The Journalist in the Making, 1925

Poland's Journalists Jane Leftwich Curry, 1990-02-22 Originally published in 1990 Polish Journalists Professionalism and Politics is a study of how in the face of constant political instructions and restrictions Polish journalists act as independent forces in their society

The Kidnapping of Journalists Robert G. Picard, Hannah Storm, 2016-03-22 The vulnerability of journalists to kidnappings was starkly illustrated by the killing of James Foley and Steven Sotloff by Islamic militants in 2014 Their murder underscored the risks taken by journalists and news organisations trying to cover developments in dangerous regions of the world and has forced news enterprises to more clearly prepare for and confront issues of safety This book explores the complex organisational issues surrounding the capture or kidnapping of journalists in areas of conflict and risk It explores how journalists becoming news is covered and the

implications of that coverage how news organisations prepare for and respond to such events and how kidnapping and ransom insurers victim recovery firms journalists families and governments influence the actions of news enterprises It considers how and why journalists are kidnapped how employers and journalists organisations respond to kidnappings and why freelancers are particularly at risk as well as suggesting best practices for preventing and responding to kidnappings

The Global Journalist in the 21st Century David H. Weaver, Lars Willnat, 2020-10-25 The Global Journalist in the 21st Century systematically assesses the demographics education socialization professional attitudes and working conditions of journalists in various countries around the world This book updates the original Global Journalist 1998 volume with new data adding more than a dozen countries and provides material on comparative research about journalists that will be useful to those interested in doing their own studies The editors put together this collection working under the assumption that journalists backgrounds working conditions and ideas are related to what is reported and how it is covered in the various news media round the world in spite of societal and organizational constraints and that this news coverage matters in terms of world public opinion and policies Outstanding features include Coverage of 33 nations located around the globe based on recent surveys conducted among representative samples of local journalists Comprehensive analyses by well known media scholars from each country A section on comparative studies of journalists An appendix with a collection of survey questions used in various nations to question journalists As the most comprehensive and reliable source on journalists around the world The Global Journalist will serve as the primary source for evaluating the state of journalism As such it promises to become a standard reference among journalism media and communication students and researchers around the world

Journalist Safety and Self-Censorship Anna Grøndahl Larsen, Ingrid Fadnes, Roy Krøvel, 2020-07-08 This book explores the relationship between the safety of journalists and self censorship practices around the world including local case studies and regional and international perspectives Bringing together scholars and practitioners from around the globe Journalist Safety and Self Censorship provides new and updated insights into patterns of self censorship and free speech focusing on a variety of factors that affect these issues including surveillance legislation threats violent conflict gender related stereotypes digitisation and social media The contributions examine topics such as trauma risk and self censorship among journalists in different regions of the world including Central America Estonia Turkey Uganda and Pakistan The book also provides conceptual clarity to the notion of journalist self censorship and explores the question of how self censorship may be studied empirically Combining both theoretical and practical knowledge this collection serves as a much needed resource for any academic student of journalism practicing journalist or NGO working on issues of journalism safety free speech and censorship

Journalism Ethics Goes to the Movies Howard Good, 2008 Journalism Ethics Goes to the Movies poses urgent questions about journalism ethics and offers candid answers As the title suggests the authors some of the nation s leading journalism scholars investigate popular movies to illustrate the kind of ethical dilemmas journalists

Rationalist

Bias in Communication Theory Shedletsky, Leonard, 2021-06-04 While communication theory has not recognized the implications of the social intuitionist model psychologists have gathered an impressive body of evidence to support the theory In social cognition research there was the idea that human inferential processes are conscious rational logical and accurate and this belief continues somewhat in the behavioral sciences although there is evidence that it is incorrect A fresh examination is needed on just how these inferences by the receiver and the implications by the sender carried out at high speed impact our understanding of the communication process Simply put until now the default case in communication theory is the belief that we consciously reason and then we act However that may not be entirely true Rationalist Bias in Communication Theory applies social intuition theory to human communication This book explores how research has missed accounting for a critical fact about human communication in the theories of communication namely that we as humans can respond to one another and to all kinds of stimuli faster than we can deliberate By applying intuitive cognition to communication a new light can be shed on the communication process which is what the chapters prove and discuss This book is valuable for social scientists practitioners researchers academicians and students interested in new theories in communication theory

[The Handbook of Journalism Studies](#) Karin Wahl-Jorgensen, Thomas Hanitzsch, 2009-01-13 This Handbook charts the growing area of journalism studies exploring the current state of theory and setting an agenda for future research in an international context The volume is structured around theoretical and empirical approaches and covers scholarship on news production and organizations news content journalism and society and journalism in a global context Emphasizing comparative and global perspectives each chapter explores Key elements thinkers and texts Historical context Current state of the art Methodological issues Merits and advantages of the approach area of studies Limitations and critical issues of the approach area of studies Directions for future research Offering broad international coverage from top tier contributors this volume ranks among the first publications to serve as a comprehensive resource addressing theory and scholarship in journalism studies As such the Handbook of Journalism Studies is a must have resource for scholars and graduate students working in journalism media studies and communication around the globe

[Journalists and Confidential Sources](#) Joseph M Fernandez, 2020-11-23 Journalists and Confidential Sources explores the fraught and widespread reliance by journalists on anonymous sources whistleblowers and others to whom they owe an obligation of confidentiality It examines the difficulties afflicting such relationships analyses the deteriorating right to know and freedom of expression frameworks and explores solutions and reforms The book discusses key Australian and international source protection ethics rules statutes court cases law enforcement actions and case studies It highlights weakness in journalists professional practice codes governing confidentiality obligations discusses inadequate journalistic appreciation of the importance of establishing clear terms and conditions underpinning confidentiality obligations and identifies shortcomings in the law governing source protection The book argues that despite source protection being widely recognised as an important ideal source protection is

under sustained assault thereby undermining public access to information and democracy itself The work focusses on Australia but takes into account source protection in the United Kingdom the United States Canada and New Zealand This timely contribution to the global discussion on the subject will greatly interest journalists scholars educators and students especially in the areas of media law and policy journalism media and communication studies and public relations the legal fraternity and anyone who communicates with journalists Newsworkers Henrik Ørnebring, 2017-11-30 The last decade has seen a transformation of the journalism industry This book compares a range of European countries looking at how journalistic work has been affected by the changes to journalism institutions Drawing on extensive new research it provides unique insights into current journalistic practice **Impact of Globalization on the Local Press in China** Shixin Ivy Zhang, 2014-04-02 Impact of Globalization on the Local Press in China investigates Chinese news production and content as well as the main factors that have caused significant changes to Chinese newspapers over the past three decades By conducting an in depth study of a particular leading newspaper group in China Beijing Youth Daily Zhang identifies and analyzes essential changes in press structure news organization and the role of journalists thus revealing the relations between the global and local external and internal influences the Party state and the media and the media and the market This is the first comprehensive study of news making at both macro and micro levels in China It provides up to date empirical data analysis on the operation and practices of transforming Chinese newspapers offers a tool to form clarify and refine concepts on media globalization and journalism in developing countries like China and serves as a reference point for policy makers media practitioners academics and students who engage in journalism studies Chinese studies media management and globalization studies *Journalism Cultures in Sierra Leone* Sarah Bomkapre Koroma, 2023-06-07 This book provides novel insights into the perspectives of journalists in Sierra Leone and on their work by examining their perceived journalistic values and the influences that shape them It treats journalism as an occupational identity and as a community that works on the foundation of the sub Saharan African philosophies that exalts communal values in every sphere of life When journalists speak about their social function in society and values they are sharing both their individual knowledge and experiences on their work Therefore journalistic values are never isolated ideologies but exist within the contexts in which they practice In this book Sarah Bomkapre Koroma examines the perceptions of journalists on the societal influences that impact their work ranging from individual procedural organizational political economic and many more Questions explored include What journalism cultures exist in Sierra Leone What effects do societal factors have on these journalistic cultures How do journalists in Sierra Leone describe their roles What epistemological underpinnings do they consider during practice What ethical considerations do the journalists share **Digital Journalism and the Facilitation of Hate** Gregory P. Perreault, 2022-12-19 Digital Journalism and the Facilitation of Hate explores the process by which digital journalists manage the coverage of hate speech and hate groups and considers how digital journalists can best avoid having their work used to

lend legitimacy to hate Leaning on more than 200 interviews with digital journalists over the past three years this book first lays the foundation by discussing the essential values held by digital journalists including how they define journalism what values they consider essential to the field and how they practice their trade Perreault considers the problem of defining hate and hate groups by the media acknowledging journalism's role in perpetuating hate through its continued ideological coverage of marginalized groups Case studies including the January 6 U S Capitol siege the GamerGate controversy and the Unite the Right rally in Charlottesville help to elaborate on this problem and illustrate potential solutions Digital Journalism and the Facilitation of Hate draws attention to the tactics of white nationalists in leveraging digital journalism and suggests ways in which digital journalists can more effectively manage their reporting on hate Offering a valuable empirical insight into the relationship between digital journalism and hate this book will be of interest to students scholars and professionals of social and digital media sociology and journalism *Advanced Reporting* Mr. Rohit Manglik,2024-03-14 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels Journalism and Safety Kristin Skare Orgeret,Oscar Westlund,Roy Krøvel,2024-11-25 This book presents selected international research on journalism and safety with a focus on digital threats against journalists and their professional practices It offers an overview of ongoing developments in the field of journalism and safety from diverse regions around the world From various theoretical conceptual and empirical perspectives the chapters address the escalating global concern of pervasive phenomena such as cyber surveillance orchestrated attacks trolling and online harassment and underscore the precariousness of journalists work in various geographical locations A section of the book examines the safety conditions of female journalists focusing on their responses to gendered online attacks and hate speech whereas another section analyses and discusses institutional and cultural responses to journalists safety The chapters draw on data from diverse geo cultural regions globally and collectively the volume provides a comprehensive overview of recent research on digital threats to journalists safety and responses to some of the challenges Additionally it presents valuable concepts for further scholarly reflection on these issues The second of two volumes this book will be a key resource for scholars practitioners and researchers of journalism media and cultural studies communication studies and sociology The chapters in the book were originally published in Digital Journalism Journalism Studies and Journalism Practice *Audience Research Methodologies* Geoffroy Patriarche,Helena Bilandzic,Jakob Linde Jensen,Jelena Jurišić,2013-07-31 The transformations of people's relations to media content technologies and institutions raise new methodological challenges and opportunities for audience research This edited volume aims at contributing to the development of the repertoire of methods and methodologies for audience research by reviewing and exemplifying approaches that have been stimulated by the changing conditions and practices of audiences The
