Peaceful Neighbor Michael Long,2015-03-13 Fred Rogers was one of the most radical pacifists

of contemporary history We do not usually think of him as radical partly because he wore colorful soft sweaters made by his mother Nor do we usually imagine him as a pacifist that adjective seems way too political to describe the host of a children's program known for its focus on feelings We have restricted Fred Rogers to the realm of entertainment children and feelings and we've ripped him out of his political and religious context Rogers was an ordained Presbyterian minister and although he rarely shared his religious convictions on his program he fervently believed in a God who accepts us as we are and who desires a world marked by peace and wholeness With this progressive spirituality as his inspiration Rogers used his children's program as a platform for sharing countercultural beliefs about caring nonviolently for one another animals and the earth To critics who dared call him namby pamby Rogers said Only people who take the time to see our work can begin to understand the depth of it This is the invitation of Peaceful Neighbor to see and understand Rogers's convictions and their expression through his program Mister Rogers Neighborhood it turns out is far from sappy sentimental and shallow it's a sharp political response to a civil and political society poised to kill

A Simple, Life-Changing Prayer Jim Manney, 2011-01-01 In A Simple Life Changing Prayer Jim Manney introduces Christians to a 500 year old form of prayer that dramatically altered his perception of prayer and the way he prayed The prayer is the examen which St Ignatius Loyola developed for the purpose of nurturing a reflective habit of mind that is constantly attuned to God's presence What makes the prayer so powerful is its capacity to dispel any notion that God is somewhere up there detached from our day to day tasks and concerns Instead the examen leads us into a relationship with a God who desires to be personally caught up in the lives of those whom he created By following five simple yet powerful steps for praying the examen we can encounter the God who as Scripture tells us is not far from
