

"A stern reproach to the major actors of 1861 for the war they unleashed
on the nation." — NELSON D. LANKEFORD, author of *RICHMOND BURNING*

Mr. Lincoln Goes to War

WILLIAM MARVEL

Mr Lincoln Goes To War

Charles Anderson Dana

Mr Lincoln Goes To War:

Mr. Lincoln Goes to War William Marvel, 2006-05-10 An account of how America's greatest crisis began by the Civil War's master historical detective Stephen W. Sears, author of *Chancellorsville*. This groundbreaking book investigates the mystery of how the Civil War began, reconsidering the big question: Was it inevitable? The award-winning author of *Andersonville* and *Lincoln's Autocrat* vividly recreates President Abraham Lincoln's first year in office, from his inauguration through the rising crisis of secession and the first several months of the war. Drawing on original sources and examining previously overlooked factors, he leads the reader inexorably to the conclusion that Lincoln not only missed opportunities to avoid war but actually fanned the flames and often acted unconstitutionally in prosecuting the war once it had begun. With a keen eye for the telling detail on the battlefield as well as in the White House, this is revisionist history at its best, not sparing anyone, even Abraham Lincoln. A brilliant narrative that reveals the possibilities of the past that were squandered by historical figures who seem so unassailable and godlike to us today. Peter S. Carmichael, author of *The Last Generation*, the most provocative account of events in 1861 in a generation. Readers who think they understand the Civil War's first year and the roles played by Abraham Lincoln, Nathaniel Lyon, Charles Stone, and a host of others should brace themselves for a bold new perspective. A Wilson Greene, author of *Breaking the Backbone of the Rebellion*. **Lincoln's Darkest Year** William Marvel, 2008 Discusses Lincoln's presidency from the perspective of the second year of the Civil War, examining the actions of Lincoln and other military and political leaders as well as the hardships faced by ordinary citizens and public opposition to the war.

Renegotiation of War Contracts United States. Congress. House. Committee on Ways and Means, 1943 *The Memoirs of the Civil War Commanders* Raphael Semmes, Abraham Lincoln, Jefferson Davis, William Sherman, Ulysses Grant, 2023-12-10 *The Memoirs of the Civil War Commanders* is a rich tapestry of personal narratives that captures the tumultuous period of the American Civil War through diverse perspectives. The anthology weaves together a range of literary styles, from the reflective and introspective to the commanding and strategic, providing a multifaceted view of one of history's most pivotal conflicts. The collection holds a dynamic tension between the deeply human experiences of the war and the broader socio-political reverberations it caused, featuring standout accounts that highlight not only the battles fought on the field but also the ideological struggles that defined the era. The authors contributing to this volume, such as Raphael Semmes, Abraham Lincoln, Jefferson Davis, William Sherman, and Ulysses Grant, were seminal figures whose lives were intricately tied to the Civil War's progression and outcome. These narratives reveal the authors' profound engagement with the principles and ideals they fought for, offering invaluable insights into both Union and Confederate viewpoints. The anthology pays homage to the diverse voices galvanized by the war, aligning with the historical momentum that emphasized reconstruction, reconciliation, and understanding. Readers seeking to immerse themselves in *The Memoirs of the Civil War Commanders* are invited to explore this collection for its historical significance and the opportunity to engage with a compendium of firsthand experiences. The

anthology not only serves as an educational cornerstone but also as a catalyst for dialogue across perspectives. It uniquely captures a moment of intense division and eventual unity, encouraging readers to reflect on the legacy of the Civil War through the voices of those who lived it.

LINCOLN - Complete 7 Volume Edition: Biographies, Speeches and Debates, Civil War Telegrams, Letters, Presidential Orders & Proclamations Theodore Roosevelt, Abraham Lincoln, Carl Schurz, Francis F. Browne, Joseph Choate, 2024-01-16

The LINCOLN Complete 7 Volume Edition stands as a monumental literary undertaking that unravels the depths of Abraham Lincoln's life and legacy. This meticulously curated collection captures the essence of Lincoln's indomitable spirit through a weaving of various literary styles, from the concise precision of telegrams and proclamations to the eloquent mastery of speeches and debates. Reflecting on the gravitas of a pivotal era in American history, the anthology encapsulates the multifaceted themes of justice, perseverance, and human dignity. The diversity of these works invites readers into an expansive exploration of Lincoln's pivotal role in shaping the American national identity. The collection gathers the efforts of notable authors and thinkers, including Theodore Roosevelt and Carl Schurz, alongside scholars like Francis F. Browne and Joseph Choate, each bringing a unique perspective to the volumes. These contributors, influenced by the historical and cultural milieu of their times, amplify the anthology's significance by offering insights rooted in the broader narrative of American progress and reform. This convergence of voices provides a profound lens through which readers can grasp the breadth of Lincoln's influence, anchored in the struggles and triumphs of the nation's past. This comprehensive edition offers readers an unprecedented opportunity to immerse themselves in the depth and complexity of Lincoln's thoughts and leadership. Ideal for history enthusiasts, scholars, and anyone with a keen interest in America's formative years, the collection promises a rich educational journey. Engaging with these volumes not only enriches one's understanding of Lincoln but also fosters an appreciation for the varied interpretations and reflections on a leader whose ideas continue to resonate across generations.

The Collected Memoirs of the Civil War Leaders Raphael Semmes, Abraham Lincoln, Jefferson Davis, William Sherman, Ulysses Grant, 2022-11-13

The Collected Memoirs of the Civil War Leaders offers an unprecedented exploration of the American Civil War as experienced through the eyes of its pivotal figures. This anthology weaves a tapestry of narratives that capture the tumultuous era through an array of literary styles, from poignant personal reflections to strategic military analyses. Each piece resonates with the overarching themes of leadership, conflict, and reconstruction, immersing the reader in the complex socio-political landscape of 19th-century America. The contributors to this anthology—Raphael Semmes, Abraham Lincoln, Jefferson Davis, William Sherman, and Ulysses Grant—represent a spectrum of perspectives from the Civil War. Semmes, a naval officer of the Confederacy, contrasts sharply with Lincoln's kaleidoscopic view as the Union President navigating the nation through secession and emancipation. Davis offers insight into Confederate struggles, while Sherman and Grant provide unique military perspectives from their vantages in the Union army. Together, their memoirs encapsulate the multifaceted nature of the Civil War and reflect broader historical and

cultural movements making this collection a quintessential resource for understanding the time Readers are invited to delve into this compilation for the unparalleled opportunity it provides to navigate the diverse perspectives of Civil War leaders The collection not only serves to educate but also to foster a rich dialogue between disparate experiences and viewpoints Its breadth offers comprehensive insights into the challenges and aspirations of the era making it an essential read for anyone seeking a deeper understanding of American history through the eyes of those who shaped it

Inside the White House in War Times William Osborn Stoddard,2000-01-01 Of the three secretaries who assisted President Abraham Lincoln John G Nicolay John Hay and William O Stoddard only Stoddard wrote an extended memoir about his time in the Executive Mansion First published in 1890 the book vividly depicts the president s agonizing reaction to the defeats at Fredericksburg and Chancellorsville the difficulties encountered and presented by Mary Lincoln the president s relations with George B McClellan and other generals and the anxiety preceding the Merrimack s epic battle with the Monitor In 1866 Stoddard also penned thirteen White House Sketches about his time in Lincoln s service Originally published in an obscure New York newspaper these essays never previously collected supplement Stoddard s memoir Together the memoir and sketches provide an intimate look at the sixteenth president during a time of crisis

Elusive Victories Andrew J. Polsky,2012-05-30 On April 4 1864 Abraham Lincoln made a shocking admission about his presidency during the Civil War I claim not to have controlled events he wrote in a letter but confess plainly that events have controlled me Lincoln s words carry an invaluable lesson for wartime presidents writes Andrew J Polsky in this seminal book As Polsky shows when commanders in chief do try to control wartime events more often than not they fail utterly In *Elusive Victories* Polsky provides a fascinating study of six wartime presidents drawing larger lessons about the limits of the power of the White House during armed conflict He examines in turn Lincoln Woodrow Wilson Franklin D Roosevelt Lyndon Johnson Richard Nixon George W Bush and Barack Obama showing how each gravely overestimated his power as commander in chief In each case these presidents resources did not match the key challenges that recur from war to war Both Lincoln and Johnson intervened in military operations giving orders to specific units yet both struggled with the rising unpopularity of their conflicts Both Wilson and Bush entered hostilities with idealistic agendas for the aftermath yet found themselves helpless to enact them With insight and clarity Polsky identifies overarching issues that will inform current and future policymakers The single most important dynamic he writes is the erosion of a president s freedom of action Each decision propels him down a path from which he cannot turn back When George W Bush rejected the idea of invading Iraq with 400 000 troops he could not send such a force two years later as the insurgency spread In the final chapter Polsky examines Barack Obama s options in light of these conclusions and considers how the experiences of the past might inform the world we face now *Elusive Victories* is the first book to provide a comprehensive account of presidential leadership during wartime highlighting the key dangers that presidents have ignored at their peril

[The Great Conspiracy \(Civil War Classics\)](#) John Alexander Logan,2015-01-20 To commemorate the 150th

Anniversary of the end of the Civil War Diversion Books is publishing seminal works of the era stories told by the men and women who led who fought and who lived in an America that had come apart at the seams The events leading up to the Civil War reveal a country divided by more than just a belief in or revulsion of slavery It reveals a country still forming even as it fissures and breaks apart It reveals an industrial north and an agricultural south evolving into enemies even as they mutually benefit one another It reveals politicians playing to their bases riling up young men especially to take up arms against their fellow countrymen This astonishing historical work chronicles all this and more exploring the fractious ideologies and the most important figures who led the country into its bloodiest conflict

Facts and Falsehoods Concerning the War on the South, 1861-1865 George Edmonds, 2018-03-12 Elizabeth Avery Meriwether was the author of many books giving accurate and vivid descriptions of historical incidents of importance in the South Her plots were widely regarded as skillfully conceived and developed told with remarkable vigor and true pictures of conditions that were passing away making her books important additions to the literature of old Southern life Facts and Falsehoods Concerning the War of the South of 1861 and 1865 which she wrote under the pen name George Edmonds and first published in 1904 was considered by Meriwether herself to be the most valuable book that she ever wrote or could write because in it she told the truth about historical events This little work is offered It does not aspire to the dignity of History It is mostly a collection of facts under one cover which I trust will prove of use to the future historians of the South Perhaps the fittest title to this work would be A Protest Against Injustice the injustice of misrepresentation of false charges of lies The feeling of injustice certainly inspired the idea of this work The greater number of the facts herein laid before the reader were not drawn from Southern or Democratic sources but from high Republican authorities Part first of this work presents Abraham Lincoln to the people of this generation as his contemporaries saw and knew him The characteristics portrayed will be a revelation to many readers

Inside Lincoln's White House in War Times (Annotated) William O. Stoddard, 2013-10-08 A unique work on the years of the Lincoln presidency that provides a look at White House life that is fascinating in detail and intimate in its viewpoint William O Stoddard was one of three private secretaries to Abraham Lincoln during the Civil War His view back to his youth in the White House from decades later is full of humor pathos and abiding affection for the man who he observed closely through the war Wrote Stoddard of Lincoln There is a world of natural majesty in this man s manner and presence Stoddard was able to contrast Lincoln with McClellan on several occasions including an evening at McClellan s home with Lincoln Despite the general s superior education Stoddard clearly sees Lincoln s wisdom and his iron will when he has made a decision The secretaries around Lincoln keenly felt the horrible tension of the war years and its impact on their boss Stoddard felt the staff to be like a family and his affection for Lincoln is evident throughout his book One night finds Stoddard still at his desk until 3 00 am hearing Lincoln s slow heavy footfalls across the hall as he paces and ponders a crushing decision Like all Lincoln biographers Stoddard emphasizes the importance of humor in keeping Lincoln sane and he shares

wonderful stories not to be found in other works on Lincoln Share a delightful scene of Lincoln crossing the hall to his secretaries office to hear a joke by Nicolay and Hay Stoddard gets a roar out of Lincoln by telling him a story of Seward and Stanton being ordered by a German American sergeant to put out their cigars before entering the White House grounds He describes an evening at Joe Hall s the gambling house that sat among other gaming establishments taverns and bordellos between the White House and the Capitol Judges congressmen soldiers contractors and lobbyists could all be found playing faro and other games of chance on any given night A morning on the Capitol Mall finds Lincoln and his secretaries test firing new weapons While he watches his nation bleeding terribly and spending oceans of money Stoddard seems to miss no detail of life around him He more than once notes that the White House is an oven in the summertime For less than you d spend on gas going to the library this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample

A Civil War Treasury of Tales, Legends and Folklore Benjamin Albert Botkin,2000-01-01 Stories of bravery humor and faith reflect the emotions and attitudes of freedmen women deserters patriots and resisters towards the war as well as their opinions of Abraham Lincoln Robert E Lee and Stonewall Jackson

American Civil War James R. Hedtke,2018-08-17 This book debunks popular myths and misconceptions about the American Civil War through primary source documents and shows how misinformation can become so widespread The American Civil War deeply divided the nation and was a pivotal point in American history The acrimony and bitterness of this four year struggle coupled with its importance to the fabric of American life has resulted in the development and perpetuation of many myths about the conflict This work separates myth from reality The author examines 10 popular myths about the war each of which is examined in terms of its origins and how it became ensconced in the American memory It uses primary sources to explain the evolution of the myths and to inform the reader about what really happened providing a unique quality to this work Moreover the book not only explains the flaws in the myth but encourages the reader to further investigate each of the topics

Abraham Lincoln Carl Sandburg,2007 Presents the life of the Civil War president detailing his childhood his education career as a lawyer and legislator his marriage political campaigns presidential years and assassination

Recollections of the Civil War Charles Anderson Dana,2022-11-13 In *Recollections of the Civil War* Charles Anderson Dana provides a compelling first hand account of the tumultuous period in American history Written in a vivid and detailed narrative style Dana s memoir transcends the typical war chronicle by combining personal reflections with keen observations of the political and social climate during the Civil War His prose captures the raw emotions and complex realities faced by soldiers and civilians alike while also offering insight into the military strategies and leadership decisions that shaped the outcome of the conflict Charles Anderson Dana was a journalist and civil servant deeply embedded in the events of his time Serving as the assistant secretary of war under Edwin M Stanton Dana had unique access to both the battlefield and Washington s political corridors His experiences not only inform his

writing but also provide a nuanced understanding of the intersections between war governance and media in 19th century America making his perspectives particularly valuable for historians and general readers alike This book is highly recommended for anyone interested in a comprehensive personal narrative of the Civil War Dana s articulate reflections will resonate with not only history enthusiasts but also those seeking a deeper understanding of the complexities of human experience during one of America s most defining eras

Abraham Lincoln's Religion Stephen J. Vicchio,2018-03-23 This work is a summary and analysis of Abraham Lincoln s religion This study begins with a description of the earliest relations Mr Lincoln had with religion his parents dedication to a sect known as the Separate Baptists By late adolescence Lincoln began to reject his parents faith and he appears to have been a religious skeptic until his marriage to Mary Todd After his marriage he attended Protestant services with his wife and family but there was little evidence that he was deeply religious in that time Lincoln knew the Scriptures quite well but it was not until the death of his two sons Eddie in 1850 and Willie in 1862 that as the sixteenth president put it He became more intensely concerned with God s Plan for human kind

Civil War Chicago Theodore J. Karamanski,Eileen M. McMahon,2014-07-01 The American Civil War was a crucial event in the development of Chicago as the metropolis of the heartland Not only did Chicagoans play an important role in the politics of the conflict encouraging emancipation and promoting a hard war policy against Southern civilians but they supported the troops materially through production of military supplies and foodstuffs as well as morally and spiritually through patriotic publications and songs The Civil War transformed Chicago from a mere commercial center to an industrial power as well as the nation s railroad hub and busiest port The war also divided Chicago however between Lincoln supporters and Copperheads whites and blacks workers and owners natives and newcomers The city played a key role in elevating Abraham Lincoln to the Republican presidential nomination in 1860 yet only four years later a Chicago politician s influence was key in declaring the war a failure and promoting a platform of peace with the Confederacy Using seldom seen or newly uncovered sources this book tells the story of the Civil War through the eyes of those who lived that history Photographs throughout the book effectively convey the geography of events in this pivotal period of Chicago s history and the editors have provided a useful driving guide to Civil War sites in and around the city

The Great Conspiracy: Its Origin and History (Illustrated Edition) John Alexander Logan,2019-07-05 Madison Adams Press presents the Civil War Memories Series This meticulous selection of the firsthand accounts memoirs and diaries is specially comprised for Civil War enthusiasts and all people curious about the personal accounts and true life stories of the unknown soldiers the well known commanders politicians nurses and civilians amidst the war The Great Conspiracy Its Origin and History is a memoir work by a general in the Union Army John Alexander Logan In his book Logan sought to demonstrate that secession and the Civil War were the result of a long contemplated conspiracy to which various Southern politicians had been party since the Nullification Crisis

Missouri's War Silvana R. Siddali,2014-08-25 Civil War Missouri stood at the crossroads of America As the most Southern

leaning state in the Middle West Missouri faced a unique dilemma The state formed the gateway between east and west as well as one of the borders between the two contending armies Moreover because Missouri was the only slave state in the Great Interior the conflicts that were tearing the nation apart were also starkly evident within the state Deep divisions between Southern and Union supporters as well as guerrilla violence on the western border created a terrible situation for civilians who lived through the attacks of bushwhackers and Jayhawkers The documents collected in Missouri s War reveal what factors motivated Missourians to remain loyal to the Union or to fight for the Confederacy how they coped with their internal divisions and conflicts and how they experienced the end of slavery in the state Private letters diary entries song lyrics official Union and Confederate army reports newspaper editorials and sermons illuminate the war within and across Missouri s borders Missouri s War also highlights the experience of free and enslaved African Americans before the war as enlisted Union soldiers and in their effort to gain rights after the end of the war Although the collection focuses primarily on the war years several documents highlight both the national sectional conflict that led to the outbreak of violence and the effort to reunite the conflicting forces in Missouri after the war The Great Conspiracy John Alexander Logan,2019-12-18

The Great Conspiracy Its Origin and History is a memoir work by a general in the Union Army John Alexander Logan In his book Logan sought to demonstrate that secession and the Civil War were the result of a long contemplated conspiracy to which various Southern politicians had been party since the Nullification Crisis
