Whisper Down the Lane Clay McLeod Chapman,2021-04-06 A diabolically creepy hybrid of horror and psychological suspense that thrills as much as it unsettles Riley Sager New York Times best selling author of *Home Before Dark* A pulse pounding true crime based horror novel inspired by the *McMartin* preschool trial and *Satanic Panic* of the 80s Richard doesn't have a past For him there is only the present a new marriage a first chance at fatherhood and a quiet life as an art teacher in Virginia Then the body of a ritualistically murdered rabbit appears on his school's playground along with a birthday card for him But Richard hasn't celebrated his birthday since he was known as Sean In the 1980s Sean was five years old when his mother unwittingly led him to tell a lie about his teacher When school administrators cops and therapists questioned him he told another And another And another Each was more outlandish than the last and fueled a moral panic that engulfed the nation and destroyed the lives of everyone around him Now thirty years later someone is here to tell Richard that they know what Sean did But who would even know that these two are one and the same *Whisper Down the Lane* is a tense and compulsively readable exploration of a world primed by paranoia to believe the unbelievable *Study and Investigation of Housing* United States.
