Dictionary Of Atheism Skepticism & Humanism Bill Cooke, 2009-12-30 In the tradition of Voltaire's Philosophical Dictionary Ambrose Bierce's Devil's Dictionary and Joseph McCabe's Rationalist Encyclopedia this accessible dictionary addresses the contemporary need for a reference book that succinctly summarizes the key concepts current terminology and major contributions of influential thinkers broadly associated with atheism skepticism and humanism In the preface author Bill Cooke notes that his work is intended for freethinkers in the broadest sense of the word people who like to think for themselves and not according to the preplanned routes set by others This dictionary will serve as a guide for all those people striving to lead fulfilling morally responsible lives without religious belief Readers are offered a wide range of concepts from ancient well known notions such as God free will and evil to new concepts such as eupraxsophy Also included are current buzzwords that have some bearing on the freethought worldview such as metrosexual The names of many people whose lives or work reflect freethought principles form a major portion of the entries Finally a humanist calendar is included on which events of interest to freethinkers are noted This unique accessible and highly informative work will be a welcome addition to the libraries of open minded people of all philosophic persuasions

Utopias and Dystopias in the Fiction of H. G. Wells and William Morris Emelyne Godfrey, 2016-12-08 This book is about the fiercely contrasting visions of two of the nineteenth century's greatest utopian writers A wide ranging interdisciplinary study it emphasizes that space is a key factor in utopian fiction often a barometer of mankind's successful relationship with nature or an indicator of danger Emerging and critically acclaimed scholars consider the legacy of two great utopian writers exploring their use of space and time in the creation of sites in which contemporary social concerns are investigated and reordered A variety of locations is featured including Morris's quasi fourteenth century London the lush and corrupted island a routed and massacred English countryside the high rises of the future and the vertiginous landscape of another Earth beyond the stars
