Laughter at the margins of texts which often coincides with laughter from the margins of society and its orthodoxies is one of the special concerns of this book This goes together with an interest in impure forms of laughter in laughter that is not the serene and intellectually or emotionally distanced response to a comic stimulus which is at the heart of many philosophical theories of the comic but emotionally disturbed and troubled aggressive and transgressive satanic and sardonic laughter We do not ask then what is comic but who laughs at and with whom where when why and how **Mrs. Dane's Defense** Henry Arthur Jones, 2008-10-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The Drama** Evanston Public Library, 1909 Bulletin of the Public Library of the City of Boston , 1908 *Bulletin of the Public Library of the City of Boston* Boston Public Library, 1908 *The Cast* , 1901 *Library Leaflet* Public Library of Cincinnati and Hamilton County, 1908 **Library Leaflet** , 1909 **The Publisher** , 1905 Springfield City Library Bulletin Springfield City Library Association (Springfield, Mass.), 1905 **Bulletin of the New York Public Library** New York Public Library, 1905 Includes its Report 1896 19 **The Annual American Catalog, 1900-1909** , 1906 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* , 1905
