Myths Lies Maple Leafs:

Like Everyone Else but Different Morton Weinfeld, 2018-03-21 Liberal democratic societies with diverse populations generally offer minorities two usually contradictory objectives the first is equal integration and participation the second is an opportunity within limits to retain their culture Yet Canadian Jews are successfully integrated into all domains of Canadian life while at the same time they also seem able to retain their distinct identities by blending traditional religious values and rituals with contemporary cultural options Like Everyone Else but Different illustrates how Canadian Jews have created a space within Canada's multicultural environment that paradoxically overcomes the potential dangers of assimilation and diversity At the same time this comprehensive and data driven study documents and interprets new trends and challenges including rising rates of intermarriage newer progressive religious options finding equal space for women and LGBTQ Jews tensions between non Orthodox and Orthodox Jews and new forms of real and perceived anti-Semitism often related to Israel or Zionism on campus and elsewhere The striking feature of the Canadian Jewish community is its diversity While this diversity can lead to cases of internal conflict it also offers opportunities for adaptation and survival Seventeen years after its first publication this new edition of Like Everyone Else but Different provides definitive updates that blend research studies survey and census data newspaper accounts and articles and the author's personal observations and experiences to provide an informative provocative and fascinating account of Jewish life and multiculturalism in contemporary Canada **New World Myth** Marie Vautier, 1998-01-06 There is an emphasis on de constructing de centring de stabilizing and especially de mythologizing in the study that illustrates New World myth narrators questioning the past in the present and carrying out their original investigations of myth place and identity Underlining the fact that political realities are encoded in the language and narrative of the works Vautier argues that the reworkings of literary religious and historical myths and political ideologies in these novels are grounded in their shared situation of being in and of the New World **Blood Never Lies 2**, *The Wonder Garden* Frances Jenkins Olcott, 1919 *A History of Antisemitism in Canada* Ira Robinson, 2015-10-16 This state of the art account gives readers the tools to understand why antisemitism is such a controversial subject It acquaints readers with the ambiguities inherent in the historical relationship between Jews and Christians and shows these ambiguities in play in the unfolding relationship between Jews and Canadians of other religions and ethnicities It examines present relationships in light of history and considers particularly the influence of antisemitism on the social religious and political history of the Canadian Jewish community A History of Antisemitism in Canada builds on the foundation of numerous studies on antisemitism in general and on antisemitism in Canada in particular as well as on the growing body of scholarship in Canadian Jewish studies It attempts to understand the impact of antisemitism on Canada as a whole and is the first comprehensive account of antisemitism and its effect on the Jewish community of Canada The book will be valuable to students and scholars not only of Canadian Jewish studies and Canadian ethnic studies but of Canadian history **Slippery**

Carroll, 2010-01-01 In 1957 Lester Pearson won the Nobel Peace Prize for creating the United Nations Emergency Force during the Suez crisis The award launched Canada s enthusiasm and reputation for peacekeeping Pearson s Peacekeepers explores the reality behind the rhetoric by offering a detailed account of the UNEF s decade long effort to keep peace along the Egyptian Israeli border While the operation was a tremendous achievement the UNEF also encountered formidable challenges and problems This nuanced account of Canada s participation in the UNEF challenges perceived notions of Canadian identity and history and will help Canadians to accurately evaluate international peacekeeping efforts today *Colorado School Journal*, 1903 *Books Out Loud*, 2007
