Moving Home Ramona R. Freedman, 2004 **English in Australia**, 2000 **The Gentler Legacy Book Two** Adon Hudson, 2025-08-04 It is the end of 1963 and the country is mourning the loss of their president John F Kennedy As the Cold War progresses the rising tide of the Vietnam conflict is becoming a growing fear in the United States but what of the other reaches of the world There are two secret factions residing in Europe fighting in the shadows Formed in the aftermath of World War II one has the intent of world order as the other pledges to protect the world from tyrannical rule Ben Gentler continues his venture with the Verde Van chasing the cult responsible for the past wars in Europe into the jungles of the Congo The world of spies blurs in a twisted tale of good and evil and nothing is ever as it seems *The Early Reader in Children's Literature and Culture* Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children's texts that have been translated and sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe *The Complete Guide to Australian Shepherds* Kirsten Tardiff, 2019-12-06 Written by respected Aussie breeder Kirsten Tardiff of Echolight Australian Shepherds this book truly is a Complete Guide in which even the most experienced Aussie owner will learn something new The Australian Shepherd is an intelligent energetic enthusiastic breed that was developed in the American west to herd livestock for farmers and ranchers Today while some still work on farms as their ancestors once did others are a force to be reckoned with in competitive dog sports and are valued as loyal family companions Affectionately called Aussies by their devotees this breed can seem over the top to some potential owners but those that lead an active lifestyle and enjoy training their dog will find an apt companion and willing pupil in an

Aussie Their intelligence and willingness to please their owner is unmatched This breed is typically reserved with strangers and makes a good watch dog In this book you will discover the history and unique characteristics of the Australian Shepherd as well as how to choose a reputable breeder or rescue and where to find them Use this guide to prepare your home for a new addition navigate through your first day together and train them to be a wonderful companion Explore chapters on nutrition grooming healthcare and more to give your Aussie the very best quality of life Chapter topics include Choosing an Australian Shepherd Preparing Your Home for Your Australian Shepherd Bringing Home Your Australian Shepherd Housetraining Socializing with People and Animals Physical and Mental Exercise Training Your Australian Shepherd Basic Obedience Commands Dealing with Unwanted Behaviors Traveling with Your Australian Shepherd Nutrition Grooming Your Australian Shepherd Australian Shepherd Healthcare Senior Dog Care Whether you are new to the breed or are fortunate enough to have been loved by an Australian Shepherd before this book will be your guide to everything Aussie Oz - A Hitchhiker's Australian Anthology Jonathan Nicholas, 2014-07-28 At the age of 22 Jonathan Nicholas spent a year travelling in Australia He lived for the first few weeks in a sleeping bag underneath a stranger's stairs He ran out of money very quickly and took a job selling paintings in the evenings and spent his days surfing at Bondi Beach He then moved on to a cockroach infested tenement in North Bondi sharing with some rather outgoing girls before escaping north to Queensland This was just the beginning In Brisbane he lived near The Gabba Cricket Ground with a gay New Zealander whose brother was a drug dealer on the nearby Gold Coast He spent the next few months quite detached from reality as his visa expired and he missed his flight home He packed his rucksack and hitchhiked north a thousand miles to tropical Townsville and then west into central Queensland Jonathan often stood for hours in the searing heat waiting to catch the next lift across the many miles of hot dusty outback From Darwin to Katherine onto Alice Springs and through the red centre of Australia Jonathan successfully hitchhiked across the sun baked wilderness He lived on baked beans straight from a can and spent most days alone Jonathan has now converted his detailed diary from his extraordinary time Down Under into a deeply honest often sad yet sometimes hilarious account The book includes original maps photographs sketches and poetry penned by the author which helps to convey how truly life changing his year in Australia was Oz A Hitchhiker's Australian Anthology is a detailed account of Jonathan Nicholas's experiences as he explored the wonders of Australia This brilliantly written book will appeal to readers who have an interest in travelling and those fascinated by Australia's culture and landscape Jonathan Nicholas has been inspired by the writing of Sir Dirk Bogarde **Coach & Motor Body Builder for Australia and New Zealand**, 1920

Sky Time in Gray's River Robert Michael Pyle, 2012-09-24 Much the way Donald Hall's *Seasons at Eagle Pond* captured New England *Sky Time in Gray's River* captures the essence of the rural Northwest Although Robert Michael Pyle is a lepidopterist and southwestern Washington is notable for its lack of butterflies something about the village of Gray's River spoke to him on a visit thirty years ago Ever since then he has lived in the village which was one of the first to be established

near the mouth of the Columbia River and which still feels only tenuously connected to the twenty first century Sky Time brings Gray s River to life by compressing those thirty years into twelve chapters following the lives of its people birds butterflies and cats month by month through the seasons In showing how the village has changed his life Pyle illustrates how a special place can change anyone lucky enough to find it and highlights what is being lost in a world of accelerating speed mobility and sameness Above all Sky Time tells us that you dont have to travel far to see something new every day if you know how to look
