Goll, 2012-03-20 Satisfy the hunger in your heart An exciting and insightful journey into the visionary world of *The Seer* The prophetic movements in church history and in contemporary life are fed by two mighty streams the prophet whose revelation is primarily verbal the seer whose revelation is more visionary While the role of the prophet is familiar less is known about *The Seer* dimension To many people these visionary prophets remain mysterious other worldly and even strange Knowledge dispels misunderstanding and you will discover the prophetic power of dreams visions and life under the open heavens Questions answered include How does visionary revelation happen Can it be trusted Where does it fit into your life and today's church Can any believer become a seer Is it a prophetic dimension reserved for the spiritually gifted *The Seer* will move your heart and stir up your hunger for intimacy with God because the seer's goal is to reveal the person of Christ Jesus to you today *Experiencing God in the Supernatural* Jonathan C. Ferguson, 2010-08 A study on the supernatural is very broad therefore it is my goal to help individuals understand the supernatural from a scriptural perspective by defining the prophetic In doing so the reader will embrace the vast biblical extent of man's interactions with God explore various dimensions of the Spirit realm and learn what it means to live under and open heaven In fact this book will cover over 21 ways in which God may choose to interact or communicate with us as believers and much more This is a book of both information and impartation The pages of this book will literally come alive as there have already been testimonies of various God encounters from those who have previously reviewed the writings contained You will not only read this book but you will experience what you read and the things you learn will stir up the gifts that are on the inside of you Get ready to take the limits off of your life Get ready to be accelerated in the prophetic because God is about to blow your natural mind with a supernatural revelation I reiterate that this is not merely a book This is an impartation **The Prophet Ezekiel: An**

Analytical Exposition Arno Clemens Gaebelein, 2021-04-25 Arno Clemens Gaebelein's *The Prophet Ezekiel: An Analytical Exposition* offers a thorough and insightful analysis of one of the most complex prophetic books in the Hebrew Bible. Gaebelein employs a highly analytical style, unpacking the rich symbolism and theological significance embedded within Ezekiel's visions and prophecies. He contextualizes the text within the historical experiences of the exilic community, allowing readers to grasp the social and spiritual dynamics at play. The author intricately weaves literary critique and theological reflection, elucidating the prophet's urgent messages regarding judgment, restoration, and the hope of Israel's future. Arno Clemens Gaebelein, a prominent Biblical scholar and theologian in the early 20th century, was deeply influenced by his evangelical Christian background and a passion for eschatology. His commitment to interpreting scripture within its historical and literary contexts is evident throughout his work, stemming from his theological training and pastoral experiences. Gaebelein's dedication to the prophetic literature reflects his aim to illuminate its relevance for contemporary readers seeking insight into divine justice and mercy. This exposition is highly recommended for theologians, students, and lay readers alike who seek a deeper understanding of Ezekiel's message. Gaebelein's meticulous analysis not only enriches the reader's comprehension of the text but also invites reflection on its implications for modern faith and practice. Delve into this masterful work to discover how the challenges faced by ancient Israel resonate with our own spiritual journeys today.

The Seer James W. Goll, 2005-01-28 The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet whose revelation is primarily verbal and the seer whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension: the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation happen? Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus.

The Open Heaven Christopher Rowland, 2002-08-01 *The Open Heaven* offers a comprehensive discussion of Jewish apocalyptic literature and themes in the Second Temple period and in early Christianity. In it, there is a sustained challenge to the widespread view that apocalypticism is a form of eschatology, and it has been widely recognised as a significant contribution to the discussion of apocalypticism in religion since it was first published twenty years ago. By concentrating on the revelatory character of apocalyptic texts rather than their diverse contents, the author suggests that it is this aspect of the literature which best enables us to understand their distinctive religion. The book offers a sustained argument for the view that apocalyptic literature is primarily about the disclosure of heavenly wisdom, which offers recipients an understanding of life in the present. He also suggests that there may be some evidence to support the view that
