

"Oh, Harry, come off it. How would you even? How would you finance it? You have nickels to rub together."

"I've already got backing," he said. "A dame I know will put the cash into a spot where it pays off, if we can catch the wind to men, that Mr. Sin gets over to the west."

"So?" A funny trembling had already seized Loril. She knew what was coming.

"So, I want to see if I can't get you in on it. Sin's hang-out," Harry said. "I want you there and keep your eyes open and your mouth shut."

"Alright," Loril snapped. "stop right then. Why not Melinda? I'm sure she'd be our type!"

Like a flash, Melinda came out of her room eagerly toward Harry. "Yeah," she said. "What Loril wouldn't even know what she was talking about. I'd love—"

"That's just it," Harry retorted. "You'd love how! And you'd get so wound up you wouldn't know what was going on. Nope, it'll have to be Loril."

"Maybe I've got something to say about this," she said. But secretly, she knew she was watching a fire that burned inside her, this new wholeness that seemed to have come into being last night. Len's brutal attack, was it her on, pushing her forward. "Anyway, how would you like to go about getting an invitation?"

He shot her a quick look. A flash of something very like triumph was in his eyes. "I'll find out," he said. "I'll talk to her."

helped herself to a big plate of spaghetti, and poured sauce liberally over it, then snowed it with a drizzle of pungent, Italian cheese. "I thought I told you to take the day off," Jerry said. "and follow orders?"

He set the plate of spaghetti on the table in the kitchen, poured herself a glass of milk, and sat down on a high red stool.

Had you ever heard about the high accident at the factory?" she asked, jokingly. "I'm safer here."

She came to stand beside her, hands on hips. Suddenly a wave of fire swept over Loril again, leaving her breathless and shaken. She turned slightly away from him, and attacked the spaghetti viciously.

"What hidden meaning lurks in that remark?" he asked. His voice was light, but his eyes were searching.

She felt the sensation of sitting on a nest of feathers. "I'm much for Loril. She jumped to her feet, arms outstretched like an Irish washerwoman's, and said in a low, husky voice, "I mean I got taken, that's what. After you refused my brazen offer, I went home and I walked in and took me. So I guess you think that's my fault?"

"Loril, No!" he mimicked, furiously. Tears were dangerous, and she knew that staying mad was the only way to keep them in check.

In her consternation, Jerry stepped to her side and put his arms around her shoulders. Instantly, it was as if a flame were being poured on the flame; it leaped, it roared, and devoured her flesh.

"God, Loril, I could kill myself. If I'd only had guts

Loril Was A Tramp
