High Peak of the Divine Revelation continues with chapters 6 through 9 of God's New Testament Economy which are in volume 3 of The Collected Works of Witness Lee 1984 These chapters cover the Son's sending of the Spirit and the Son's ascension and the baptism in the Spirit *Heavenly Rewards* Simms Mulozi,2016-11-15 Simms Mulozi weaves a tapestry of Scripture to write a message of hope regarding the end times His message dispels the fear which is often a hallmark of end time teaching He connects the rewards of heaven with how believers live everyday in the present Simms shows the church's destiny relates more to what we do for Christ than the Antichrist **End Times Made Easy** Joseph Morris,2022-06-21 75 Signs of Jesus Soon Return As the world grows more volatile with looming wars rampant pandemics and violence in the streets many people are wondering Is the end near YES But it's wonderful news Jesus is coming soon Sure there is plenty of bad news on the horizon but not for the Christian Jesus's **The Royal Readers** ,1889 **The Ascension of the Messiah in Lukan Christology** Arie W. Zwiep,2014-04-09 Building on the form critical assessment of the Lukan ascension story LK 24 50 53 Acts 1 1 12 as a rapture story and motivated by the consideration that the monotheistic principle almost inevitably must have led to a reestimate of the meaning and function of rapture in comparison with heathen rapture stories immortalisation and deification the present study seeks to investigate the Lukan ascension story in the light of the first century Jewish rapture traditions Enoch Elijah Moses Baruch Ezra etc The author argues that first century Judaism provides a more plausible horizon of understanding for the ascension story than the Graeco Roman rapture tradition and that Luke develops his rapture christology not as a reinterpretation of the primitive exaltation kerygma G Lohfink but as a response to the eschatological question i e the delay of the parousia so as to secure the unity of salvation history *Buddhism in Dialogue with Contemporary Societies* Carola Roloff,Wolfram Weiße,Michael Zimmermann,2020 The growing pluralization of religion and culture in Europe means that we encounter an increasing number of Buddhist immigrants as well as Western converts Against this background in June 2018 the Academy of World Religions and the Numata Center for Buddhist Studies at the University of Hamburg Germany invited scholars of Theravāda East Asian and Tibetan Buddhism The questions discussed referred to Does Buddhism matter today What can it contribute Must Buddhism adapt to the modern world How can Buddhism adapt to a non Asia context When Buddhism travels what must be preserved if Buddhism is to remain Buddhism The contributions in this volume show not only that Buddhism matters in the West but that it already has its strong impact on our societies Therefore universities in Europe should include Buddhist theories and techniques in their curricula

Is the 7 Blessings Available to Believers How to be a Genuine Overcomer 7 Promises Available to All Overcomers Sign of Christ's Coming and much much more **Jesus' Final Warning** Dr. David Jeremiah, 2010-08-02 In the confusion of voices at the turn of the millennium Christians need to hear one voice above all others the voice of Jesus Christ Based on the Olivet Discourse in the book of Matthew Jesus Final Warning offers perspective and timely insights from the Lord Jesus to comfort encourage and challenge His Church in these stressful distracting times **Revelation: A Mid-Tribulation View** Tan Geok Hock, 2014-09-28 Many readers acknowledge difficulty in understanding the book of Revelation Some avoid it altogether Part of the problem may be a tendency among interpreters to use prophecies from other parts of the bible especially the Old Testament to dictate how we should read Revelation This commentary treats Revelation as a self contained and internally consistent work More emphasis is placed on the natural reading of the text than on similar words and images from other sources Context and structure take priority over theological presuppositions about the end time The result is a pleasant surprise It becomes clear that John organises and develops his thoughts in a systematic way The visions no longer appear so mysterious when read in this light It helps us to sieve through the different interpretive approaches that have contributed to our confusion over this book Whether or not readers agree with its conclusions the hope is that this short commentary will help some to no longer feel intimidated by the book of Revelation but to confidently return to it over and over again to be blessed by its message **The Life-Giving Tree** Clifford Reid, 2021-10-12 The Life Giving Tree book is written in three parts The first part deals with the unique privileges as sons of God Christ has reconciled and recreated us in His flesh Colossians 1 21 22 He has made us one in Him Ephesians 2 16 we are now flesh of His flesh and bone of His bones Ephesians 5 30 When He appears we shall be like Him 1 John 3 2 wow this is exciting Second part deals with the book of Revelation It unfolds the drama of the end of the ages and reveals the spiritual wars that is yet to be fought before the ushering of the kingdom of God Third part deals with some prophetic utterances that was revealed while spending much time in prayer **The Practical Christian Life** Glenn F. Gohson, **The Complete Idiot's Guide to World Religions, 4th Edition** Brandon Toropov, Luke Buckles, 2011-05-03 The updated guide to differences and similarities of faiths around the world In this revised and updated edition of the popular guide to the many faiths followed around the world modern and ancient religions are extensively covered as well as New Thought religions This edition also now features a chapter on Sikhism more coverage of religious extremism in the 21st century a new chapter on the afterlife and additional online resources making it the most up to date volume available Outdoes the competition with more chapters on current and ancient religions Appeals to students theologians and those generally interesting in religions around the world **Faith and Fiction** Anita Gandolfo, 2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown's The Da Vinci Code The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic

of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown s The Da Vinci Code has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But The Da Vinci Code is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the Left Behind series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Faith and Fiction examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available
