neeson. *Passion's Song* Carolyn Jewel, 2014-10-04 He's a wealthy nobleman. She's leading a double life. Will their love sing? American Isobel Rowland doesn't have much beside her music. When she finds out she's the illegitimate daughter of an English aristocrat, the world opens up to near unlimited possibilities. The only problem is that her father wants her to give up the music and find a husband. Alexander the Marquess of Hartford has little to no interest in remarriage, though he does find the young Miss Rowland intriguing. As he considers his options, Alexander acts as a patron to a promising American musician. Ian Rowland. Little does he know Ian is none other than Isobel in disguise. Can Isobel keep up her charade as she develops feelings for the Marquess? What will Alexander do when he finds out the truth? It's time to face the music. *Passion's Song* is the debut Georgian romance novel of author Carolyn Jewel. If you like mistaken identity plots, strong female heroines and laugh-out-loud moments, then you'll love a story that will be music to your ears. Buy *Passion's Song* to read the melodious tale of love today. *Passion's Song* was originally published in 1987 and is the first book I wrote. Other than correcting typographical errors in the original, this book stands as I wrote it in 1987. The back cover copy of the original book referred to a devilish duke, even though there was no duke in the story. I have refrained from the temptation to add one.
