*Secrets of Golgotha* Academy for Scriptural Knowledge, Ernest L. Martin, 1996-03      **Secrets of Golgotha** Ernest L. Martin, 1988-01-01      *Jesus of Nazareth: Lord and Christ* Joel B. Green, Max Turner, 1999-01-20 The problem of the historical Jesus remains one of the most important themes in New Testament scholarship Closely related to this problem is the question How far can the impact made by the earthly Jesus and his own self understanding sustain the weight of the Christological construction put upon them by the early church In the past two decades some scholars have taken an increasingly gloomy attitude toward the possibility of knowing anything of substance about Jesus from the Gospels or at the opposite extreme have sometimes made outlandish claims about him Others like the contributors to this volume have begun moving the discussion into fresh areas of creative responsible inquiry      **Rethinking Jonah** Thomas J. Belke, 2025-07-02 Was the Hebrew Prophet Jonah a real or fictional person If real when did he live Who were his contemporaries Where did he grow up How long did he live What was he like Is the biblical book truth or fiction Can we know more about him than the forty eight verse account in the biblical Book of Jonah one verse in 2 Kings and three short New Testament references To what extent are contemporary assessments of him as being the runaway prophet accurate And what really happened at Nineveh and in the aftermath RETHINKING JONAH is subdivided into four volumes that build on each other as follows Volume 1 Convergence This first volume launches into the inference based historical reconstruction resulting in convergence on the ninth century BC time frame Scribes scrolls cliffs caves and skulls prepare to be amazed Volume 2 The Boy Prophet This second volume reveals that Jonah is hidden in plain sight in 2 Kings and reconstructs the first part of his life from his miraculous birth in the spring of 850 BC to his first resurrection in 849 BC to him drowning to death at sea in 826 BC Volume 3 Two Scrolls Not One This third volume picks up with Jonah s second resurrection in 826 BC reveals that Jonah was originally published as two scrolls not one explains why Nineveh repented in 824 BC and reconstructs Jonah s third resurrection in 799 BC Volume 4 Mysteries Unveiled This fourth volume synthesizes the entire historical reconstruction including an in depth look at the sign of Jonah and the Jonah Israel super sign typology that Jonah s life is a typological map of the history of Israel past present and future      The Theological Intentions of Mark's Literary Devices Dean B. Deppe, 2015-10-22 What sets The Theological Intentions of Mark s Literary Devices apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day      *Golgotha* Bob

**FORGIVENESS** Dr. Vern Curtis, 2025-03-29 We all need to understand things do not happen to us things happen for us Things happen for us to learn the lessons we need to learn If you will look at the things that happen to us as a loving learning lesson forgiveness becomes much easier Forgiveness enables us to keep our hearts pure before Yahweh God This is your best witness to draw people to Yahweh God In Matthew 6 14 15 Yahshua Jesus makes it very clear that we must forgive to be forgiven He says For if you forgive men when they sin against you your heavenly Father will also forgive you But if you do not forgive men their sins your Father will not forgive your sins Matthew 6 14 15 Forgiving is not condoning It is releasing the other person and yourself so that you can both grow in faith and love You do not have to condone the wrongdoing You do have to forgive the doer of the wrong if you want to be healthy happy and free After all the doers will have to learn his or her own lesson for doing wrong to someone We are to hate the sin and love the sinner 6 2

**Sovereignty** R. J. Rushdoony, The word sovereignty means one who is above all It is the supreme and highest power The Christian defines the Sovereign Lord as unlimited independent with original authority For fallen man sovereignty belongs to the state because the state is the source of law Since the Christian can have no other gods Ex 20 3 history is defined appropriately by Augustine as a conflict between the City of Man and the City of God As in all conflicts we must choose this day whom we will serve Calvinists often limit the doctrine of sovereignty to a systematic theological definition of God Much more work is needed in developing the implications of sovereignty for the Kingdom of God and its application in terms of the law word of God In this posthumously published volume R J Rushdoony examines the comprehensive implications of God s

sovereignty with a clear eye to critiquing the various places where man posits sovereignty especially the sovereign state This is a must read for anyone seeking to understand the crises of our times      **Jerusalem, the Holy City** James D. Purvis,1988 This volume contains 4 475 entries furthering the author s work of providing a comprehensive bibliography of modern research on the city of Jerusalem Vol 2 supplements vol 1 1988 not only by providing new titles but also by including additional information on titles that appeared in vol 1 including notices of reviews As with vol 1 40 chapters are arranged under eight major headings general studies Jerusalem during the Biblical period Jerusalem during the Second Temple period Roman Jerusalem Jewish Jerusalem Christian Jerusalem as a Muslim city and in modern times Annotation copyrighted by Book News Inc Portland OR      **The Weekend that Changed the World** Peter Walker,2000-01-01 This Book answers key questions that surround Jesus death and argues that the events of that fateful weekend in Jerusalem changed the world forever Layer upon layer of detail draws the reader into the frightening hours leading up to Jesus death The volume traces the movements of all involved in his tragic execution and follows the story to the empty tomb examining the improbability that anyone could be raised from death Walker discusses at length the location of Jesus burial drawing on the evidence of the Gospels archaeology and church history and focuses on the two likely sites the Garden Tomb and the church of the Holy Sepulchre Walker also explores the impact of Jesus resurrection on Christians then and now noting how the message of the Garden Tomb has been a source of inspiration to millions of people from all over the World He Is Not Here For He Is Risen

Surprised by God Kindalee Pfremmer De Long,2009-10-16 Scholars have long noted the prevalence of praise of God in Luke Acts This monograph offers the first comprehensive analysis of this important feature of Luke s narrative It focuses on twenty six scenes in which praise occurs studied in light of ancient Jewish and Greco Roman discourse about praise of deity and in comparison with how praise appears in the narratives of Tobit and Joseph and Aseneth The book argues that praise of God functions as a literary motif in all three narratives serving to mark important moments in each plot particularly in relation to the themes of healing conversion and revelation In Luke Acts specifically the plot presents the long expected visitation of God which arrives in the person of Jesus bringing glory to the people of Israel and revelation to the Gentiles The motif of praise of God aligns closely with the plot s structure communicating to the reader that varied and often surprising events in the story such as healings in Luke and conversions in Acts together comprise the plan of God The praise motif thus demonstrates the author s efforts to combine disparate source material into carefully constructed historiography      *Bible Review* ,2000      **The Catholic Biblical Quarterly** Wendell Stephen Reilly,1988 Includes various reports of the Association

**That Old-Time Religion** Jordan Maxwell,Paul Tice,Alan Snow,2000 This book proves there is nothing new under the sun regarding many of our modern religious beliefs This includes Christianity and how many of its beliefs could be far older than what we have suspected It gives a complete run down of the stellar lunar and solar evolution of our religious systems and contains new long awaited exhaustive research on the gods and our beliefs      **Blood and Silk** Carol McKay,2010-10

FASCINATING NOVEL EXPLORES JESUS AND MARY S CONTROVERSIAL BOND THROUGH THE LENSES OF CULTURAL SOCIAL POLITICAL AND HISTORICAL CONTEXTS Mary Magdalene and Jesus of Nazareth s mysterious legendary connection can only be realized by revisiting their story through its Greco Roman Mediterranean cultural context Early theologians censored details about theater literature dress cuisine wedding rituals glass manufacturing silk trade politics and architecture of Mary Magdalene s time when they did not fit dogma and doctrine Cultural Historian Carol Aldenhoven McKay retrieves these lost frameworks as the story line follows McKay s meticulous reconstruction of a formerly forgotten way of life Blood and Silk The Hidden Love Story of Mary Magdalene and Jesus of Nazareth is a novel fifteen years in the making
