The American Revolution Daniel Marston,2023-07-20 Updated and revised from the popular 2002 edition with full colour maps and new images throughout this is a concise study of the American Revolutionary War The American Revolution or the American War of Independence has been characterized politically as a united political uprising of the American colonies and militarily as a guerrilla campaign of colonists against the inflexible British military establishment In this book Daniel Marston argues that this belief though widespread is a misconception He contends that the American Revolution in reality created deep political divisions in the population of the Thirteen Colonies while militarily pitting veterans of the Seven Years War against one another in a conflict that combined guerrilla tactics and classic 18th century campaign techniques on both sides The peace treaty of 1783 that brought an end to the war marked the formal beginning of the United States of America as an independent political entity With revisions from the author and 50 new images this illustrated overview of the American Revolution provides an important reference resource for the academic or student reader as well as those with a general interest in the period

A Dictionary of Books Relating to America, from Its Discovery to the Present Time ,1873 **A dictionary of books relating to America, from its discovery to the present time.** Joseph Sabin,2021-10-27 Reprint of the original first published in 1873

Historical Dictionary of the American Revolution Terry M. Mays,2019-02-08 The American Revolution pitted 13 loosely united colonies in a military political and economic struggle against Great Britain the mother country and arguably the most powerful state in the world during the late 18th century The independent spirit that led many individuals to leave homes in Europe and settle in the New World during the 17th and 18th centuries evolved into the drive that persuaded these same settlers and their descendants to challenge the colonial economic and taxation policies of Great Britain which lead to the armed conflict that resulted in a declaration of independence This third edition of Historical Dictionary of the American Revolution contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on the politics battles weaponry and major personalities of the war This book is an excellent resource for students researchers and anyone wanting to know more about the American Revolution

Writings on American History, 1962-73 ,1985 This book provides a comprehensive listing of the book length works published from 1962 to 1973 that are relevant to the study of American history and is organized into a subject classification system This

bibliography gives access to over 50 000 works on the history the geography and the political social and economic aspects of the United States its people its government and its institutions The entries cover the entire area now within the United States or under its jurisdiction ranging from prehistoric times to 1973 Introd **The American Revolution 1775-1783** Richard L. Blanco,2020-12-06 This definitive encyclopedia originally published in 1983 and now available as an ebook for the first time covers the American Revolution comes in two volumes and contains 865 entries on the war for American independence Included are essays ranging from 250 to 25 000 words on major and minor battles and biographies of military men partisan leaders loyalist figures and war heroes as well as strong coverage of political and diplomatic themes The contributors present their summaries within the context of late 20th Century historiography about the American Revolution Every entry has been written by a subject specialist and is accompanied by a bibliography to aid further research Extensively illustrated with maps the volumes also contain a chronology of events glossary and substantial index **The Best Books for Academic Libraries: History of the Americas** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers *Library of Congress Catalog* Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards **Library of Congress Catalogs** Library of Congress,1981
 Bibliographic Guide to North American History ,1986
