Making A Cake:

Cake Making Made Easy Nancy Wilson, 2012-11-04 Cooking has always been my passion and I believe that everyone who loves to cook should master the art of cake making This book was written for anyone who typically relies on a cake mix to bake for special occasions rather than dive into the adventure of making a cake from scratch My goal was to provide all the information that is necessary for any cook to create amazing cakes and to make the process much easier It was also planned for the experienced baker who wants to refine his or her baking skills There is nothing sweeter than for a loved one to arrive home after a long grueling day at school or work and find a favorite cake waiting warm from the oven This book will help everyone who owns it give that gift of love often **A Manual of Home-making** Martha Van Rensselaer, 1919 *Let Me Eat Cake* Leslie F. Miller, 2009-04-14 Few creations are more associated with joy or more symbolic of the sweet life than cake After all it is so much more than dessert As a book about cake would demand this one is a multilayered amply frosted delicious concoction with a slice or more for everyone Let Me Eat Cake is not a book about baking cake but about eating it Author Leslie F Miller embarks on a journey not a journey cake although it s in there into the moist white underbelly of the cake world She visits factories and local bakeries and wedding cake boutiques She interviews famous chefs like Duff Goldman of Food Network s Ace of Cakes and less famous ones like Roland Winbeckler who sculpts life size human figures out of hundreds of pounds of pound cake and buttercream frosting She takes decorating classes shares recipes and samples the best cakes and the worst The book is held together by the hero on a quest one that traces cake history and tradition If we were to bake a cake to celebrate the birth of cake cake is an Old Norse word first used around 1230 it is hard to say how many candles would go on top Though the meaning of the word originally lump of something not to mention our expectations of its ingredients has changed over time we now celebrate cake as the coming together of flour sugar butter eggs vanilla baking powder and a pinch of salt And what a celebration Baking a cake is hard work but tasting it is pure pleasure So put on some elastic waist pants and grab a fork **Manual of Home-Making** Helen Canon, 2008-03 This 1919 work is an essential reference guide to all aspects of household management Compiled by Martha Van Rensselaer the first woman to be given a full professorship at Cornell University along with Flora Rose and Helen Canon this book provides the home maker with detailed instructions on planning meals home decor home architecture and all aspects of sewing *Cake Secrets* , 1925 Recipes using Swan s Down brand cake flour **One Page Talent Management, with a New Introduction** Marc Effron, Miriam Ort, 2018-07-17 A radical approach to growing high quality talent fast You know that winning in today s marketplace requires top quality talent You also know what it takes to build that talent and you spend significant financial and human resources to make it happen Yet somehow your company s beautifully designed and well benchmarked processes don t translate into the bottom line talent depth you need Why Talent management experts Marc Effron and Miriam Ort argue that companies unwittingly add layers of complexity to their talent building models without evaluating whether those

components add any value to the overall process Consequently simple activities like setting employee performance goals become multipage headache inducing time wasters that turn managers off and fail to improve results Effron and Ort introduce a simple powerful scientifically proven approach to increase your ability to develop better leaders faster One Page Talent Management OPTM Using the straightforward easy to follow process described in this book you will eliminate frustrating complexity focus only on those components that add real value and build transparency and accountability into every practice Based on extensive research and experience in companies such as Avon Products Bank of America and Philips One Page Talent Management shows you how to Quickly identify high potential talent without complex assessments Increase the number of ready now successors for key roles Generate 360 degree feedback that accelerates change in the most critical behaviors Significantly reduce the time required for managers to implement talent building processes Do away with complexity and bureaucracy and develop the high quality talent you need right now Cake: 200 fabulous foolproof baking recipes Rachel Allen,2012-08-30 Whether it s classic cakes tiered cakes or small cakes free from cakes or wedding and birthday cakes Rachel has the perfect foolproof recipe **The Simple Art of Perfect Baking** Flo Braker,2003 Presents the secrets of perfect baking discussing equipment describing the techniques of cake and pastry making and providing recipes for everyday and special occasion baking including fillings and frostings *Cake in a Jar Recipes: Easy, Delicious & Inexpensive Cake Recipes For Mason Jar Desserts* Jamie Matthews, Everyone loves homemade cake Homemade cakes in a jar are fun inexpensive and great gift to share with just about any one or even better to make for yourself to enjoy Cakes in a jar contain beautifully layered ingredients topped with a decoration and are a thoughtful and economical way to treat friends coworkers neighbors or teachers to a unique customized gift And making them is easy and fun This book contains proven recipes and tips on how you can make quick easy Cakes in a jar I will provide you with everything you need to know from tools ingredients and recipes to storage *Delectable Cake Recipes from Scratch* Martha Stone,2014-08-20 If you are a cake lover and have always wanted to try baking cakes at home then Delectable Cake Recipes from Scratch is going to do wonders for you The book contains fun and easy cake recipes from scratch it is going to systematically introduce you to the method of baking basic cakes before you can try out variations and richer combinations With 25 delicious recipes you also get a few recipes for different frostings that can be combined with any cake of your choice So how about that Get your very own copy of Delectable Cake Recipes from Scratch and enjoy the bliss of baking at home *Cake & Pastries* Tarla Dalal,2010 The author presents an illustrated step by step guide to decorating cakes and pastries or single slices of cake along with recipes for the varieties of sponge cakes used in the decoration examples a guide to ingredients and utensils and cake making tips Mary Berry's Ultimate Cake Book (Second Edition) Mary Berry,2012-03-31 Over many years Mary Berry has perfected the art of cake making and her skills have earned her a reputation as the queen of cakes Now she has updated her classic home baking bible the Ultimate Cake Book and once again shares with you the secrets of her success With over
