*Beyond the Bounds* John Piper,Justin Taylor,Paul Kjos Helseth,2003-01-30 Everyone who believes in God at all believes that He knows what you and I

are going to do tomorrow C S Lewis This understanding of God s foreknowledge has united the church for twenty centuries But advocates of open theism are presenting a different vision of God and a different view of the future The rise of open theism within evangelicalism has raised a host of questions Was classical theism decisively tainted by Greek philosophy How should we understand passages that tell us that God repents Are essentials of biblical Christianity like the inerrancy of Scripture the trustworthiness of God and the Gospel of Christ at stake in this debate Where when and why should we draw new boundaries and is open theism beyond them Beyond the Bounds brings together a respected team of scholars to examine the latest literature address these questions and give guidance to the church in this time of controversy Contributors include John Piper Wayne Grudem Michael S Horton Bruce A Ware Mark R Talbot A B Caneday Stephen J Wellum Justin Taylor Paul Kjoss Helseth Chad Brand William C Davis Russell Fuller We have prepared this book to address the issue of boundaries and we pray bring some remedy to the present and impending pain of embracing open theism as a legitimate Christian vision of God As a pastor who longs to be biblical and God centered and Christ exalting and eternally helpful to my people I see open theism as theologically ruinous dishonoring to God belittling to Christ and pastorally hurtful My prayer is that Christian leaders will come to see it this way and thus love the church by counting open theism beyond the bounds of orthodox Christian teaching From the Foreword by John Piper

God is generally gracious toward us but not when it comes to our motherhood In Real Life Christian Motherhood Cas seeks to show how God s grace and Christ s cross perfectly destroy the lies of mom guilt and mom shame while exposing the difference between them perfectionism in motherhood the tendency to carry our families entirely on our shoulders and how you are never allowed a break a breakdown or a weak moment as a Christian mother Cas s biblically anchored and no nonsense reasoning encourages us to shift our perspective away from these common motherhood fallacies so we can begin to view our motherhood the way God does as a lovingly difficult challenge meant to deepen our love for Him change us and in so doing set us free
