exploration in support of this theme Daniel's prophecies are foundational especially his prophecy of the Seventy Weeks in Dan 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Dan 7 The Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Dan 7 7 8 As proof of my theme I use the Biblical code of two or three witnesses see e.g. Deut 19 15 Matt 18 16 John 8 17 and I John 5 8 The three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus Second Coming would take place before Jesus generation passed away Matt 24 34 Furthermore I show how the epistles of the N T reflect this theme by citing scores of passages from them for my readers to consider Finally in Chapter Five of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme

The Second Coming of Christ Rufus Rawls, 2020-05-11 Life in this life is a journey and not a destination though the journey itself leads to an eternal destination Heaven or Hell In the interim between the journey and the destination everyone is busy trying to navigate the journey while not necessarily giving enough serious thought to the journey's final destination Yes People are getting married or not divorcing pursuing educational and career goals saving and spending living life in the blind while paying little or no attention to the fact that time as we know it is running out of time Most believers or Christians believe Christ will return one day and rescue His people out of this life Although Christians do typically believe and may even pray for the return of Christ some lack a clear understanding of what the Bible teaches about the Second Coming of Christ On the other hand there is a disproportionate number or group of people that because they have been hearing all of their lives that Jesus is coming back are ignoring the clear and concise prophetic writing on the prophetic wall that time is running out of time Nonetheless the Bible is inundated with prophecies that are unmistakably clear regarding the Second Coming of Christ Therefore this book The Second Coming of Christ The Rapture and the

Revelation is a book that unveils and reveals the fact that prophecy is history written in advance. The last word in its title, Revelation, points to the appearing of Christ at the culmination of the Great Tribulation for the battle of Armageddon, the battle of all battles. This book is the sounding of the alarm that each of us should be through diligent preparation and godly steadfastness with uncompromising stick-to-itiveness, living to live again. Each of us during this dispensation of grace will be upon Christ's return left behind to undergo the unspeakable suffering of the Great Tribulation or either resurrected or translated in glorified bodies to meet Christ in the air to go with Him to Heaven. This book will help each of us embrace the fact that the rapture of the Church is imminent or very close at hand. Each of us will either be caught up in glory at the Rapture or left behind to endure unparalleled pain and suffering during the Great Tribulation.

The Second Coming of Jesus John Ehrlich, 2009-10. All Christians believe that Jesus will come again, but there is much disagreement concerning the manner of His coming again. Why must Jesus come again? What is accomplished when He comes again? Is it complicated or simple? Is there a secret rapture which precedes His return, or does it all occur in one day? What is the great tribulation? What is the Millennium? Is Revelation a prerecorded history of the tribulation period, or is it something else entirely different? Should the church use obscure and ambiguous passages to define and interpret clear passages of Scripture? What did Jesus have to say about His second coming? What did Paul teach? Did they teach the same things, or was it different? These questions and more are answered directly from the Word of God using verses that cannot possibly be misunderstood unless done so deliberately in order to preserve and protect the systematic theology one has been taught. Prayerful and careful study of Scripture has absolutely convinced the author of the error of the popular rapture teaching concerning the second coming of our Lord and Savior Jesus Christ. This book is not an in-depth analysis of prophecy, but it is a brief examination of some of the truths the author has culled from historical accounts and has discerned from Scripture through many years of study. The author holds a D.Min. degree from Covington Theological Seminary. He was the pastor of the fastest growing church in New Hampshire in 1985, being recognized as such by Liberty University. He is no longer pastoring full time, but ministers in RV parks during the winter season in Naples, FL. He has authored three other books which have yet to be published.

A Revelation of the End Times Timo Groot, 2023-11-06. The Rapture of the Church is a remarkable prophecy from the Word of God.
