

THE MUSICAL METHOD OF LEARNING SPANISH

SERIES I - COMPACT DISC EDITION

The Musical Method of Learning SPANISH

FORGET THE GRAMMAR!
FORGET THE TEXTBOOKS!

Learn like a child does, through rote repetition set to music.
Ideal for ages 0 to 100, also works on parrots.

On this **72 minute** CD for beginners, frequently used words and phrases in Spanish are translated into English repetitively, and it's all superimposed on mellow rock, disco type music, not rap music.

Rapanese can be used for jogging, aerobics or just when you want to listen to some great music and have a good laugh.

THIS CD CAN ALSO BE USED TO LEARN ENGLISH, FROM SPANISH!

Baralt,2016-10-10 Excerpt from Harmonic Method for Learning Spanish Although very original in method and development it is not the product of mere theories but the result of a labor conscientiously directed for many years and of a purpose perfectly sure of its object The instrument which Dr Baralt wishes now to place in the hands of his fellow teachers has been used by himself with undeniable success in his own classes There is no reason why it should not always produce the same results if employed with the same skill Dr Baralt has obeyed above all the great pedagogical precept to make interesting the matter that is studied and this in a subject which has always seemed so dry as the teaching of a language With this object in view he has wished as it were to make his pupils lose all fear He places them from the start face to face with the unknown quantity which the new language is to them and he shows that they may familiarize themselves with it from the very first words Dr Baralt has admirably known how to take advantage of the resources afforded him by the english language in order to overcome this no small difficulty The Norman conquest grafted in the robust trunk of the Germanic tongue spoken at the time in England About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
