helpful resources for parents **Preparing Your Child for Holy Communion** Betti Meenattoor, 2022-01-15 First Holy Communion day is the most important and memorable day in the life of a Catholic child. Eucharist is the ineffable gift and Holy Communion is the fusion between us and Jesus. Children start longing to receive Holy Communion at an early age but have to wait till they reach the age of discernment. In preparation, they attend yearlong classes and training either through the Catholic School or the Sunday School Faith Formation classes. At the end of this lengthy preparation, we still ask the same question: Are we really ready? Family is the domestic church, and parents are the primary catechism teachers. Knowledge is power, and education is empowerment. Being involved actively in faith formation in Holy Communion preparation, being a teacher and director of religious education for the past several years, answering the parents and reassuring them again and again, I thought of putting it together, hence this book: **Preparing Your Child for Holy Communion: A Guide for Parents**.
