Ramtha Or An Introduction:

Ramtha: Or an Introduction Ramtha (the enlightened one (Spirit)),1987-09 **Ramtha** Ramtha (the enlightened one (Spirit)),1988 *A Beginner's Guide to Creating Reality* Ramtha,Ramtha (the enlightened one (Spirit)),2000 This original teaching of Ramtha discusses the following subjects Consciousness and Energy Create the Nature of Reality origins of the Self Energy the Handmaiden of consciousness Effects of the Teachings on the Student of the Great Work Kundalini Energy and the Seven Seals *New Age Religion and Western Culture* Wouter J. Hanegraaff,2018-09-24 Recent years have seen a spectacular rise of the New Age movement and an ever increasing interest in its beliefs and manifestations This fascinating work presents the first ever comprehensive analysis of New Age Religion and its historical backgrounds thus providing the reader with a means of orientation in the bewildering variety of the movement Making extensive use of primary sources the author thematically analyses New Age beliefs from the perspective of the study of religions While looking at the historical backgrounds of the movement he convincingly argues that its foundations were laid by so called western esoteric traditions during the Renaissance Hanegraaff finally shows how the modern New Age movement emerged from the increasing secularization of those esoteric traditions during the 19th century This ground breaking publication is compulsive reading for all those involved or interested in the New Age movement *Cults and New Religions* Douglas E. Cowan,David G. Bromley,2015-04-27 This unparalleled introduction to cults and new religious movements has been completely up dated and expanded to reflect the latest developments each chapter reviews the origins leaders beliefs rituals and practices of a NRM highlighting the specific controversies surrounding each group A fully updated revised and expanded edition of an unparalleled introduction to cults and new religious movements Profiles a number of the most visible significant and controversial new religious movements presenting each group s history doctrines rituals leadership and organization Offers a discussion of the major controversies in which new religious movements have been involved using each profiled group to illustrate the nature of one of those controversies Covers debates including what constitutes an authentic religion the validity of claims of brainwashing techniques the implications of experimentation with unconventional sexual practices and the deeply rooted cultural fears that cults engender New sections include methods of studying new religions in each chapter as well as presentations on groups to watch *Modern Day Shapeshifting* Rhonda McFarland,2016-07-11 A powerful and thought provoking read on how to transform ourselves from our baggage laden past and shift into the perfect part of ourselves our souls This step by step book marries a relationship between modern psychology and modern spirituality It addresses powerful topics necessary to deliberately direct life experiences to achieve healthy and favorable outcomes It includes learning life manifestation skills from both a psychological and soulful point of view It gives the individual the knowledge and guidance to stay on course while consciously directing their lifes journey This is the manual needed for individuals struggling physically emotionally and mentally to create healthy focus and direction It is a practical guide for

individuals to access their innate and individual wisdom It teaches you the Art of Shapeshifting and how consciousness creates the nature of reality It gives you effective strategies to design more of what you desire in life It also helps you create a personal mapping system that keeps you on course If you do the exercises and follow the advice your life will change

Channeling Joel Bjorling, 2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult **Routledge Library Editions: Spiritualism** Various, 2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology **Extraordinary Encounters** Jerome Clark, 2000-12-15 Here is the first A Z encyclopedia to explore the convictions held by many in the modern day world that extraterrestrials angels fairy folk and other dimensional intelligences regularly interact with human beings Extraordinary Encounters An Encyclopedia of Extraterrestrials and Otherworldly Beings is the first ever illustrated A Z encyclopedia to explore these fascinating modern day beliefs personalities beings and events Among the beings you ll meet in its pages are Abraham a collection of highly evolved entities that speak in one voice Metatron the divine interface between God and the Outer Worlds and sometime Old Testament angel and The Planetary Council whose members include Jove Merlin Quetzalcoatl and Lao Tzu [The A to Z of New Age Movements](#) Michael York, 2009-06-17 The decline of institutionalized religion in the increasingly secularized West has been offset by the contemporary spiritual development understood in the form of emerging New Age movements This reference presents the potpourri of spiritual and psycho physical therapeutic practices associated with this affirmation of the individual s spiritual freedom the expectation of a future golden age the emphasis on self development and the holistic

pluralism that sets the dominant pulse for innovative spirituality in the twenty first century The A to Z of New Age Movements furnishes profiles and explanations of New Age spokespeople and leaders of a range of human potential and self help practices of countercultural spiritual developments and of different groups and organizations that identify as New Age The dictionary consists of over 240 individual entries along with an introduction that describes the historical foundations of the New Age orientation and its relation with contemporary Western paganism It also presents the sociological dimension of New Age expression as well as the kinds of criticism with which the New Age identity must contend There is both a New Age Chronology and a bibliography also included

Consulting Spirits Joel Bjorling,1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide Bjorling presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to the respective topic as well as a listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia

The Orb Project Klaus Heinemann,Miceal Ledwith,2007-11-06 After literally stumbling into orbs appearing as bright as light bulbs in photographs he was taking at a spiritual retreat Dr Klaus Heinemann immediately sensed that he was onto something profound There was no choice but to convince himself that his notion was on solid grounds Heinemann looked at thousands of pictures he had taken earlier and thousands more would be taken to test the hypothesis that these light circles are nothing less than emanations from Spirit beings Dr Miceal Ledwith had a similar experience after the orb phenomenon was first made known to him through the teachings of Ramtha He began an intense and systematic study of orbs in all sort of situations day and night and in all sorts of atmospheric conditions in order to discover all he could about their nature the situations in which their presence could be most easily detected and what implications they might have for our understanding of our own place in the cosmos To date he has amassed a collection of well over 100 000 images In The Orb Project Ledwith and Heinemann present their fascinating discoveries along with practical tips that amateur digital photographers can use to photograph orbs and properly distinguish them from false orbs that are really dust or water particles They offer guidelines on deciphering the orbs various patterns features and characteristics based on their extensive research As Dr Ledwith points out once you develop a keen and sustained interest in photographing spirit entities some quite interesting things begin to happen the brain stops censoring these images and you can begin to see with orbs with the naked eye in more color and detail than is visible to even a digital camera Ledwith and Heinemann also explore communication with orbs and what their existence means to our lives The implications of a realization that we are surrounded by a cloud of witnesses are enormous and incredibly hopeful for the world at large

Dreaming the Future Clifford A. Pickover,2001-03 For countless generations people of every culture have practiced a

broad range of dramatic and sometimes frightening techniques to peer into the future In this fascinating book acclaimed author Clifford Pickover presents a nearly exhaustive list of fortune telling techniques from the ominous practice of human sacrifice to reading clues on the Internet Pickover not only explores a vast and colorful array of methods of prediction including dreaming he also evaluates the accuracy of some of the most astonishing prophecies made throughout history Just how accurate were such famous soothsayers as Nostradamus the Delphic Oracle Edgar Cayce the children of Fatima whose third vision has only recently been revealed and dozens more This book takes us one step further by exploring our own inner psyches Why does looking into the future provide a source of solace in a world filled with uncertainty disease and chance And why do the most noted prognosticators so often warn of natural catastrophes of biblical proportions such as earthquakes and floods that will signal the end of the world Through insight and wit Pickover will unlock the door of your imagination with engrossing mysteries intriguing illustrations and even modern patents and computer techniques Also included is a range of practical experiments and recipes from Stone Age to New Age Prepare yourself for a strange but captivating ride

Historical Dictionary of New Age Movements Michael York, 2004 The Historical Dictionary of New Age Movements examines various New Age concepts spokespeople and leaders a range of human potential and self help practices countercultural spiritual developments and different groups and organizations that identify themselves as New Age without judging or categorizing them More than 240 entries make this dictionary a valuable resource for students practitioners and serious academics BOOK JACKET **The New Religious Movements Experience in America** Eugene V.

Gallagher, 2004-10-30 Wherever and whenever they appear new religious movements always produce conflict Even as they attract members who enthusiastically embrace their innovative teachings new religions often provoke strongly negative reactions often because they challenge established notions of proper religious action belief and morality Opponents of new religious movements often brand them as cults and urge their fellow citizens their own religions and even the government to take action against what they see as suspicious and potentially dangerous movements the members often complain that their motives have been misconstrued and argue that their groups are unfairly persecuted The New Religious Movements Experience in America outlines the conflict between representatives of the status quo and new religions and examines how these groups appear both to their members and to their cultural opponents This work is ideal for anyone students parents and teachers who wish to gain a deeper understanding of new religious movements in America New religions have always been part of the American religious landscape and this book moves beyond the contemporary period to discuss examples of new religions that have originated survived or died and sometimes prospered throughout U S history Among the groups discussed are the Mormons the Peoples Temple the Branch Davidians Spiritualism Theosophy the Church Universal and Triumphant the International Society for Krishna Consciousness the followers of Bhagwan Shree Rajneesh Soka Gakkai the Nation of Islam Wiccans and neo Pagans the Church of Satan the Church of Scientology Heaven s Gate and the Raelians The

New Religious Movements Experience in America includes a glossary and a list of resources for those interested in doing further research on the experience of the followers of new religions **The Utne Reader** ,1987 **The New March. Fireside Series, Vol. 4, No. 3** , Nelson's Illustrated Guide to Religions James A. Beverley,2009-05-17 A comprehensive introduction to the religions of the world analyzed from a Christian perspective Nelson s Illustrated Guide to Religions covers more than 200 religions sects and cults most of them ones the reader might encounter on any given day It is the most complete and up to date Christian guide to world religions Perfect for the student as well as the layperson Written by leading expert in religions James A Beverley **The Givers of Life the Return of Christ** T. D. Persons,2014-07-15 In one hundred mini chapters The Givers of Life The Return of Christ reveals a trifold message of inspiration Volume One contains a wealth of values prayers and principle standards coming from the heartland of Ohio and travels in and out of this world Volume Two brings everyone into a soul filled journey unto the Door of the Great Work participating in a 7 year mystery school as an initiate in the Evergreen state Volume Three 32 by TEO The Enlightenment Of the Far Reaching Finale the Bizarre the Fantastic the Mystical and the Miraculous Celebrating Christmas Enjoy these fantastic inspiring stories to uplift One for the Road is in hope to know the readers Top 100 spirit rich stories as well A remarkable read for all ages that you will remember forever *Divine Hierarchies* Sean McCloud,2009-01-05 Placing the neglected issue of class back into the study and understanding of religion Sean McCloud reconsiders the meaning of class in today s world More than a status grounded in material conditions says McCloud class is also an identity rhetorically and symbolically made and unmade through representations It entails relationships identifications boundaries meanings power and our most ingrained habits of mind and body He demonstrates that employing class as an analytical tool that cuts across variables such as creed race ethnicity and gender can illuminate American religious life in unprecedented ways Through social theory historical analysis and ethnography McCloud makes an interdisciplinary argument for reinserting class into the study of religion First he offers a new three part conception of class for use in studying religion He then presents a focused cultural history of religious studies by examining how social class surfaced in twentieth century theories of religious affiliation He concludes with historical and ethnographic case studies of religion and class *Divine Hierarchies* makes a convincing case for the past and present importance of class in American religious thought practice and scholarship
