Major American Authors Faulkner Selected Writings:

Collected Stories of William Faulkner William Faulkner, 2011-05-18 I'm a failed poet. Maybe every novelist wants to write poetry first, finds he can't, and then tries the short story, which is the most demanding form after poetry. And failing that, only then does he take up novel writing. William Faulkner, Winner of the National Book Award. Forty-two stories make up this magisterial collection by the writer who stands at the pinnacle of modern American fiction. Compressing an epic expanse of vision into hard and wounding narratives, Faulkner's stories evoke the intimate textures of place, the deep strata of history and legend, and all the fear, brutality, and tenderness of the human condition. These tales are set not only in Yoknapatawpha County but in Beverly Hills and in France during World War I. They are populated by such characters as the Faulknerian archetypes Flem Snopes and Quentin Compson, as well as by ordinary men and women who emerge so sharply and indelibly in these pages that they dwarf the protagonists of most novels.

The Essential Faulkner William Faulkner, 2013-01-02 A collection of essential pieces by an American master. A real contribution to the study of Faulkner's work. Edmund Wilson. In prose of biblical grandeur and feverish intensity, William Faulkner reconstructed the history of the American South as a tragic legend of courage and cruelty, gallantry and greed, futile nobility and obscene crimes. He set this legend in a small, minutely realized parallel universe that he called Yoknapatawpha County, Mississippi. No single volume better conveys the scope of Faulkner's Yoknapatawpha legend than *The Essential Faulkner*. The book includes self-contained episodes from the novels *The Sound and the Fury*, *Light in August*, and *Sanctuary*; the stories *The Bear*, *Spotted Horses*, *A Rose for Emily*, and *Old Man*, among others; a map of Yoknapatawpha County and a chronology of the Compson family created by Faulkner especially for this edition; and the complete text of Faulkner's 1950 address upon receiving the Nobel Prize in literature. Malcolm Cowley's critical introduction was praised as splendid by Faulkner himself. Also includes *A Justice*, *The Courthouse*, from *Requiem for a Nun*, *Red Leaves*, *Was from Go Down*, *Moses*, *Raid*, from *The Unvanquished*, *Wash*, *An Odor of Verbena*, from *The Unvanquished*, *That Evening*, *Sun Ad Astra*, *Dilsey*, from *The Sound and the Fury*, *Death*, *Drag*, *Uncle Bud*, and *the Three Madams*, from *Sanctuary*, *Percy Grimm*, from *Light in August*, *Delta*, *Autumn*, from *Go Down*, *Moses*, *The Jail*, from *Requiem for a Nun*. *Light in August* William Faulkner, 2002-04-02 Selected by the Modern Library as one of the 100 best novels of all time. From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner, also available are *Snopes*, *As I Lay Dying*, *The Sound and the Fury*, *Absalom, Absalom!*, and *Selected Short Stories*. One of William Faulkner's most admired and accessible novels, *Light in August* reveals the great American author at the height of his powers. Lena Grove's resolute search for the father of her unborn child begets a rich, poignant, and ultimately hopeful story of perseverance in the face of mortality. It also acquaints us with several of Faulkner's most unforgettable characters, including the Reverend Gail Hightower, plagued by visions of Confederate horsemen, and Joe Christmas, a ragged itinerant soul obsessed with his mixed-race ancestry. Powerfully entwining these characters' stories, *Light in August* brings to life Faulkner's imaginary South, one of literature's

great invented landscapes in all of its unerringly fascinating glory Along with a new Foreword by C E Morgan this edition reproduces the corrected text of *Light in August* as established in 1985 by Faulkner expert Noel Polk *New Orleans Sketches* William Faulkner, 1968 In 1925 William Faulkner began his professional writing career in earnest while living in the French Quarter of New Orleans He had published a volume of poetry *The Marble Faun* had written a few book reviews and had contributed sketches to the University of Mississippi student newspaper He had served a stint in the Royal Canadian Air Corps and while working in a New Haven bookstore had become acquainted with the wife of the writer Sherwood Anderson In his first six months in New Orleans where the Andersons were living Faulkner made his initial foray into serious fiction writing Here in one volume are the pieces he wrote while in the French Quarter These were published locally in the *Times Picayune* and in the *Double Dealer* a little magazine based in New Orleans *New Orleans Sketches* broadcasts seeds that would take root in later works In their themes and motifs these sketches and stories foreshadow the intense personal vision and style that would characterize Faulkner's mature fiction As his sketches take on parallels with Christian liturgy and as they portray such characters as an idiot boy similar to Benjy Compson they reveal evidence of his early literary sophistication In praise of *New Orleans Sketches* Alfred Kazin wrote in the *New York Times Book Review* that the interesting thing for us now who can see in this book the outline of the writer Faulkner was to become is that before he had published his first novel he had already determined certain main themes in his work In his trail blazing introduction Carvel Collins often called Faulkner's best informed critic illuminates the period when the sketches were written as the time that Faulkner was making the transition from poet to novelist For the reader of Faulkner Paul Engle wrote in the *Chicago Tribune* the book is indispensable Its brilliant introduction is full both of helpful information and of fine insights We gain something more than a glimpse of the mind of a young genius asserting his power against a partially indifferent environment states the *Book Exchange* London The long introduction must rank as a major literary contribution to our knowledge of an outstanding writer perhaps the greatest of our times Carvel Collins 1912-1990 one of the foremost authorities on Faulkner's life and works served on the faculties of Harvard University Massachusetts Institute of Technology Swarthmore College and the University of Notre Dame where he was the first to teach a course devoted to Faulkner's writing *The Sound and the Fury* William Faulkner, 2025-05-14 *The Sound and the Fury* is a novel by William Faulkner first published in 1929 It is considered one of Faulkner's masterpieces and a classic of American literature The novel is set in the fictional Yoknapatawpha County Mississippi and revolves around the decline of the Compson family a once prominent Southern family The story is divided into four distinct sections each told from a different perspective The first section is narrated by Benjy Compson the youngest son who has an intellectual disability His narrative is fragmented and nonlinear reflecting his perception of time and memory Through Benjy's eyes readers witness the family's struggles and the deep emotional ties that bind them together His memories are filled with sensory details evoking a sense of nostalgia and loss The second section is narrated by Quentin

Compson Benjy's older brother This part takes place on a single day in 1910 and delves into Quentin's inner thoughts and turmoil He is deeply affected by the family's honor and the perceived shame brought upon them by their sister Caddy's promiscuity Quentin's narrative is marked by a stream of consciousness style revealing his existential crisis and obsession with time His struggle with identity and morality ultimately leads him to a tragic decision The third section is narrated by Jason Compson the bitter and cynical brother His perspective is filled with resentment and anger toward his family Jason is driven by greed and self interest and his narrative exposes the harsh realities of the Compson family's decline He is particularly cruel to Caddy's daughter Miss Quentin whom he views as a burden This section highlights the themes of betrayal and the impact of familial relationships The final section of the novel returns to a more objective narrative style focusing on Miss Quentin Caddy's daughter This part takes place in the 1920s and explores her struggles with her family's legacy Miss Quentin grapples with her identity and the weight of her family's past Her experiences reflect the ongoing impact of the Compson family's decline and the societal expectations placed upon her Throughout *The Sound and the Fury* Faulkner employs rich symbolism and intricate language The title itself reflects the novel's themes drawing from Shakespeare's *Macbeth* The phrase suggests the futility of life and the chaos that surrounds the characters Faulkner's use of stream of consciousness narrative allows readers to immerse themselves in the characters' thoughts and emotions creating a powerful and intimate reading experience The novel addresses complex themes such as time memory identity and the decay of Southern aristocracy Faulkner's portrayal of the Compson family serves as a microcosm of the broader societal changes occurring in the South during the early 20th century The characters' struggles with honor shame and familial loyalty resonate deeply making the novel a poignant exploration of the human condition *The Sound and the Fury* is not only a story about a family but also a reflection on the passage of time and the inevitability of change Faulkner's innovative narrative techniques challenge readers to engage with the text on multiple levels The novel's complexity may require careful reading but it rewards those who delve into its depths with profound insights into life and relationships This work has influenced countless writers and remains a significant part of the literary canon Faulkner's ability to capture the intricacies of human emotions and the complexities of family dynamics ensures that *The Sound and the Fury* continues to resonate with readers today It invites exploration and reflection on the themes of love loss and the struggle for understanding in a world filled with chaos *The Sound and the Fury* is a powerful and evocative novel that explores the decline of a Southern family through the eyes of its troubled members Faulkner's masterful storytelling and innovative narrative techniques create a rich tapestry of emotions and experiences This novel is essential reading for anyone interested in American literature and the complexities of the human experience It stands as a testament to Faulkner's genius and his ability to capture the essence of life in all its turmoil and beauty
