## **Preubischer Ikarus:**

**AntiFascism and Memory in East Germany** Josie McLellan, 2004-10-07 AntiFascism and Memory in East Germany is a book about remembering and about forgetting about war and about the peace which eventually followed In the unlikely setting of the German Democratic Republic GDR the Spanish Civil War became the subject of a debate which both predated and outlasted the Cold War involving historians veterans politicians censors artists writers and Church activists Examining these multiple memories and interpretations of Spain casts new and unexpected light on the legacy of the Spanish Civil War and the relationship between history and memory under state socialism The ruling Socialist Unity Party made full use of the antifascist legacy as legitimation for a non democratic state But despite dogged attempts at control and censorship the state was unable to silence competing voices All over East Germany International Brigade veterans preserved their version of events in letters to each other in communications with the party in discussions with friends and family around the kitchen table and in memoirs written for the desk drawer For younger East Germans the war retained an undeniably romantic aura From their perspective Spain was a far away land to which they were forbidden to travel the stuff of camp fire singalongs and fantasies of adventure This book dissects the relationship between state sponsored history the lobbying of veterans cultural interpretations of war and the memory traces left behind by marginalised or politically oppositional groups and individuals It is a cultural history of memory under state socialism a social history of veteran groups and their relationship with the state and a political history of communist culture Above all it is the story of how post war Europeans came to terms with the heavy burden of their pre war past

*Medieval German Voices in the 21st Century*, 2021-11-08 As witnessed by a tremendous upsurge in medieval research academic meetings innovative interpretive approaches enrolment numbers and public interest Medieval Studies are proving once again to be a vibrant field of investigations both inside and outside of academia Nevertheless there is a tendency among colleagues and administrators in the field of Germanistik German Studies to exclude the earlier period as an exotic and irrelevant subject matter The contributors to this volume all of whom teach at North American universities make a strong case for the paradigmatic function of medieval German literature for the general field of Germanistik and argue that many of the most recent changes in our discipline related to the German Studies paradigm have been foreshadowed by Medieval Studies where interdisciplinarity comparative approaches the consideration of Mentalitätsgeschichte theology history art history even gender studies and the history of everyday life have often constituted the *conditio sine qua non* Some of the authors in this volume argue for the relevance of medieval German literature by investigating concrete cases taken from the Middle Ages others show how modern German literature has been deeply influenced by medieval texts The purpose of this volume is not to privilege medieval literature over modern literature but instead to reclaim the premodern period as an important and relevant field of investigation within contemporary German Studies

**What the Ballad Knows** Adrian Daub,2022 In What the Ballad Knows author Adrian Daub elucidates the complex relationship between ballads and nationalism in 19th century German culture The Poet's Role Ruth J. Owen,2021-10-18 This study of contemporary German poetry represents the first attempt to examine comprehensively and at some length the lyric response to the unification period It sets out to investigate by means of close textual analysis whether the German Wende was also a turning point for poetry exploring how GDR poets responded both to the revolutionary events of 1989 and subsequently to the new united Germany An introductory chapter considers what is distinct about poetry as a genre especially under censorship or amid historic change as well as outlining the post unification Literaturstreit The following chapter offers a survey of the poet s role in the GDR from 1949 until 1989 Two central chapters then gather the poetry of the Wende and unification as a corpus of work and characterize it through the elucidation of recurring themes motifs and techniques The volume strikes a balance between giving a general overview of poetry written in 1989 1996 and focusing on individual poets whose work is particularly compelling After identifying broad trends across a wide range of individual poems collections and anthologies single chapters therefore examine in greater depth the work of Volker Braun and Durs Gr nbein The concluding chapter addresses the issue of a separate GDR literature Finally an extensive structured bibliography is provided covering the poetry literary criticism and cultural history of the period **The Ideal World of Dictatorship**

Stefan Wolle,2019 **A Companion to Twentieth-Century German Literature** Raymond Furness,Malcolm Humble,2003-09-02 Containing entries on over four hundred authors of fiction poetry and drama from Germany Austria and Switzerland this invaluable work of reference presents material of a range and depth that no other book on the subject in English attains For the second edition the entries have been updated to include the most recent works of German literature A number of new entries have been added dealing in particular with the East German literary scene and the changing literary landscape after reunification In addition to basic biographical facts the Companion offers summaries information on involvement in literary groups and political developments schools and movements critical terms and aspects of the other arts including film **Heine Und Die Weltliteratur** T. J. Reed,2017-12-02 The 1997 London Heine Conference brought together leading scholars and critics from Austria Britain and Germany The essays collected in this volume offer a broad canvas of Heine s themes and techniques his debts and his influence the ancient and modern connections of his work its epic and lyrical forms together with materials and comparisons drawn from English German Russian Jewish and Islamic sources and the musical settings of his poems The collection complements recent scholarship much of which has explored Heine s theoretical and other prose works by paying close attention once more to the inexhaustible riches of his poetry **Reading**

**Heinrich Heine** Anthony Phelan, 2007-03-01 This book is a comprehensive study of the nineteenth century German poet Heinrich Heine Anthony Phelan examines the complete range of Heine's work from the early poetry and Pictures of Travel to the last poems including personal polemic and journalism Phelan provides original and detailed readings of Heine's major poetry and throws fresh light on his virtuoso political performances that have too often been neglected by critics Through his critical relationship with Romanticism Heine confronted the problem of modernity in startlingly original ways that still speak to the concerns of post modern readers Phelan highlights the importance of Heine for the critical understanding of modern literature and in particular the responses to Heine's work by Adorno Kraus and Benjamin Heine emerges as a figure of immense European significance whose writings need to be seen as a major contribution to the articulation of modernity

**The Past As Future** Jürgen Habermas, 1994-01-01 Jürgen Habermas is one of the best known and most influential philosophers in Europe today Heir to the Frankfurt school his reputation rests on more than thirty years of groundbreaking works on society knowledge history technology ethics and many other subjects He is also a familiar figure in his native Germany where he has often played a prominent role in public debates In recent years he has spoken out ever more directly on the extraordinary changes taking place in Germany Europe and the world This volume of interviews reveals Habermas's passionate engagement with contemporary issues Wide ranging and informal the interviews focus on matters of decisive importance to Germany and the rest of the world in the 1990s German unification recent explosive debates about interpretations of German history Germany's asylum policies and the Nazi era efforts to create a cooperative peaceful Europe and the significance of the Persian Gulf War A final interview focuses on the relation between theory and practice between philosophy and the so called real world In an afterword to the volume Habermas addresses a broad spectrum of issues facing Germany and other nations in this final decade of the century Ably translated and annotated by Max Pensky professor of philosophy at the State University of New York Binghamton The Past as Future provides a striking portrait of an intellectual who is equally at home in the world of academic philosophy and in mainstream debate and who can make valuable connections between the two

## **Preubischer Ikarus Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Preubischer Ikarus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Preubischer Ikarus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Preubischer Ikarus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Preubischer Ikarus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for

everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Preubischer Ikarus any PDF files. With these platforms, the world of PDF downloads is just a click away.
