Los Angeles from the Days of the Pueblo William Wilcox Robinson, 1981      **Los Angeles from the Days of the Pueblo**  
William Wilcox Robinson, 1959      *Los Angeles from the Days of the Pueblo* W. W. Robinson, 1981-01-01      **The Los Angeles Barrio, 1850-1890** Richard Griswold del Castillo, 1982-08-30 An important book which provides the first detailed analysis of the changes that transformed one of the most important Mexican pueblos in the Southwest into a Chicano urban barrio Using quantitative data together with traditional secondary and primary historical sources the author traces the major socio economic political and racial factors that evolved during the post Mexican War decades and that created a subordinate status for Mexican Americans in a burgeoning American city Western Historical Quarterly Griswold del Castillo's history of the Mexican community during the first decades of the American era concentrates on the mechanisms which the community adopted as it was confronted by changes in the economic structure of the region the immigration of Anglo Americans as well as Mexicans and by the effects of racial segregation on the community The aim is to reveal the history of a community undergoing rapid social and economic change not to write the history of one society's domination of another UCLA Historical Journal Los Angeles Chicanos emerge not as the homogeneous passive victims of stereotypical fame but as internally diverse active participants in the simultaneous struggles to maintain their socio cultural fabric and to capture a part of the American Dream The author effectively demonstrates that the Chicano decline occurred not because of cultural weaknesses but as the almost inevitable result of Anglo prejudice numerical domination and control of political and economic institutions an admirable book and a fine piece of scholarship American Historical Review      The Los Angeles Plaza William David Estrada, 2009-02-17 2008 Gold Award in Californiana California Book Awards Commonwealth Club of California 2010 NACCS Book Award National Association for Chicana and Chicano Studies City plazas worldwide are centers of cultural expression and artistic display They are settings for everyday urban life where daily interactions economic exchanges and informal conversations occur thereby creating a socially meaningful place at the core of a city At the heart of historic Los Angeles the Plaza represents a quintessential public space where real and imagined narratives overlap and provide as many questions as answers about the development of the city and what it means to be an Angeleno The author a social and cultural historian who specializes in nineteenth and early twentieth century Los Angeles is well suited to explore the complex history and modern day relevance of the Los Angeles Plaza From its indigenous and colonial origins to the present day Estrada explores the subject from an interdisciplinary and multiethnic perspective delving into the pages of local newspapers diaries and letters and the personal memories of former and present Plaza residents in order to examine the spatial and social dimensions of the Plaza over an extended period of time The author contributes to the growing historiography of Los Angeles by providing a groundbreaking analysis of the original core of the city that covers a long span of time space and social relations He examines the impact of change on the lives of ordinary people in a specific place and how this change reflects
