The Gift Delmar C. Sanders, 2003-12-07 Delmar Sanders MD has chronicled his life story in a poignant and magnificent manner. Two Lives in Uncertain Times Wilma Iggers, Georg Iggers, 2006-10
Published in Association with the German Historical Institute Washington D C. Wilma and Georg Iggers came from different backgrounds. Wilma from a Jewish farming family from the German speaking border area of Czechoslovakia. Georg from a Jewish business family from Hamburg. They both escaped with their parents from Nazi persecution to North America where they met as students. As a newly married couple, they went to the American South where they taught in two historic Black colleges and were involved in the civil rights movement. In 1961 they began going to West Germany regularly, not only to do research but also to further reconciliation between Jews and Germans while at the same time in their scholarly work contributing to a critical confrontation with the German past. After overcoming first apprehensions, they soon felt G ttingen to be their second home while maintaining their close involvements in America. After 1966 they frequently visited East Germany and Czechoslovakia in an attempt to build bridges in the midst of the Cold War. The book relates their very different experiences of childhood and adolescence and then their lives together over almost six decades during which they endeavored to combine their roles as parents and scholars with their social and political engagements. In many ways, this is not merely a dual biography but a history of changing conditions in America and Central Europe during turbulent times.

Changing Security Policies in Postwar Japan Sase Masamori, 2017-11-01 This book is the English translation of a recent biography of Sakata Michita, one of Japan's leading yet unassuming politicians in the postwar era who was even considered a serious contender for the premiership. While he did not become prime minister himself, he did serve as Justice Minister, Education Minister, Welfare Minister, Defense Minister, and Speaker of the House of Representatives. What's more, he served an incredible seventeen uninterrupted terms as a member of the Lower House from 1946-1990, one of the longest in Japanese history. Sakata was appointed Director General of the Japan Defense Agency, i.e. Minister of Defense, in December 1974 during a challenging time in U.S.-Japan relations in the wake of the resignations of U.S. President Richard M. Nixon and Japanese Prime Minister Tanaka Kakuei for separate scandals. As Japan's only ally, the relationship with the United States was crucial for the latter country, and it was up to Sakata to manage alliance relations during this period. He was not a security expert yet used his political experience, studious nature, sincerity, and likeability among his staff, subordinates, colleagues, and personnel to make a lasting impression on his nation's forces and on Japan's alliance partner. He succeeded in developing the first ever National Defense Program Outline and the Basic Defense Force Concept among other initiatives during the crisis-filled 1970s. Furthermore, he developed a close policy dialogue with the United States which eventually led to the original U.S.

Japan Guidelines for Defense Cooperation He did all this despite being a novice in defense matters Furthermore he is the longest consecutive serving defense minister in Japanese history taking highly principled stances during his time **The Essential Guide to Becoming a Doctor** Adrian Blundell, Richard Harrison, Benjamin W.
