## **Murder In The Garden:**

*Murder in the Garden* Jennie Melville, 1927      **Summer Garden Murder** Ann Ripley, 2012-06-06 The star of public television's top garden show Louise Eldridge is something of a celebrity. But when a dead body is planted in her backyard she's in for notoriety of a different kind. Summer is the season for disquiet in Louise's Sylvan Valley cul-de-sac and the tradition continues when an uninvited guest crashes a neighborhood soiree. Five years ago Louise identified Peter Hoffman as the mulch murderer. Now he's been released from a Virginia state mental institution. Leaving the party doesn't put enough distance between Louise and Hoffman, who has a thing or two to say to her and actually has the nerve to follow her home to air his grievances. Shaken by the incident, Louise and family decide to take a little R. Hilde, an apprentice gardener with something to hide, and Hoffman's own widow, whose relationship with her husband wasn't exactly a bed of roses. But before Louise can make any serious headway, another murder victim turns up felled by a garden claw covered in Louise's fingerprints. Now, with more than just her television career in jeopardy, Louise will have to dig up some serious clues to bring a killer to light before another person winds up as fertilizer.

*The Garden Club Murder* Amy Patricia Meade, 2019 Literary chef Tish Tarragon is preparing her English Secret Garden themed luncheon for Coletton Creek's annual garden club awards, but two days before the event one of the competitors is found dead in his pristine garden. After hearing that he was the favorite to win the top prize this year, Tish can't help being drawn into the investigation.

**Death in an English Garden** Sara Rosett, 2016-12-23      **Bodies in the Back Garden - True Stories of Brutal Murders Close to Home** Nigel Cawthorne, 2014-08-07 There is one problem which every killer must face: how to get rid of the body. Murderer Dennis Nilsen famously cooked the corpses of his victims and flushed them down the toilet, only to be caught when the sewers blocked up. But his first 12 victims were disposed of in the back garden of his previous home. Fred and Rosemary West buried the bodies of three of their victims in the back garden. Milwaukee cannibal Jeffrey Dahmer began his murderous career scattering human remains in the backyard of his parents' home in Bath, Ohio. Convicted killer Peter Tobin went back on trial after two more bodies were found in the back garden of his former home. And grisly granny Dorothea Puente murdered lodgers at her boarding house in Sacramento, California, dispatching them to the backyard while continuing to cash their Social Security checks. This book explores these and many other cases that suggest that whatever the motive for murder, the back garden is a convenient place to dump the corpse.

*A Murder on the Garden Tour* Neal H. Sanders, 2020-02-03 Frieda Woodley is the kind of new member clubs dread: someone who sows discord and sets members against one another. Two months ago she nominated herself to become the next president of the Hardington Garden Club. Now she's dead. Did she trip and fall down a steep ravine, or was she pushed by someone who was on the garden tour with her? Detective John Flynn and Hardington Garden Club president Liz Phillips set out to discover the truth, only to quickly learn Frieda Woodley did not exist until two years ago. And Frieda was blackmailing club members to ensure their support in her quest to be the club's next president.

What was her true identity and why would she hide in a Boston suburb Was she at the center of a scandal that rocked state government two years earlier and did her actions ruin hundreds or even thousands of lives Is there still an unspoken spark between Liz Phillips and Detective Flynn They will both need to confront the events that have changed their lives in the eight months since they last worked together A Murder on the Garden Tour is the newest installment in a series that includes A Murder in the Garden Club and A Murder at the Flower Show **Murder in the Secret Garden** Ellery Adams,2016-08-02 Things really go to seed in the newest novel in the New York Times bestselling Book Retreat mysteries There is a hidden garden bordering the grounds of Jane Steward s book themed resort a garden filled with beautiful but deadly plants such as mandrake and nightshade Tucked away behind ivy covered walls and accessible only through a single locked door as described in the pages of Frances Hodges Burnett s classic novel the garden is of special interest to Jane s current group of guests The Medieval Herbalists But when one of them turns up dead Jane must discover whether a member of the group has come to Storyton Hall to celebrate their passion for plant lore or to implement a particularly cruel means for murder With thousands of books at her disposal Jane believes she has the proper materials to solve this deadly problem If she s wrong however she may lose something far more precious than the contents of Storyton s secret library ***Murder in the Garden*** Lyla Blue,2025-07-03 Welcome to Silver Pines where every heirloom has a history and some end in murder When a brutal crime rocks her mountain town furniture restorer Clare Garner must untangle the secrets between two exes both suspects before the truth is buried for good **The Garden Club Murders** Amy Patricia Meade,2019-07-01 Tish Tarragon s preparations for Coleton Creek s annual garden club awards luncheon are threatened when one of the prime contenders is murdered Literary caterer Letitia Tish Tarragon is preparing her English Secret Garden themed luncheon for Coleton Creek s annual garden club awards but when she is taken on a tour of some of the top contenders with the garden club s president Jim Ainsley Tish is surprised at how seriously the residents take the awards and how desperate they are to win Wealthy retired businessman Sloane Shackelford has won the coveted best garden category five years in a row but he and his Bichon Frise Biscuit are universally despised When Sloane s bludgeoned body is discovered in his pristine garden Tish soon learns that he was disliked for reasons that go beyond his green fingers Have the hotly contested awards brought out a competitive and murderous streak in one of the residents **Gardening Can Be Murder** Marta McDowell,2023-09-05 This fun engrossing book takes a look at the surprising influence that gardens and gardening have had on mystery novels and their authors With their deadly plants razor sharp shears shady corners and ready made burial sites gardens make an ideal scene for the perfect murder But the outsize influence that gardens and gardening have had on the mystery genre has been underappreciated Now Marta McDowell a writer and gardener with a near encyclopedic knowledge of the genre illuminates the many ways in which our greatest mystery writers from Edgar Allen Poe to authors on today s bestseller lists have found inspiration in the sinister side of gardens From the cozy to the hardboiled the literary to the pulp and the classic to the
