 - “Christ Jesus, who died, yes, who was raised from the dead, who is at the right hand of God, who indeed intercedes for us, is present in many ways to his Church: in his word, in his Church’s prayer, where two or three are gathered in my name, in the poor, the sick, and the imprisoned, in the sacraments of which he is the author, in the sacrifice of the Mass, and in the person of the minister. But he is present...most especially in the Eucharistic species” (CCC 1373).

The Practice of the Presence of God Brother Lawrence, 2023-11-15 This devotional classic is a compilation of Brother Lawrence s letters and recorded conversations from the seventeenth century Brother Lawrence was a simple French Carmelite lay brother who was able to achieve profound intimacy with God through the most mundane activities He taught that the highest communion with God is not reserved for extraordinary moments but permeates the very core of our most ordinary days He spent much of his time in the kitchen of a Paris monastery He learned that our daily activities and thoughts could be acts of worship engaging in opportunities to practice the presence of God by thinking about and loving God Also included is Brother Lawrence s *Spiritual Maxims* a collection of aphorisms and sayings that summarize his teachings This timeless spiritual treasure has illuminated the hearts of many who yearn for the awe inspiring knowledge of the divine presence in a hectic modern world Features a foreword by Matthew Fox author of *Sheer Joy* *The Presence of Christ in the Holy Eucharist* Edward Bouverie Pusey, 1871 **Christ's presence in the Gospel history** Hugh Martin, 1860

The Fruit of Christ's Presence Harry Lee Poe, 1990 Harry L Poe explores the meaning of the Fruit of the Spirit as described by Paul in Galatians book back cover **The Body of Jesus** Patrick Schreiner, 2016-07-14 Little attention is usually given to the space or place of the kingdom Yet Matthew employs the distinctive phrase kingdom of heaven and also portrays Jesus as Immanuel God with us In this volume Patrick Schreiner argues that by expanding one s view of space one can see that Jesus purpose is to reorder the space of the earth in Matthew as the heavenly king Jesus pierces the barrier between the two realms in his incarnation and the spaces of heaven and earth begin to collide in his ministry Therefore in Matthew Jesus does not just promise a temporal or ethereal kingdom but one that is located one that has a sense of rootedness Jesus is granted authority over this space and inspires people to follow him in this construction project The spatial kingdom begins in his body and he extends it to his church by promising his presence **The Person of Christ and His**

Presence in the Lord's Supper Jeremiah Zimmerman,1919 **The Identity of Jesus Christ** Hans W. Frei,1997-09 In this seminal work Frei considers the concepts of Jesus identity and presence maintaining that the logic of Christian faith requires that we begin with identity not presence Drawing on Ryles philosophy Frei argues that a person is primarily what they say or do Hence theologians should not look for Jesus essence by looking past the stories but must look to the stories themselves

Christ's presence in the Gospel History Hugh MARTIN (of Edinburgh.),1860 **Sharing in God's Presence** Roy D. Kindelberger,2018-10-05 Sharing in God s Presence means far more than getting saved and experiencing God s blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God s nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his presence in our lives But the truth couldn t be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6 17 This book is an invitation to share in God s presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that s involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author s academic work God s Absence and the Charismatic Presence **The Christian Sacraments of Initiation**

Kenan B. Osborne,1987 A contemporary theology of these three sacraments surveying their historical development their theology today and liturgical and pastoral implications **Bored Again Catholic** Timothy P. O'Malley,2017-01-30 Are you BORED Not likely given the endless opportunities today to see share post watch and like So are you bored No way Except maybe at Mass We want the Mass to entertain make us laugh give us foot tapping music and sound bite theology and get it done in under an hour Yet every Sunday many of us tune out Author Tim O Malley in a series of reflections on every part of the Mass challenges us to turn the idea of boredom on its head calling boredom the good boredom that opens us to the quiet interior space where we can encounter God a sweet gift It is there that full participation in the Mass becomes possible the potential to be transfixed by a ritual to contemplate the readings to savor the Eucharist To be fruitfully bored again Become a Bored Again Catholic and rediscover the power of the Mass to change your life and the entire world ABOUT THE AUTHOR

Presence ,1922 **The Anointing and the Presence** Dag Heward-Mills,2015 The presence of God is precious The presence of God is important the presence of God is essential to our lives and we must desire it with all our hearts We cannot in any way limit how essential the presence of God is to our walk with Him We ought to be in pursuit of the presence of God

always To have an anointed presence with you is to have the Holy Presence of God in your life May your heart be stirred up to yearn for the precious presence of God as you read this phenomenal volume by Dag Heward Mills **The Jubilee of Work for Young Men in North America** YMCA of the USA.,1901 *The Real Presence of Jesus Christ in the Sacrament of the Eucharist* Catholic Church. United States Conference of Catholic Bishops,2001 *The Theological Intentions of Mark's Literary Devices* Dean B. Deppe,2015-10-22 What sets *The Theological Intentions of Mark's Literary Devices* apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day **Walk with Jesus Christ, the Truth II' 2008 Ed. (maturing in Jesus Christ)** , *The Tabernacled Presence of God* Susan Booth,2015-09-18 Although a large majority of believers agree that they should share their faith most report that they in fact do not That's not really all that surprising given today's pluralistic cultural setting But maybe this same culture's longing for transcendence community and a place to call home points to a backstory that makes sense of it all If such a narrative exists it deserves a hearing and those who know and live this story have both the responsibility and privilege of sharing its message of hope The narrative of the Bible tells just such a story where God's purpose from the beginning has been to dwell or tabernacle in the midst of the people he has created This book traces the theme of God's tabernacled presence across Scripture reading the story afresh through a missional lens in order to gain insights for mission and gospel witness The hope is that readers will awaken wide eyed to the wonder of God's tabernacled presence in our midst that we will live in such a way that others recognize this reality and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit **God's Absence and the Charismatic Presence** Roy D. Kindelberger,2017-05-17 The author's theological inquiry is intended to raise questions of interpretation within the camp of openness theology and to direct a discussion on the implications of this movement for the charismatic Pentecostal community Open theism or openness theology affirms that the universe is open the future is not settled God is essentially relational love and the risks of love and the threats against it are real The author digs deep into this area of doctrine in order to question how far openness theology is willing to go Is it only the future that is open to God or are there perhaps unknown aspects to the past and present as well What does God know about sin and when does he know it Is it possible for God to be totally absent from a person's life or even from an entire nation If God can be absent can he also be exceptionally present in the lives of believers What would the divine presence and the charismata spiritual ministries look like in an open universe
