

Presidency Of The 1970s

Richard T. Stanley

Presidency Of The 1970s:

The 1970s and the Making of the Modern US-Mexico Border Aaron Brown, 2024-07-08 During the late twentieth century many Americans expressed concern about the security surrounding the U S Mexico border due to the lack of progress in achieving meaningful and effective immigration regulation and an inability to control growing drug trafficking Despite publicly and privately striving for cooperation on these issues Mexican and American policymakers struggled to arrive at viable and sustainable solutions In The 1970s and the Making of the Modern US Mexico Border Fortifying a Frontier Aaron Brown analyzes US drug and immigration policies from the 1960s to 1980s how they applied to Mexico and the border and how this shaped modern U S perceptions of border security Brown utilizes archival research newspapers and other sources to investigate how US policymakers border residents and activists shaped policies aimed at eliminating rising crime economic stagnation and global insecurity At a time when the US Mexico border is again the subject of heated political debate this book can help readers understand the origins of the current crisis

The Presidency in the Era of 24-Hour News Jeffrey E. Cohen, 2010-11-16 The Presidency in the Era of 24 Hour News examines how changes in the news media since the golden age of television when three major networks held a near monopoly on the news people saw in the United States have altered the way presidents communicate with the public and garner popular support How did Bill Clinton manage to maintain high approval ratings during the Monica Lewinsky scandal Why has the Iraq war mired George Bush in the lowest approval ratings of his presidency Jeffrey Cohen reveals how the decline of government regulation and the growth of Internet and cable news outlets have made news organizations more competitive resulting in decreased coverage of the president in the traditional news media and an increasingly negative tone in the coverage that does occur He traces the dwindling of public trust in the news and shows how people pay less attention to it than they once did Cohen argues that the news media s influence over public opinion has decreased considerably as a result and so has the president s ability to influence the public through the news media This has prompted a sea change in presidential leadership style Engaging the public less to mobilize broad support presidents increasingly cultivate special interest groups that often already back the White House s agenda This book carries far reaching implications for the future of presidential governance and American democracy in the era of new media

The Presidential Republic Gary L. Gregg, 1997 For two centuries American presidents have considered themselves to be representatives of the American people In this detailed study of presidential representation Gary Gregg explores the theory history and consequences of presidents acting as representatives in the American political system Gregg explores questions such as what it means to be a representative how the Founding Fathers understood the place of the presidency in the Republic established by the Constitution and the effects a representational presidency has on deliberative democracy This important examination of the presidency s place in our political system is essential reading for those interested in American political theory constitutional studies and American history

Gerald Ford and the Challenges

of the 1970s Yanek Mieczkowski, 2005-04-22 A reappraisal of the brief presidency of Gerald Ford called to leadership in the midst of scandal stagflation and an energy crisis For many Americans Gerald Ford evokes an image of either an unelected president who abruptly pardoned his corrupt predecessor or an accident prone klutz spoofed on Saturday Night Live In this book Yanek Mieczkowski reexamines Ford's two and a half years in office showing that his presidency successfully confronted the most vexing crisis of the postwar era Viewing the 1970s primarily through the lens of economic events Mieczkowski argues that Ford's understanding of the national economy was better than any modern president's that he oversaw a dramatic reduction of inflation and that he attempted to solve the energy crisis with judicious policies Throughout his presidency Ford labored under the legacy of Watergate Democrats scored landslide victories in the 1974 midterm elections and within an anemic Republican Party the right wing challenged Ford's leadership even as pundits predicted the GOP's death Yet Ford reinvigorated the party and fashioned a 1976 campaign strategy against Jimmy Carter that brought him from thirty points behind to a dead heat on election day Drawing on numerous personal interviews with former President Ford cabinet officials and members of the Ninety fourth Congress Mieczkowski presents the first major work on Ford in more than a decade combining the best of biography and presidential history to paint an intriguing portrait of a president his times and his legacy This ambitious work calls for a reexamination of the Ford presidency in light of the formidable challenges he faced upon taking office A welcome and important addition to the literature on the Ford presidency Library Journal

The Presidency of Dwight D. Eisenhower Chester J. Pach, Elmo Richardson, 1991 The best single volume available on the Eisenhower presidency Stephen E Ambrose author of Eisenhower

The Upcoming Insignificance of the American Presidency Wilbur C. Rich, 2023-12-15 This new text analyzes the development of the presidency as the dominant political institution in the United States and raises questions about its future relevance In this history of the U S executive branch from the framing of the Constitution to the Biden administration author Wilbur C Rich illuminates the transformation of the presidential role by a variety of extra constitutional non legal forces technology and social changes The book highlights how some presidents nevertheless have managed to maintain relevancy and dominance by adapting to these changes or by introducing changes of their own For undergraduate students and researchers of presidential history and American political development this expansive historical overview of the executive branch in America makes a strong case that the significance of the American presidency has declined dramatically and perhaps irrevocably in the modern presidency

Disco Days: a Social History of the 1970'S Richard T. Stanley, 2015-06-19 By 1972 President Richard Nixon had reached the heights of political power and popularity only to self destruct due to his role in a third rate burglary called Watergate Nixon resigned in disgrace and for the first time in history Americans came to be led by an unelected President and Vice President Gerald Ford and Nelson Rockefeller But Americans had much more on their minds than mere politics movies TV sports earning a living etc Hollywood motion pictures including The Godfather Jaws and Star Wars captured their imaginations while weekly TV

shows such as All in the Family and Happy Days made them laugh and Monday Night Football kept their competitive juices flowing To no ones surprise UCLA continued to win NCAA basketball championships and such schools as Alabama Arkansas Michigan Nebraska Notre Dame Oklahoma Penn State Texas and USC remained dominant on the gridiron And professional sports thanks to such super stars as Billie Jean King Kareem Abul Jabbar Henry Aaron Jack Nicklaus Muhammad Ali Al Unser and Terry Bradshaw became more popular than ever But who could have predicted at the beginning of the decade that a young high school dropout named John Travolta and a band called the Bees Gees would become the kings of Disco Dancing Or that a peanut farmer from Georgia would be elected President during our Bicentennial Year **The Strategic**

Presidency James P. Pfiffner, 1996 The best book on the importance of presidential transitions to the long term successes of administrations Contemporary scholars and practitioners will be especially interested in Pfiffner s treatment of the problems that surrounded the Clinton administration s troubled start Mark J Rozell author of Executive Privilege **The Carter**

Presidency Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter s election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America **Cold War America, 1946 To 1990** Facts on File Inc, Ross

Gregory, 2014-05-14 Uses statistical tables charts photographs maps and illustrations to explore everyday life in the United States during the Cold War period The Politicizing Presidency Thomas J. Weko, 1995 From Truman to Clinton presidents have aggressively tried to expand their control over national government In the process they have vastly enlarged their White House staffs and politicized the federal bureaucracy with thousands of appointees in key administrative positions Thomas Weko argues that the Presidential Personnel Office PPO charged with screening and recommending such appointees both exemplifies and helps explain the enormous growth of presidential power since World War II Originally conceived as a small advisory group within the White House Office the PPO has grown enormously from a staff of two under Truman to as many as sixty under other presidents and now oversees nearly four thousand appointments per administration Weko charts the PPO's evolution and influence and shows how central it is to our understanding of modern presidential leadership Weko's starting point is Terry Moe's rational choice theory that it is the institution of the presidency not the sitting president that fosters centralization and politicization within the executive branch Amplifying and extending Moe's theory Weko persuasively links the PPO's explosive growth to the weakening of political parties the post Eisenhower disintegration of policy networks the growing impact of television news and the public's increasing readiness to hold the President accountable for policy failures The PPO's growth clearly has increased presidential control and bureaucratic responsiveness But Weko argues those results have had unanticipated and unwanted consequences that among other things have undermined the integrity and capabilities of administrative agencies Any improvement in the leadership of the executive branch he contends can only emerge from changes in the current institutional arrangement of the presidency itself Based on exhaustive research in White House files oral histories and memoirs and personal interviews with over 100 White House aides Weko's study provides a provocative new look at the White House Office and the modern presidency The Presidency Then and Now Phillip G.

Henderson, 2000-02-09 In The Presidency Then and Now leading political scientists and historians assess the development of the presidency and its role in today's political landscape The questions addressed in this wide ranging volume include How has the doctrine of separation of powers evolved How have presidential campaigns and presidential oratory influenced the constitutional character of the institution How does the scandal driven press coverage of the post Vietnam and post Watergate presidency compare with the partisan press of the early republic Among other topics the contributors examine the early precedents and modern manifestations of the executive veto executive privilege and presidential use of force doctrine and chart the shift from a constitutionally circumspect and constrained chief executive toward the modern notion of a plebiscitary presidency The Presidency Then and Now assesses several key trends in presidential leadership including the recent movement toward a policy centered presidency in which detailed policy development has at times supplanted broad vision and historically informed judgment Other essays address such topics as the transformation of the Cabinet from a body whose members possessed stature equal to the president to a largely symbolic group that has been replaced in its advisory

capacity by the White House staff *The Presidency Then and Now* makes a case for returning to constitutional reasoned deliberation and replacing modern fixation on celebrity status with the founders notion of stature By drawing comparisons between the old and the new *The Presidency Then and Now* offers timely and incisive insights that will appeal not only to scholars of the presidency but to historians and general readers interested in the constitutional foundations philosophical debates and key political developments that have affected the presidential office over time

The Presidency and the Rhetoric of Foreign Crisis Denise M. Bostdorff, 1994 *The Presidency and the Rhetoric of Foreign Crisis* examines presidential crisis management or the way U S presidents portray foreign crises to the American public as a potent tool for the accumulation and at times the forfeiture of political power Arguing that it is largely through presidential communication that foreign crises become real for American citizens Bostdorff does not claim that presidents fabricate crises but rather that they vigorously advance their version of the crisis to the American public in order to rally support for their foreign policies Bostdorff contends that presidential language can heighten the significance of events that otherwise would attract little public attention such as a coup on the tiny Caribbean island of Grenada and thereby persuade citizens to support U S military intervention and to view the commander in chief as a decisive victorious leader To prove her assertions Bostdorff presents case studies from six successive administrations Beginning with Kennedy and the Cuban missile crisis of 1962 she examines Johnson and the Gulf of Tonkin Nixon and Cambodia Ford and the Mayaguez Carter and Iran and Reagan and Grenada Concluding with an evaluation of Bush and Panama Bostdorff identifies the recurring themes that defined crisis rhetoric explains how that rhetoric encourages particular public reactions and raises disturbing questions about the implications for the American polity

40: A Doonesbury Retrospective 1970 to 1979 G. B. Trudeau, 2012-06-12 The first volume of this retrospective anthology covers the Pulitzer prize winning cartoon strip from its first appearance in 1970 to 1979 On October 26 1970 G B Trudeau introduced the world to a college jock named B D and his inept and geeky roommate Mike Doonesbury Fourteen thousand strips later Doonesbury has become one of the most beloved and acclaimed comic strips in history Over the years the world of Doonesbury grew uniquely vast sustained by an intricately woven web of relationships over forty major characters spanning three generations The complete 40 A Doonesbury Anthology presents more than 1 800 comic strips that chart key adventures and cast connections over the last four decades Dropped in throughout this rolling narrative are twenty detailed essays in which Trudeau contemplates his characters including portraits of core characters such as Duke and Honey Zonker Joanie and Rev Sloan as well as more recent additions such as Zipper Alex and Toggle Trudeau also includes an annotated diagram that maps the mind boggling matrix of character relationships This first volume of the four volume e book edition of 40 covers the years 1970 to 1979 for the celebrated cartoon strip

Making the Managerial Presidency Peri E. Arnold, 1998 Examines the political history of administrative reform undertaken by 20th century presidents Attempting to explain the growth of modern bureaucracy within an 18th century framework and the expansion of presidential control over

administrative powers the author explores the relationship between administrative theory and the dilemmas posed for a developing administrative state by the separation of powers He also looks at and compares successive cases of presidentially initiated comprehensive reform planning in order to understand the implications for the president's institutional role Paper edition unseen 25 00 Annotation copyrighted by Book News Inc Portland OR Richard Nixon and the Rise of Affirmative Action Kevin L. Yuill, 2006 Nixon's efforts in moving the focus of U S race relations from reform to indemnifying damages Yuill argues at least equal his contributions to the origins of affirmative action through policy innovations Jacket *The Enduring Democracy* Kenneth J. Dautrich, David A. Yalof, Christina E. Bejarano, 2023-01-16 How can our history provide us with a roadmap to the future The Enduring Democracy offers the essentials of American government with a focus on placing current issues and controversies into a historical perspective By looking back students can use the context of our country to understand that the troubles we face are often newer versions of past dilemmas This allows them to tap into those lessons learned to identify understand and even provide solutions to today's challenges One modernizing force to all this comparison is the rapidly changing demographics in our population that asks us to reconsider many aspects of American political behavior and how that will influence both the present and future The Seventh Edition frames the 2022 midterm elections from the perspective of what they mean to students so that they can see the relevance of American government in their daily lives This title is accompanied by a complete teaching and learning package Learning Platform Courseware SAGE Vantage is an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support It's a learning platform you and your students will actually love Assignable Video with Assessment Assignable video available in SAGE Vantage is tied to learning objectives and curated exclusively for this text to bring concepts to life LMS Cartridge Import this title's instructor resources into your school's learning management system LMS and save time Don't use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site **America in the Seventies** Stephanie Slocum-Schaffer, 2003-05-01 In assessing this tumultuous period in American history Stephanie A Slocum Schaffer provides readers with a visceral experience of the seventies and a comprehensive survey of the important events of the entire decade Central to the book is the belief that the 1970s were a time of betrayal and loss for the U S tempered by moments of healing and renewal Slocum Schaffer evokes the pain of Nixon's betrayal of the nation the revelations of the My Lai massacre and the Pentagon Papers and the losses of icons such as John Wayne Jimi Hendrix and the cult followers at Jonestown At the same time she revisits the successes of Camp David Billie Jean King and Frank Robinson and the first Space Shuttle test flight and reminds us of the healing that such events offered to the U S's faltering self esteem America in the Seventies concludes with a Legacy Chapter summarizing the influence of the events of the decade on future

generations and an annotated bibliography that includes the author's recommendations for the best first book to read on each subject as well as relevant Internet sources Politics and Educational Change Patricia Broadfoot, Colin Brock, Witold Tulasiewicz, 2018-04-17 Published in 1981 Throughout the world education is a highly contentious political issue Politicians are involved in educational decision making at all levels and very often educational reform is as much motivated by political ideology as by educational considerations This book which draws together the work of many leading authorities examines the current state of educational politics in many parts of the world The book looks at the problem from a theoretical and a comparative perspective and then analyses the problem in particular areas which include North America Western Europe and Third World countries **Environmental Policy** Norman J. Vig, Michael E. Kraft, Barry G. Rabe, 2021-01-08 Authoritative and trusted Environmental Policy once again brings together top scholars to evaluate the changes and continuities in American environmental policy since the late 1960s and their implications for the twenty first century Students will learn to decipher the underlying trends institutional constraints and policy dilemmas that shape today's environmental politics The Eleventh Edition examines how policy has changed within federal institutions and state and local governments as well as how environmental governance affects private sector policies and practices There are five new chapters in this edition that examine the public's opinion on the environment courts energy policy natural resource agencies and policies and the political economy of green growth The book has been updated to reflect the Trump administration's four years of policy changes and students will walk away with a measured yet hopeful evaluation of the future challenges that policymakers will confront as the American environmental movement continues to affect the political process

Presidency Of The 1970s Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Presidency Of The 1970s PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Presidency Of The 1970s PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Presidency Of The 1970s free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Presidency Of The 1970s Books

What is a Presidency Of The 1970s PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidency Of The 1970s PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidency Of The 1970s PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidency Of The 1970s PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidency Of The 1970s PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
