Making Of Belize Globalization In The Margins:

The Making of Belize Anne Sutherland, 1998-07-23 Documents the history and rapid globalization of Belize as it confronts postmodernity *Belize and Its Identity* Godfrey Mwakikagile, 2010 This work is about Belize from a historical and contemporary perspective Once known as British Honduras Belize is the only English speaking country in Central America And it s only one of two such countries in Latin America The other one is Guyana in South America which was also once ruled by Britain The author looks at the different racial and ethno cultural groups which collectively constitute Belize a country founded by British settlers and African slaves more than 300 years ago The work is a general introduction to Belize It s also about life in Belize and how the different groups interact with each other in this multicultural society He examines Belize s multicultural character and identity and how members of different groups interact at different levels of national life as individuals as an integral part of an ethnic or cultural group and as an integral part of the nation How important is group identity Is Belize a melting pot Has it ever tried to be one if it s not one already Are ethnic relations good or bad How do immigrants fit in Are there true Belizeans Who is a native Belizean and who is not How have competing claims to native status affected ethnic and racial relations How many ethnic and racial groups are in Belize Are there ethnic enclaves in Belize Is Belize also an Afro Caribbean nation although it s in Central America Is it more black than Spanish What is the dominant culture in Belize and why Those are some of the subjects addressed in the book Members of the general public including those going to Belize may find this work to be useful It may also help some students learn a few things about the country

Belize and Its People Godfrey Mwakikagile, 2010-06 The author looks at Belize and its people to provide a general picture of the country and its ethnic diversity and how different ethnic groups interact as members of a multicultural society Some of the main subjects covered include group identity Creole Mestizo Garifuna and so on and the role it plays in determining relations between members of different ethno cultural groups in a country which stands out probably as the most ethnically diverse in Central America The work is also a general introduction to Belize from a historical and geographical standpoint and has previously been published under another title *Belize and Its Identity A Multicultural Perspective* Although it s written for the general public some students and scholars may find it to be useful in different areas of study It s well documented with scholarly references and citations from many sources which go beyond the interest of the general reader and can even be used as a college text on Belize providing useful insights into the complexities of a multicultural society

On the Trail of the Maya Explorer Steve Glassman, 2007-03-25 Steve Glassman retraces John Lloyd Stephens 1839 route visiting the same archaeological sites towns markets and churches and meeting along the way the descendants of those people Stephens described from mestizo en route to the cornfields to town elders welcoming the Norte Americanos Glassman s work interlaces discussion of the history natural environment and architecture of the region with descriptions of the people who live and work there Glassman compares his 20th century experience with Stephens s 19th

century exploration gazing in awe at the same monumental pyramids eating similar foods and avoiding the political clashes that disrupt the governments and economies of the area *Tourism, Power and Culture* Donald V. L. Macleod, James G. Carrier, 2010-01-01 Power and culture are inextricably bound up with tourism The anthropological case studies in this groundbreaking book explore this relationship in Latin America the Caribbean Europe Africa Australia and South East Asia Two sections deal with tourism and the power struggle for resources and tourism and culture presentation promotion and the manipulation of image A concluding chapter investigates the relationship between tourism and power **Encyclopedia of Contemporary Latin American and Caribbean Cultures** Daniel Balderston, Mike Gonzalez, Ana M. Traveling with Sugar Amy Moran-Thomas, 2019-11-26 Traveling with Sugar reframes the rising diabetes epidemic as part of a five hundred year old global history of sweetness and power Amid eerie injuries changing bodies amputated limbs and untimely deaths many people across the Caribbean and Central America simply call the affliction sugar or as some say in Belize traveling with sugar A decade in the making this book unfolds as a series of crónicas a word meaning both slow moving story and slow moving disease It profiles the careful work of those still fighting it as they grapple with unequal material infrastructures and unsettling dilemmas Facing a new incarnation of blood sugar these individuals speak back to science and policy misrecognitions that have prematurely cast their lost limbs and deaths as normal Their families arts of maintenance and repair illuminate ongoing struggles to survive and remake larger systems of food land technology and medicine

Ecologies and Politics of Health Brian Hastings King, Kelley A. Crews, 2013 Human health exists at the interface of environment and society Decades of work by researchers practitioners and policy makers has shown that health is shaped by a myriad of factors including the biophysical environment climate political economy gender social networks culture and infrastructure Yet while there is emerging interest within the natural and social

sciences on the social and ecological dimensions of human disease and health there have been few studies that address them in an integrated manner Ecologies and Politics of Health brings together contributions from the natural and social sciences to examine three key themes the ecological dimensions of health and vulnerability the socio political dimensions of human health and the intersections between the ecological and social dimensions of health The thirteen case study chapters collectively present results from Africa Asia Latin America the United States Australia and global cities Section one interrogates the utility of several theoretical frameworks and conventions for understanding health within complex social and ecological systems Section two concentrates upon empirically grounded and quantitative work that collectively redefines health in a more expansive way that extends beyond the absence of disease Section three examines the role of the state and management interventions through historically rich approaches centering on both disease and non disease related examples from Latin America Eastern Africa and the United States Finally Section four highlights how health vulnerabilities are differentially constructed with concomitant impacts for disease management and policy interventions This timely volume advances knowledge on health environment interactions disease vulnerabilities global development and political ecology It offers theoretical and methodological contributions which will be a valuable resource for researchers and practitioners in geography public health biology anthropology sociology and ecology
