LORD OF LIGHT ROGER ZELAZNY,1976 **Lords of Light** W. E. Butler,1990-12 The last public work of W E Butler before his death in 1978 this series of talks offers a fascinating personal and accessible course of training in the Western Mystery Schools by one of the world s great occultists With humility humor and conviction Butler conveys an extensive knowledge of the occult mysteries including ritual and ceremonial magic the awakening of the kundalini energy and the path of the regeneration of the personality and the relinquishing of false ego through control of one s mental and emotional reactions back cover *Lords of His Majesty* Marcos Christodonte Sr,2008-08-01 This book points to the constant expectation of the manifestation of the Sons of God Be prepared for the great outpouring that will take place in believers all over the world Moreover the authority that will be manifested in you will be the lordship and power of the King of Kings Become A Word Warrior as you get ready for this great transformation by the power and authority of the Lord Jesus Christ From your position of Lordship with Christ you will reign as king in life The whole world will witness the glory on the people of the Most High This demonstration will be the manifestation of the Sons of God It s Christ in you the Hope of glory majesty and power on display Let God arise and let his enemies scatter Look up for your redemption is nigh and expectation high The time is at hand Are you good ground for this lordship seed Reign with us Identity as one of the lords of His Majesty Prepare for the glory as a manifested Son of Go **Lord of Lies** David Zindell,2009-03-03 The seventh and youngest Valeri Valashu Elahad noble warrior and prince of the royal house of Mesh has sought the mythical Lightstone in a quest to stop the dreaded Dark Angel Morjin from enslaving all of Ea With his stalwart companions Val braved great dangers and fought many battles in their search for this elusive totem And find the sacred object they did But sometimes fulfilling a quest doesn t bring serenity but instead madness untold Now that the Lightstone has finally been found Morjin will use all of his talents to get it back Val s victory in Argattha was only the beginning of a war with Morjin Val knows that he alone must protect the sacred vessel But he is coming to understand just what powers he is confronting and he is not sure that he is strong enough to follow the path of righteousness He wonders who he can trust to help him as he encounters treasonous plots and betrayal by those closest to him evidence of Morjin s power to destroy him and take the Lightstone *The Lords of Nothing* Gary Demasi,2008-05 Okay in my first book MARCH OF THE COOKIE CUTTERS I gave you reality and only half of you could handle it Some could grasp it and others had to bail out back into their little fantasy world Most of you were okay with it until it got to the part that you yourselves were guilty of then you jettisoned out of the picture You d think that by now you d be sick of the America the Great bull % DEGREES that they re jamming down your throat Only half of you actually are however It s time for you to wake up and realize what we have become In this book THE LORDS OF NOTHING I m going to give you your medicine in the candy I m going to give it to you in sci fi form instead You people love fantasy maybe you can grasp it in this form this easier If you want the truth about what we are and you have the guts then read my books So many of you don t

want to be told what to do You re so worried about socialism You forget something and that is that The Socialist in the Sky God Himself will judge you for everything that you do Oh by the way the women that are hooking up with the massive influx of garbage men that are here now in massive numbers WERE THE LAST LINE OF DEFENSE THAT HAS FALLEN TO PREVENT THESE IDIOTS FROM REPRODUCING MORE OF THEMSELVES Bad dads mean bad kids period You women complain that there aren t enough good men Correct there isn t a lot of good men So who are these 100 million women married to Why let s see duh oh I get it the bad ones Ta da What a profound thought on my part huh Two stupid parents are not better than one good parent as you have already sadly found out What part of your life is quality Is it the one where you go to work and wear the Urban Gimp Suit cliché business suit Is it the part where you spend one half of an hour eating dinner with family Is it the part right after that when you go into separate rooms to worship the decadence of the now maligned format of the Plasma Gods TV sets Is it when you go to sleep and dream about great conquests Most of this country s great victories are someone else s on a TV screen because most of you have made no life of your own We ve traded ethics nobility and morals for superficial entertainment and money Time to take back the country This is my second venture into writing My first book MARCH OF THE COOKIE CUTTERS was embraced by those with vision and denied and scoffed at by those that were actually living out that lifestyle themselves The truth about the reality of their situation was too scary a place for them to go to I am nearing the Big 50 now and my convictions for writing these ideas are stronger than ever There have simply been too many visionaries out there that have seen the truth about what we have become and all too clearly I continue to be totally honest with you people with zero coloration of the sad facts that are at hand I promised myself in the beginning to never waver from the truth and I will forever uphold to that principle Luckily for me I do not have to deal with the large contingency of these perpetrators in my personal life I am surrounded by or have surrounded myself by the very good people that we still have Thank God Nothing of which I write about is based on any bitterness from personal experiences I have a great family and I have great friends However the problem people that I write about are now in massive numbers My books are an attempt to dispel the myths and false mist that so many of us now exist in So many of us are now just clone copies of everybody else We have almost forgot how to be sincere We are losing our way We must try to get back on the right track and make America the great nation that it once was
